Ramsay,2004-01-01 This accessible Bible study will help to explain some of the more challenging aspects of Second Corinthians especially by focusing on what is delightful and inspiring about the biblical book In Second Corinthians we find promises of a glorious life after death interesting and thought provoking figures of speech describing followers of Christ powerful stewardship messages an amazing example of humility and proper respect and much more By the end of this study it will be easy to see why the folk at Corinth so loved and revered Paul that they collected this letter and others to save for future generations Interpretation Bible Studies IBS offers solid biblical content in a creative study format Forged in the tradition of the celebrated Interpretation commentary series IBS makes the same depth of biblical insight available in a dynamic flexible and user friendly resource Designed for adults and older youth IBS can be used in small groups in church school classes in large group presentations or in personal study **Letter Hermeneutics in 2 Corinthians** Eve-Marie Becker,2004-11-15 Having presented a brief history of research on 2 Corinthians Eve Marie Becker outlines the process of Paul s communication with the Corinthian community and considers letter production and letter reception at the time She develops a literary historical model for reconstructing the original separate letters 1 1 7 4 7 5 16 8 9 10 13 which were later compiled to form the canonical letter She defines by means of linguistics and communication theory the central theoretical elements for Pauline letter hermeneutics There is a thorough exegesis of those parts of 2 Corinthians in which Paul formulates aspects of his hermeneutics based on the theory of letter hermeneutics and on the results of the literary historical reconstruction of the original form of 2 Corinthians There is also an examination of the reception and interpretation of 2 Corinthians in the early church This is volume 279 in the Journal for the Study of the New Testament Supplement series **2 Corinthians** David E. Garland,1999-11-01 THE NEW AMERICAN COMMENTARY is for the minister or Bible student who wants to understand and expound the Scriptures Notable features include commentary based on THE NEW INTERNATIONAL VERSION the NIV text printed in the body of the commentary sound scholarly methodology that reflects capable research in the original languages interpretation that emphasizes the theological unity of each book and of Scripture as a whole readable and applicable exposition *Meaning and Truth in Second Corinthians* Frances M. Young,David F. Ford,2008-02-01 This new and refreshing approach to 2 Corinthians shows how exegesis of the New Testament writing can issue in theology that is relevant to today Beginning with an account of the essential thrust of the text the authors argue for the unity of the letter setting it against both its Jewish and Hellenistic backgrounds and examining questions of meaning and reference in the interpretation of particular passages They then consider how the text can be illuminated by the modern study of hermeneutics as well as by new sociological approaches The whole study reaches its climax with an assessment of Paul s authority then and now and the

importance of what he says about God To conclude the authors provide their own vivid and compelling translation of Paul's words inviting a complete rereading of the letter in the light of all that has gone before **Second Corinthians** Ernest Best, 2012-09-08 This commentary a part of the Interpretation series explores the book of Second Corinthians Interpretation A Bible Commentary for Teaching and Preaching is a distinctive resource for those who interpret the Bible in the church Planned and written specifically for teaching and preaching needs this critically acclaimed biblical commentary is a major contribution to scholarship and ministry **2 Corinthians** Antoinette Clark Wire, 2019-07-19 2020 Catholic Press Association honorable mention award for gender issues inclusion in the church When 2 Corinthians is read as a whole in the early manuscripts we hear a distraught and defensive Paul struggling to recover the respect of the Corinthians that he assumed in 1 Corinthians Scholars have supplied a recent visit gone awry to explain this but Wire argues that the Corinthians have not kept the restrictions Paul laid down in his earlier letter It is Paul who has changed No longer able to demand that they imitate his weakness as he embodies Jesus death he concedes and even celebrates that they embody Jesus power and life and thereby demonstrate the effectiveness of his work among them With special attention to the women in Corinth who pray and prophesy Wire looks at each part of 2 Corinthians through three feminist lenses a broad focus on all bodies within the tensions of the ecosystem as Paul sees it a mid range focus on the social political and economic setting and a precise focus on his argument as evidence of an interaction between Paul and the Corinthians When Paul ends with The grace of the Lord Jesus Christ the love of God and the partnership of the Holy Spirit the Corinthians have pressed him to reshape his message from yes but and no to yes from a tenacity of qualifiers and subordinations to an overflow of encouragements **2 Corinthians, Volume 40** Ralph P. Martin, 2017-10-10 Pastors and students will appreciate this new edition with its up to date bibliography and discussion of pertinent issues In this full revision and update of the book of Second Corinthians Dr Ralph P Martin addresses the scholarly questions about the text of the epistle and the significance of Paul's thought for Christian living and ministry In a penetrating analysis of Paul's responses to the various crises within the Corinthian congregation Dr Martin gives insight into the particular problems of Christianity as expressed in the hedonistic cosmopolitan setting of Corinth He shows how Paul's attempt to clearly distinguish the gospel from Hellenistic Judaism and Hellenistic Jewish Christian ideology results in a moving statement of the Christian message Rather than the theology of glory prevalent in Corinth Paul articulates his theology of the Cross as a theology of weakness of servanthood and ministry What was at stake at Corinth says Dr Martin was nothing less than the essence of the kerygma as expressed in the way of the cross for proclamation and daily living New sections on the Collection and Rhetoric have been added and the issues of Composition and Social Setting of the letter have been included along with topics such as the Spirit the Opponents Paul's Theology and the Resurrection in this epistle The Word Biblical Commentary series offers the best in critical scholarship firmly committed to the authority of Scripture as divine revelation It is perfect for scholars students of the Bible ministers and anyone who
