Beowulf and Other Stories Joe Allard, Richard North, 2014-04-23 Beowulf Other Stories was first conceived in the belief that the study of Old English and its close cousins Old Icelandic and Anglo Norman can be a genuine delight covering a period as replete with wonder creativity and magic as any other in literature Now in a fully revised second edition the collection of essays written by leading academics in the field is set to build upon its established reputation as the standard introduction to the literatures of the time Beowulf Other Stories captures the fire and bloodlust of the great epic Beowulf and the sophistication and eroticism of the Exeter Riddles Fresh interpretations give new life to the spiritual ecstasy of The Seafarer and to the imaginative dexterity of The Dream of the Rood and provide the student and general reader with all they might need to explore and enjoy this complex but rewarding field The book sheds light too on the shadowy contexts of the period with suggestive and highly readable essays on matters ranging from the dynamism of the Viking Age to Anglo Saxon input into The Lord of the Rings from the great religious prose works to the transition from Old to Middle English It also branches out into related traditions with expert introductions to the Icelandic Sagas Viking Religion and Norse Mythology

Peter S Baker provides an outstanding guide to taking your first steps in the Old English language while David Crystal provides a crisp linguistic overview of the entire period With a new chapter by Mike Bintley on Anglo Saxon archaeology and a revised chapter by Stewart Brookes on the prose writers of the English Benedictine Reform this updated second edition will be essential reading for students of the period **YLG Pamphlet** , **A Viking Maiden for the Marquess** Michelle Willingham,2016-08-02 Eric Fielding the Marquess of Thorgraham is shipwrecked upon the shores of Norway during a violent storm and brought back a thousand years in time He finds a beautiful Viking maiden waiting for him but Katarina Larsdottir needs a warrior to slay her enemies not an English gentleman Katarina is fascinated by the man who returns to her He looks similar to Arik Thorgrim the man she has loved all her life but the handsome stranger is nothing at all like the fierce warrior she remembers His kindness soothes the wounded scars of her past awakening her to a passion she has never known But when an enemy from Katarina s past threatens to kill everyone she loves Eric must cast off the civilized rules of his upbringing and fight for her or lose everything This book was originally titled A Maiden for the Marquess
