Ida Tarbell Portrait Of A Muckraker:

Ida Tarbell Kathleen Brady,1989-10-15 In this first definitive biography of Ida Tarbell Kathleen Brady who is on the staff of Time has written a readable and widely acclaimed book about one of America's great journalists Ida Tarbell's generation called her a muckraker the term was Theodore Roosevelt's and he didn't intend it as a compliment but in our time she would have been known as an investigative reporter with the celebrity of Woodward and Bernstein By any description Ida Tarbell was one of the most powerful women of her time in the United States admired feared hated When her History of the Standard Oil Company was published first in McClure's Magazine and then as a book 1904 it shook the Rockefeller interests caused national outrage and led the Supreme Court to fragment the giant monopoly A journalist of extraordinary intelligence accuracy and courage she was also the author of the influential and popular books on Napoleon and Abraham Lincoln and her hundreds of articles dealt with public figures such as Louis Pasteur and Emile Zola and contemporary issues such as tariff policy and labor During her long life she knew Teddy Roosevelt Jane Addams Henry James Samuel McClure Lincoln Stephens Herbert Hoover and many other prominent Americans She achieved more than almost any woman of her generation but she was an antisuffragist believing that the traditional roles of wife and mother were more important than public life She ultimately defended the business interests she had once attacked To this day her opposition to women's rights disturbs some feminists Kathleen Brady writes of her She did not have the flinty stuff of which the cutting edge of any revolution is made Yet she was called to achievement in a day when women were called only to exist Her triumph was that she succeeded Her tragedy was that she was never to know it Ida Tarbell Kathleen Brady,1989 **More Than a Muckraker** Robert C. Kochersberger,1994 Rockefeller's Standard Oil and the fight for antitrust legislation she was also a thorough biographer a social commentator and speaker and a women's rights advocate of sorts during a time when most women did not work or write outside the home Muckrakers Ann Bausum,2007 Tells how investigative reporting began with the muckrakers in the early 20th century **Taking on the Trust: The Epic Battle of Ida Tarbell and John D. Rockefeller** Steve Weinberg,2009-08-10 This dual biography tells the story of how Ida Minerva Tarbell an ambitious reporter brought down John D Rockefeller the tycoon at the head of Standard Oil Adapted from back cover Muckrakers Edd Applegate,2008 Professor Edd Applegate profiles the men and women who either wrote muckraking journalism or edited publications that featured muckraking articles Some of the most important figures of journalism are here including Nellie Bly Upton Sinclair Lincoln Steffens George Kennan Jack London Frank Norris Rachel Carson George Seldes and I F Stone **The Bully Pulpit** Doris Kearns Goodwin,2013-11-05 Pulitzer Prize winning author and presidential historian Doris Kearns Goodwin's dynamic history of Theodore Roosevelt William H Taft and the first decade of the Progressive era that tumultuous time when the nation was coming unseamed and reform was in the air Winner of the Carnegie Medal Doris Kearns Goodwin's The Bully Pulpit is a dynamic history of the first decade of the Progressive era that tumultuous time when the nation was coming

unseamed and reform was in the air The story is told through the intense friendship of Theodore Roosevelt and William Howard Taft a close relationship that strengthens both men before it ruptures in 1912 when they engage in a brutal fight for the presidential nomination that divides their wives their children and their closest friends while crippling the progressive wing of the Republican Party causing Democrat Woodrow Wilson to be elected and changing the country's history The Bully Pulpit is also the story of the muckraking press which arouses the spirit of reform that helps Roosevelt push the government to shed its laissez faire attitude toward robber barons corrupt politicians and corporate exploiters of our natural resources The muckrakers are portrayed through the greatest group of journalists ever assembled at one magazine Ida Tarbell Ray Stannard Baker Lincoln Steffens and William Allen White teamed under the mercurial genius of publisher S S McClure Goodwin's narrative is founded upon a wealth of primary materials The correspondence of more than four hundred letters between Roosevelt and Taft begins in their early thirties and ends only months before Roosevelt's death Edith Roosevelt and Nellie Taft kept diaries The muckrakers wrote hundreds of letters to one another kept journals and wrote their memoirs The letters of Captain Archie Butt who served as a personal aide to both Roosevelt and Taft provide an intimate view of both men The Bully Pulpit like Goodwin's brilliant chronicles of the Civil War and World War II exquisitely demonstrates her distinctive ability to combine scholarly rigor with accessibility It is a major work of history an examination of leadership in a rare moment of activism and reform that brought the country closer to its founding ideals *The Watchdog That Didn't Bark* Dean Starkman, 2014-01-07 The Pulitzer Prize winning reporter details how the U S business press could miss the most important economic implosion of the past eighty years Eric Alterman media columnist for The Nation In this sweeping incisive post mortem Dean Starkman exposes the critical shortcomings that softened coverage in the business press during the mortgage era and the years leading up to the financial collapse of 2008 He examines the deep cultural and structural shifts some unavoidable some self inflicted that eroded journalism's appetite for its role as watchdog The result was a deafening silence about systemic corruption in the financial industry Tragically this silence grew only more profound as the mortgage madness reached its terrible apogee from 2004 through 2006 Starkman frames his analysis in a broad argument about journalism itself dividing the profession into two competing approaches access reporting and accountability reporting which rely on entirely different sources and produce radically different representations of reality As Starkman explains access journalism came to dominate business reporting in the 1990s a process he calls CNBCization and rather than examining risky even corrupt corporate behavior mainstream reporters focused on profiling executives and informing investors Starkman concludes with a critique of the digital news ideology and corporate influence which threaten to further undermine investigative reporting and he shows how financial coverage and journalism as a whole can reclaim its bite Can stand as a potentially enduring case study of what went wrong and why Alec Klein national bestselling author of Aftermath With detailed statistics Starkman provides keen analysis of how the media failed in its mission at a crucial time for the U S

