Meeting,1892 The Quest for Authority Matthew Prevett,2021-10-29 Authority lies at the very center of what it means to be called together in an ecclesial community and shapes how the Church understands its purpose and orders its activity It can manifest itself as something owned and used by those in power yet it is something fundamental to the entirety of Church life However while some polities exude authority in every pronouncement and every action other ecclesiologies find it more difficult to locate and express authority often needing a quest to explore and discover the authority that shapes the Church s life Focusing on the United Reformed Church in the United Kingdom this book explores the particular shaping and bringing together that is a characteristic of a United and Reformed ecclesiology and examines how this influences ecclesial polity and practice Matthew Prevett argues that authority in ecclesial life can be understood historically and empirically drawing deeply from the well of tradition and history yet inspired by the social political and technological challenges of the twenty first century

Challenging the Church Monster Douglas J. Bixby,2007-09-01 The church monster according to Bixby is the personification of a wide variety of problems which have arisen in local churches as a result of the heightened levels of conflict and anxiety with which they are dealing His goal is to help pastors as well as laity to challenge the church monster by dealing with conflict and working through issues that are causing stagnation early dismissal of pastors and other discord that detracts from the mission and vision of the church Bixby invites churches as well as shows them how to be open to the

genuine and exciting possibilities that emerge from two core principles downsizing and centralizing church government and developing a radical commitment to congregational decision making This means fewer meetings more ministry and less conflict more community He also offers fresh new ways for churches to function so that mission and ministry can once again become priorities and people can begin to feel their time and energy are being used for something other than adding fuel to the fire of conflict within the congregation
