Urban, 2008-05-12

Using the lens of postcolonial feminism and with particular focus on immigration across the U S across Mexico border this book explores the processes by which security threats are identified and interpreted and thus the relationship between national civilizational and environmental security within mainstream environment security discourse in the United States Another distinctive element of the book is that its focus on the broader discourse of environmental security and immigration examining the articulation of environmental security concerns over immigration across U S institutions such as the media the state NGOs and academia to unpack the ways these threats are identified and interpreted

The Virtuous Vice Siamack Shojai, Robert Christopherson, 2004-05-30 Globalization is both a virtue and a vice On balance it is beneficial to individuals communities nations and the world economy It facilitates the movement of goods and services people financial capital and ideas Overall it creates wealth Globalization does have vices however cultural clashes environmental degradation and displaced workers among them The contributors to this volume contend that the give and play between the positive and negative sides of globalization will eventually result in a smoother and more equitable process

A Spatial Approach to Regionalisms in the Global Economy M. Niemann, 2016-01-26 The author challenges the traditional manner in which regionalization has been approached and suggests that the failure to come to grips with this phenomenon is the result of the modernist regulation of space to margins of analysis He advances instead a spatially orientated approach which views states as one of multiple layers of a global social space Regionalization represents the construction of new layers in an effort to search for an institutional fix to the challenges of globalization

US Foreign Policy in the Middle East Bledar Prifti, 2017-02-06 This book provides a comprehensive historical overview of US foreign policy in the Middle East using the theoretical framework of offensive realism and highlighting the role of geography and regional power distribution in guiding foreign policy It argues that the US has been pursuing the same geostrategic interests from President Truman's policy of containment to President Obama's speak softly and carry a big stick policy and contends that the US Iran relationship has been largely characterized by continued cooperation due to shared geostrategic interests The book highlights the continuity in US foreign policy over the last seven decades and offers a prediction for US foreign policy in reaction to current and future global events As such it will serve as a reference guide for not only scholars but also policy analysts and practitioners

The Politics of Cross-border Crime in Greater China Sonny Shiu-Hing Lo, 2020-07-24 Organized crime has been on the rise in the Greater China region since the People's Republic opened up its economy and society in the mid 1980s Today triads from Hong Kong Macao and even Taiwan are involved in businesses in Guangdong Province and often recruit local Chinese for illegal activities such as extortion kidnapping assassinations and smuggling of illegal aliens This book provides a detailed and comprehensive study of how the state at the central and local levels has responded to the changing patterns and activities of cross border crime in Greater China It discusses the theoretical concept of organized crime the transnational nature of organized crime in recent years the significance of studying organized crime in Greater China and the implications

for the national security of other countries such as the United States Canada and Australia The author reviews the history of organized crime and secret societies and addresses the legal complexities of dealing with criminal groups in the region He covers such topics as money laundering the financing of terrorist activities and regional efforts in fighting terrorism

International Politics on the World Stage John T. Rourke, 2001 This concise text provides students and instructors with a comprehensive overview of world politics inviting them in a straightforward and accessible way to explore international relations and its new challenges A hallmark of the text is the authors position that politics affect the lives of all of us and that the individual can have an impact whether small or large by being politically aware and by taking action **Diplomatic**

Theory Barry H. Steiner, 2018-03-16 This book is intended as a primer for generalizing on a case comparison basis about diplomatic statecraft including resources and techniques available to states to attain their objectives Twenty years in the making it employs an inductive method in which small samples of cases occurring at different times and between different states are studied to track and understand specific variable diplomatic behavior Its concern with empirically grounded generalization in which hypotheses are formulated and tested by case similarities and differences is a new approach to diplomatic analysis Diplomacy though central to international relations study and practice has generally been studied normatively rather than theoretically in contrast to other international relations topics Students of diplomacy emphasizing statecraft s complexity have generally shied away from theory while theory minded international relations analysts have neglected statecraft and highlighted military capabilities and positional rivalries as determiners of state behavior This book instead builds diplomatic theory by investigating variation in case experience especially in the diplomatic choices made by states It shows that theorizing is enhanced by a diplomatic point of view and by distinguishing diplomatic behavior as cause and as effect Uluslararası İlişkiler ve Siyaset Bilimleri Terimler Sözlüğü - A Dictionary of Terms in International Relations

