H. Ames,2024-07-30 The Revelation of St John the Divine An Interpretation by A H Ames offers a comprehensive and insightful analysis of the Book of Revelation one of the most enigmatic and symbolic texts in the New Testament Published in 1927 this work provides a detailed exploration of the apocalyptic visions and prophecies described by St John seeking to clarify their meaning and relevance Ames presents a thorough examination of the themes symbols and historical context of Revelation The book is designed to make the complex and often cryptic messages of Revelation more accessible to readers by

The New Testament Interpretation of Scripture Anthony Tyrrell Hanson, 2011-07-05 *The New Testament Interpretation of Scripture* is an important and challenging contribution to New Testament scholarship As a contrast to form criticism it presents a fresh in depth study of Scripture interpretation within the tradition of Judaism Professor Hanson's analytical study of Paul's use of the Scriptures on the question of his meaning in 1 Corinthians 2:6-16 concludes that these verses constitute the strongest possible assurance that the advent of Christ had been predestined by God and that his death and resurrection were the means of self revelation and redemption for those who chose to enter the fellowship of the Christian church His examination of these verses further leads to the conclusion that assumptions of gnosticism as their inspiration are erroneous And in the logion in John 1:51 he perceives that it is the church that is indicated as the place where God is to be encountered and worshiped He surveys and elaborates on current studies on the scriptural sources for the doctrine of the descent into Hades to reveal that the doctrine was partly based on a messianic interpretation of the 16th, 68th, 88th and 89th Psalms as well as on a typological interpretation of the book of Jonah *The New Testament Interpretation of Scripture* is a thoughtful erudite work persuasively and lucidly argued by one of Britain's most respected New Testament scholars

Understanding Maritain Deal Wyatt Hudson, Matthew J. Mancini, 1987 **Understanding the Incarnation** James Atkinson, 2019-05-21 Human beings have always struggled to find their place in the universe and sought understanding and contact with the divine In contrast to the many failures and dead ends the historically rooted but timeless Christian message looks radically different Precisely the reverse dynamic has created the way In the Incarnation the divine has come to humanity making a bridge through the life and redeeming death of Jesus As the author shows the multiple witnesses of the New Testament and generations of Christian writers have grasped this and expounded it in their different ways The philosophers and the scientists down to the present day have sought and are seeking a Theory of Everything In the light of the candle of understanding it is there to be discovered by all in the Incarnation Suddenly Christmas Easter and much besides make sense

Spiritual Studies in St. John's Gospel ... Arthur Ritchie, 1888 **"An Esoteric and Spiritual Approach to the Mystery of St. John's Gospel"** Ravi Godrick Vincent, Vincent, 2023-09-14 Synopsis *The Hidden Mysteries of St*

John's Gospel is a profound exploration that delves into the rich tapestry of interpretations found in the Gospel of John. Spanning across various religious traditions, this book offers a comprehensive study of the Gospel's verses encompassing 1 Catholic Tradition, 2 Orthodox Tradition, 3 Protestantism, 4 Evangelicalism, 5 Liberal Christianity, and 6 Fundamentalism, as well as esoteric perspectives such as 7 Esoteric Christianity, 8 Gnosticism, 9 Hermeticism, 10 Christian Kabbalah, 11 Rosicrucianism, 12 Anthroposophy, and 13 Christian Mysticism. The reader embarks on an enlightening journey meticulously deciphering each verse and uncovering hidden meanings through the eyes of different spiritual lenses. From traditional interpretations to mystical insights, the text weaves together a compelling narrative that transcends the boundaries of religious dogma and invites readers to explore the profound depths of spiritual understanding. *Son of Mary* Margaret Wesley, 2015-08-13. *Son of Mary* offers new solutions to some persistent exegetical problems in the interpretation of three of the most puzzling passages in the Gospel of John and does so in a way that illuminates the social cultural context to the New Testament world. Old Testament resonances are heard here afresh. The miracle at Cana is seen in the light of God's people living without the wine of God's blessing and Jesus' interaction with his brothers is placed alongside the story of Joseph. Margaret Wesley explores the world of kinship relationships in First Century Palestine, discovering how an understanding of family expectations and obligations can illuminate Jesus' words and actions and guide our relationships within the church as sisters and brothers of one another and as daughters and sons of God. The life, death, and resurrection of Jesus are understood in a fresh way as the creation of a new family. Margaret demonstrates a mastery of current research while drawing on a wide range of primary patristic sources. She shows a respectful yet firm and assertive spirit when dealing with controversy.

Logics of Conversation Nicholas Asher, Alex Lascarides, 2003-06-19. Table of contents. [The Making of a Saint](#) Catia Galatariotou, 2004-01-29. A study of how a Byzantine holy man became a saint. *The Words and Works of Jesus Christ* J. Dwight Pentecost, 2016-10-04. The life of Jesus Christ takes on fresh clarity and meaning in this masterful work by Dwight Pentecost. The words, the miracles, and overarching message of the Messiah come alive in flowing and detailed chronology set against the cultural, political, and religious setting of his day. *The Words and Works of Jesus Christ* will give you a new and deeply biblical understanding of why Jesus came. How he operated. What he accomplished. Above all, you'll acquire a deeper appreciation for the love that guided his path, beginning in a manger in Bethlehem, leading through three and a half years of ministry that ended abruptly at the cross on Golgotha and blazing forth in eternal triumph at the resurrection. Drawing liberally on the works of others who have written about Christ, such as Alfred Edersheim, J.W. Shepherd, W. Graham Scroggie, and Frederick Farrar, Dr. Pentecost reveals in his own writing a familiarity with the subject that comes from years of teaching. Yet he writes not as one who knows all there is to know about Christ, but with the restraint of one who knows that Jesus is to be worshiped and adored as the great King and that no book can do more than begin to tell all the wonders of his being and his love. Journey with him on this study of the life of Christ. *The Theme of Temple Christology in John's Gospel* Stephen

Um,2006-08-31 This study not only carefully investigates the Jewish tradition of water and Spirit as the normative background of John 4 but also develops temple Christology by connecting these distinct traditions of water and the Spirit as eschatological life for John s use of Spirit as the source of new creational life The aim of this thesis is to answer the following three crucial questions in order to sustain the development of the temple Christological theme in John 4 1 What does the image of water represent 2 What does it mean to worship in Spirit and truth and 3 How do the disparate parts water scene 4 6 15 and the Spirit scene 4 20 26 function as a whole

Mary Magdalene, La Malinche, and the Ethics of Interpretation Jennifer Vija Pietz,2022-11-08 By comparing the intersecting histories of interpretation of Mary Magdalene a first century disciple of Jesus and La Malinche a sixteenth century Mesoamerican woman enslaved by the Spanish conquistadores Jennifer Vija Pietz critically evaluates the use of past lives to address contemporaneous concerns She demonstrates how the earliest sources portray each woman as an agent in the foundation of a new community Magdalene s proclamation of Jesus s resurrection helped form the first Christian community while La Malinche s role as interpreter between Spanish and native people during the Conquest helped establish modern Mexico Pietz then argues that over time various interpreters turn these real women into malleable icons that they use to negotiate changing conceptions of communal identity and norms Strikingly popular portraits develop of both women as archetypal whores who represent transgression portraits that some women have experienced as harmful Although other interpreters present contrary portraits of Magdalene and La Malinche as admirable emblems of female empowerment Pietz argues that the tendency to turn real people into icons risks producing stereotypes that can obscure past lives and negatively affect people in the present In response she posits strategies for developing historically plausible and ethically responsible interpretations of people of the past