economy Booklist *The Prize* Daniel Yergin, 2012-09-11 The Prize recounts the panoramic history of oil and the struggle for wealth power that has always surrounded oil This struggle has shaken the world economy dictated the outcome of wars and transformed the destiny of men and nations The Prize is as much a history of the twentieth century as of the oil industry itself The canvas of this history is enormous from the drilling of the first well in Pennsylvania through two great world wars to the Iraqi invasion of Kuwait and Operation Desert Storm The cast extends from wildcatters and rogues to oil tycoons and from Winston Churchill and Ibn Saud to George Bush and Saddam Hussein The definitive work on the subject of oil and a major contribution to understanding our century The Prize is a book of extraordinary breadth riveting excitement and great importance

Out of Sight Erik Loomis, 2016-03-01 A provocative analysis of labor globalization and environmental harm by the award winning historian and author of *A History of America in Ten Strikes* In the current state of our globalized economy corporations have no incentive to protect their workers or the environment Jobs moves seamlessly across national borders while the laws that protect us from rapacious behavior remain bound by them As a result labor exploitation and toxic pollution remain standard practice In *Out of Sight* Erik Loomis a historian of both the labor and environmental movements follows a narrative that runs from the 1911 Triangle Shirtwaist Factory fire in New York City to the collapse of the Rana Plaza factory outside of Dhaka Bangladesh in 2013 He demonstrates that our modern systems of industrial production are just as dirty and abusive as they were during the Industrial Revolution and the Gilded Age The only difference is that the ugly side of manufacturing is now hidden in faraway places where workers are most vulnerable In this Choice Outstanding Academic Title Loomis shows that the great environmental victories of twentieth century America the Clean Water Act the Clean Air Act the EPA were actually union victories Using this history as a call to action *Out of Sight* proposes a path toward regulations that follow corporations wherever they do business putting the power back in workers hands The story told here is tragic and important Bill McKibben Erik Loomis prescribes how activists can take back our country for workers and those who care about the health of our planet Senator Sherrod Brown D OH

studies visual studies media studies and American studies in addition to journalism and literary studies this book is perfect for students and scholars of those disciplines **Capital's Utopia** Anne E. Mosher, 2020-03-03 In the 1890s the Apollo Iron and Steel Company ended a bitterly contested labor dispute by hiring replacement workers from the surrounding countryside To avoid future unrest however the company sought to gain tighter control over its workers not only at the factory but also in their homes Drawing upon a philosophy of reform movements in Europe and the United States the firm decided that providing workers with good housing and a good urban environment would make them more loyal and productive In 1895 Apollo Iron and Steel built a new integrated non unionized steelworks and hired the nation's preeminent landscape architectural firm Olmsted Olmsted and Eliot to design the model industrial town Vandergrift In Capital's Utopia Vandergrift Pennsylvania 1855 1916 Anne E Mosher offers the first comprehensive geographical overview of the industrial restructuring of an American steelworks and its workforce in the late nineteenth century In addition by offering a thorough analysis of the Olmsted plan Mosher integrates historical geography and labor history with landscape architectural history and urban studies As a result this book is far more than a case study It is a window into an important period of industrial development and its consequences on communities and environments in the world famous steel country of southwestern Pennsylvania