& Political Sciences Hidayet Tuncay, 2016-01-01 There are almost 4000 entries in the dictionary 2351 terms and expressions are given in the first part The second part of the dictionary covers 492 English Noun and Verb Phrases In the third part 559 Turkish Noun and Verb Phrases are given with their equivalent English translations The final part of the dictionary covers the most common 560 Acronyms and Abbreviations S z l kte toplam 4000 e yak n girdi T rk e ngilizce anlamlar ve a klamalar yla verilmi tir S z l k birbiriyle yak n ili kisi olan d rt temel b l mden olu maktad r 2351 fade ve terimler 492 ngilizce sim ve fiil i eren ifadeler 559 T rk e isim ve fiil i eren ifadeler 560 yayg n akronim ve k saltmalar **Nile River Basin** Assefa M.

Melesse, Wossenu Abteu, Shimelis G. Setegn, 2014-02-13 The book provides a comprehensive overview of the hydrology of the Nile River especially the ecohydrological degradation and challenges the basin is facing the impact of climate change on water availability and the transboundary water management issues The book includes analysis and approaches that will help provide different insights into the hydrology of this complex basin which covers 11 countries and is home to over 300 million people The need for water sharing agreements that reflect the current situations of riparian countries and are based on

equitable water sharing principles is stressed in many chapters This book explores water resource availability and quality and their trends in the basin soil erosion and watershed degradation at different scales water and health land use and climate change impact transboundary issues and water management dams reservoirs and lakes The link between watershed and river water quantity and quality is discussed pointing out the importance of watershed protection for better water resource management water accessibility institutional set up and policy water demand and management The book also presents the water sharing sticking points in relation to historical treaties and the emerging water demands of the upstream riparian countries The need for collaboration and identification of common ground to resolve the transboundary water management issues and secure a win win is also indicated

Sowing Market Reforms M. Crumley, 2013-09-18 By examining a sector of the economy that was exposed to increased imports more than four decades ago Crumley illuminates the economic pressures resistance and reform that help to shape Russia's agrarian sector today

Nigeria's Democratic Experience in the Fourth Republic Since 1999 A. Sat Obiyan, Kunle Amuwo, 2013 This book addresses various issues that have arisen in the practice of democracy in Nigeria since 1999 focusing on the Obasanjo years 1999 2007 Nigeria's return to democratic rule has been marked by developments such as the implementation of reforms to address perceived economic problems and corruption The introduction of democracy in the country has also witnessed many challenges including the difficult relationship between some political chief executives and their deputies intriguing intergovernmental relations the rise and resurgence of sub national groups that pose serious threat to the hegemony of the state precarious inter ethnic inter sectional relations attempts to perpetuate the tenure of chief executives through constitutional amendments and developments in electoral politics and conflicts The book provides incisive analysis into these issues

Republic of Macedonia Foreign Policy Dejan Marolov, 2014-07-08 The Republic of Macedonia is a particularly interesting case study for analysts of international relations Its very existence has been contested by its neighbors its internal balance is delicate Potentially the country could however become a model of stability in a traditionally conflictual region Dejan Marolov presents an encompassing in depth analysis of the country's foreign policy since the break up of Yugoslavia He examines relations with neighboring countries as well as Macedonia's still incomplete integration into a transatlantic and European framework Everybody interested in the international relations of the Western Balkans should read Marolov's book Dr Matthias Waechter European Institute Nice France and Dr Tugce Varol Sevim Aydin University Istanbul Turkey
