International Relations Andrew Linklater, 2000      *International Relations* Andrew Linklater, 2000      *International Relations* Andrew Linklater, 2000      The National Interest in International Relations Theory S. Burchill, 2005-05-11 This is the first systematic and critical analysis of the concept of national interest from the perspective of contemporary theories of International Relations including realist Marxist anarchist liberal English School and constructivist perspectives Scott Burchill explains that although commonly used in diplomacy the national interest is a highly problematic concept and a poor guide to understanding the motivations of foreign policy      *International Relations Theory* Oliver Daddow, 2017-03-27 With chapters on all the major theories of international relations accompanied by contemporary examples from popular culture film and literature this Third Edition is the ideal introduction to the key perspectives in the field Key features 30% new content with all chapters revised and updated Useful learning features including further reading questions to ponder common pitfalls and taking it further boxes to help you extend your thinking beyond the classroom Invaluable chapters on getting the best out of your knowledge of International Relations Theory in essays and exams including real life examples of best practice      **Postpositivist International Relations Theory** Amartya Mukhopadhyay, 2023-10-16 This book discusses postpositivist theories foregrounding postpositivism against the reigning realist and positivist pluralist orthodoxies The book explicates seven theories not as disparate endeavours but as developments linked by a common thread that seeks to enunciate globalist emancipatory goals for the theoretical field and the world that these theories seek to change It focuses on the following themes feminism environmentalism or green theory the English School critical theory constructivism postmodernism and postcolonialism Additionally a separate chapter on globalization shows that while mainstream neo realist international relations theories respond hostilely to globalization and liberal pluralist theories react benignly to it postpositivist theories positively welcome it The book offers a competent meta theoretical gridwork showing on which side of the opposing disciplinary positions in the fourth debate each of the seven theories are located It is a comprehensive guide to the postpositivist restructuring of the discipline of international relations This book will be of interest to researchers and students of political science international relations history humanities and literature      **A History of International Political Theory** Hartmut Behr, 2009-12-18 Contemporary theory of international politics faces a twofold problem the critical engagement with legacies of national power politics in connection to 20th Century International Relations and the regeneration of notions of humanity This book contributes to this engagement by a genealogy of thoughts on war peace and ethics      **Critical Concepts** M. Janine Brodie, 2001-07      The Routledge Handbook of European Security Sven Biscop, Richard Whitman, 2012-10-12 This new Handbook brings together key experts on European security from the academic and policy worlds to examine the European Union EU as an international security actor In the two decades since the end of the Cold War the EU has gradually emerged as an autonomous actor in the field of security aiming to safeguard

European security by improving global security However the EU's development as a security actor has certainly not remained uncontested either by academics or by policy makers some of whom see the rise of the EU as a threat to their national and or transatlantic policy outlook While the focus of this volume is on the politico military dimension security will also be put into the context of the holistic approach advocated by the EU The book is organised into four key sections Part I The EU as an International Security Actor Part II Institutions Instruments and Means Part III Policies Part IV Partners This Handbook will be essential reading for all students of European Security the EU European Politics security studies and IR in general
