firing is coming from That just took 2 8 seconds and our hands are on the detonators of five claymore mines Each mine has hundreds of shrapnel like bee bees packed into them and about a pound of C 4 explosive The enemy s rifle hasn t even gotten to their shoulder yet to fire before we detonate the claymore mines if needed and the enemy well that s why it s called an ambush The sixth person a Ranger radio operator was behind us guarding our back with the radio and already our choppers and support were coming This story takes you from physical warfare to Spiritual warfare in such a way that your faith will be renewed My prayer is that it sheds light on the battle between good God and evil Satan that goes on daily for our souls Sit back and enjoy this short powerful story This books mission is when you reach the end of this book you will have an understanding of why Jesus did what He did and why you need a relationship with Him He loves you and wants to have a relationship with you one that will change you from who you are to a brand new person You are the Soul purpose of this book Author Danny Clifford Global Telecommunications Raymond Akwule,2023-12-22 Global Telecommunications 1992