The Oxford Encyclopedia of Women in World History Bonnie G. Smith, 2008 The Encyclopedia of Women in World History captures the experiences of women throughout world history in a comprehensive 4 volume work Although there has been extensive research on women in history by region no text or reference work has comprehensively covered the role women have played throughout world history The past thirty years have seen an explosion of research and effort to present the experiences and contributions of women not only in the Western world but across the globe Historians have investigated women's daily lives in virtually every region and have researched the leadership roles women have filled across time and region They have found and demonstrated that there is virtually no historical social or demographic change in which women have not been involved and by which their lives have not been affected The Oxford Encyclopedia of Women in World History benefits greatly from these efforts and experiences and illuminates how women worldwide have influenced and been influenced by these historical social and demographic changes The Encyclopedia contains over 1 250 signed articles arranged in an A Z format for ease of use The entries cover six main areas biographies geography and history comparative culture and society including adoption abortion performing arts organizations and movements such as the Egyptian Uprising and the Paris Commune women's and gender studies and topics in world history that include slave trade globalization and disease With its rich and insightful entries by leading scholars and experts this reference work is sure to be a valued go to resource for scholars college and high school students and general readers alike *Women in the American Political System* Dianne G. Bystrom, Barbara Burrell, 2018-12-01 This book examines how women candidates voters and office holders shape U S political processes and institutions lending their perspectives to gradually evolve American life and values This book

provides an encyclopedic sourcebook on the evolution of women's involvement in American politics from the colonial era to the present covering all of the individuals organizations cultural forces political issues and legal decisions that have collectively served to elevate the role of women at the ballot box on the campaign trail in Washington and in state and city level political offices across the country The in depth essays document and examine the rising prominence of women as voters candidates public officials and lawmakers enabling readers to understand how U S political processes and institutions have been and will continue to be shaped by women and their perspectives on American life and values The entries cover a range of women politicians and officials female activists and media figures relevant organizations and interest groups such as Emily's List League of Women Voters and National Right to Life key laws court cases and events such as the Nineteenth Amendment the Equal Rights Amendment the Seneca Falls Convention the passage of Title IX and Roe v Wade and other topics like media coverage of appearance women's roles as campaign strategists fundraisers gender differences in policy priorities and the gender gap in political ambitions The text is supplemented by sidebars that highlight selected landmarks in women's political history in the United States such as the 2012 election of Tammy Baldwin the first openly gay U S senator

Paternalism Incorporated David Leverenz, 2004 Between the Civil War and World War I David Leverenz maintains the corporate transformation of American work created widespread desire for upward mobility along with widening class divisions In his view several significant narrative constructs notably the daddy's girl and the daddy's boy emerge at the intersection between paternalist practices and more democratic possibilities for self advancement From Mark Twain's Laura Hawkins in *The Gilded Age* to the protagonist of Theodore Dreiser's *Sister Carrie* and Willa Cather's Alexandra Bergson in *O Pioneers* Leverenz finds that the image of the daddy's girl constrains the emerging threat of the career woman even as it articulates the lure of upward mobility for women In surveying the figure of the daddy's boy Leverenz examines tensions between young men's desires for upward mobility and older men's desires for paternal control *Paternalism Incorporated* also addresses yearnings for individualism and paternalism in various critiques of the emerging corporation Another chapter links honor and shaming to race in the philanthropic practices of Andrew Carnegie and John D Rockefeller framed with narratives by William Dean Howells Booker T Washington and Jane Addams After showing how a daddy's girl becomes a paternalist in Henry James's *The Golden Bowl* Leverenz considers F Scott Fitzgerald's *Tender is the Night* as paternalism's elegy contrasted with the Shirley Temple film *The Little Colonel*

Ideas and Movements That Shaped America Michael Green, Scott L. Stabler, 2015-07-28 America was founded on bold ideas and beliefs This book examines the ideas and movements that shaped our nation presenting thorough accessible entries with sources that improve readers understanding of the American experience Presenting accessibly written information for general audiences as well as students and researchers this three volume work examines the evolution of American society and thought from the nation's beginnings to the 21st century It covers the seminal ideas and social movements that define who we are as Americans from the ideas that

underpin the Bill of Rights to slavery the Civil Rights movement and the idea of gay rights even if U S citizens often strongly disagree on these topics Organized topically rather than chronologically this encyclopedia combines primary sources and secondary works or historical analyses with text describing the ideas and movements in question In addition each entry includes a list of suggestions for further reading that directs readers to supplementary sources of information The set s unique perspective serves to depict how American society has evolved from the nation s beginnings to the present revealing how Americans as a people have acted and responded to key ideas and movements

I Have Seen the Future Peter Hartshorn,2012-01-10 At the dawn of the twentieth century Lincoln Steffens an internationally known and respected political insider went rogue to work for McClure s Magazine Credited as the proverbial father of muckraking reporting Steffens quickly rose to the top of McClure s team of investigative journalists earning him the attention of many powerful politicians who utilized his knack for tireless probing to battle government corruption and greedy politicians A mentor of Walter Lippmann friend of Theodore Roosevelt and advisor of Woodrow Wilson Steffens is best known for bringing to light the Mexican Revolution the 1910 bombing of the Los Angeles Times and the Versailles peace talks Now with print journalism and investigative reporters on the decline Lincoln Steffens biography serves as a necessary call to arms for the newspaper industry Hartshorn s extensive research captures each detail of Steffens life from his private letters to friends to his long and colorful career and delves into the ongoing internal struggle between his personal life and his overpowering devotion to the cause
