God's Word
IN BLACK PREACHING

WARREN H. STEWART, SR.

Interpreting Gods Word In Black Preaching

Paul Scott Wilson

Interpreting Gods Word In Black Preaching:

Interpreting God's Word in Black Preaching Warren H. Stewart, 1984 To assist the preacher with the task of interpreting and communicating the Word so that it will be relevant and understood by the congregation Dr Stewart presents a well defined five point study of the hermeneutical process

Cultural Interpretation Brian K. Blount, 2004-07-09 Building on insights into the social functions of language especially its interpersonal dimensions Blount constructs a culturally sensitive model of interpretation that provides a sound basis for ethnographic and popular as well as historical critical readings of the biblical text Blount s framework does more than acknowledge the inevitability of multiple interpretations it foments them His analysis demonstrates the social intent of every reading and shows the influence of communicative context in such diverse readings of the Bible as Rudolf Bultmann s the peasants of Solentiname the Negro spirituals and black church sermons Then Blount turns to Mark s account of the trial of Jesus where he shows how this hermeneutical scheme helps to assess the emergence and validity of multiple readings of the text and the figure of Jesus

The Heart of Black Preaching Cleophus James LaRue, 2000-01-01 LaRue provides important insights on why black preaching is strong and active and connects with the real life experiences of listeners Christian

The Four Pages of the Sermon, Revised and Updated Paul Scott Wilson, 2018-09-18 Doing justice to the complexity of the preaching task and the questions that underlie it author Paul Scott Wilson organizes both the preparation and the content of the sermon around its four pages Each page addresses a different theological and creative component of what happens in any sermon Page One presents the trouble or conflict that takes place in or that underscores the biblical text itself Page Two looks at similar conflict sin or brokenness in our own time Page Three returns to the Bible to identify where God is at work in or behind the text in other words to discover the good news Page Four points to God at work in our world particularly in relation to the situations described in Page Two This approach is about preaching the gospel in nearly any sermonic form Wilson teaches the what why and how of sermon construction all rooted in a theology of the Word This completely revised edition guides readers through the sermon process step by step with the aim of composing sermons that challenge and provide hope by focusing on God more closely than on humans It has been largely rewritten to include an assessment of where preaching is today in light of propositional preaching the New Homiletic African American preaching the effect of the internet and use of technology A chapter on exegesis has been added plus new focus on the importance of preaching to a felt need the need for proclamation in addition to teaching and developing tools to ensure sermon excellence New sermon examples have been added along with a section that responds to critics and looks to the future

The New Interpreter's® Handbook of Preaching, 2010-11-01 The New Interpreter s Handbook of Preaching is a major reference tool for preaching with articles on every facet of Christian sermon preparation and delivery This resource is both scholarly and practical It focuses on the most distinctive feature and greatest strength of homiletics as a discipline It is rooted in interdisciplinary scholarship and it develops theory geared to practice Its theory

arises out of the study of both excellent preaching past and present and actual sermon preparation and composition When theory and practice critique each other it is possible to produce guidelines that assist greater excellence and economy in preaching the gospel Excellence in standards is an area in which homiletics needs to grow and this project will be both a means to encourage and develop it A guiding question throughout will be Will it preach The answers will be offered in the sense that here is something that works well rather than here is something to try Preachers will turn to this resource with the expectation that they will find scholarly treatment of topics brief bibliographies of relevant key books and articles along with practical methodological suggestions for preachers to employ The contributors are homileticians preachers and writers in various disciplines who are committed to the pulpit through practice **Preaching Words** John S. McClure, 2007-01-01

John McClure s *Preaching Words* highlights the most important ideas in homiletics and preaching offering short explanations of these ideas what scholars of preaching are saying about them and how they can help in today s preaching Topics range from elements of the sermon introduction body and conclusion to aspects of delivery types of preaching in different Christian traditions and theories of preaching *The Journey and Promise of African American Preaching* Kenyatta R. Gilbert, 2011-04-01

The Journey and Promise of African American Preaching is a constructive effort to examine the historical contributions of African American preaching the challenges it faces today and how it might become a renewed source of healing and strength for at risk communities and churches from publisher description **Enduring Truth** Aaron E. Lavender, 2016-09-15

Enduring Truth argues that faithfulness to Scripture is the solution to a crisis among African American preaching Though misinterpreting God s Word is not restricted to one race or culture author Aaron Lavender identifies three factors that have precipitated the decline of black preaching specifically racial segregation black liberation theology and prosperity theology The book s first chapter recounts the history of the crisis noting how discrimination in theological education led black ministers to liberal colleges and seminaries that prophetically confronted Jim Crow but taught the social gospel and other forms of theological error Such schools ultimately were harmful to the spiritual health of black churches Subsequent chapters discuss the role of biblical exegesis in preaching develop a theology of preaching and suggest preaching methods for the postmodern world Every biblical text has one meaning according to Lavender The preacher s job is to determine and communicate that meaning then show its relevance in the cultural context of his hearers Proof texting and relativism Lavender writes are two great enemies of biblical preaching While focused on the African American context this volume addresses topics relevant to all preachers *Enduring Truth* is suited both for ministry practitioners and preaching courses It will help readers elevate the Word of God over the worldly allures of any ministry setting *The Web of Preaching* Richard L. Eslinger, 2002-08-01

Preaching is not as simple as it may appear The preacher today is confronted with a dizzying array of homiletic methods and approaches each holding important insights into how to proclaim the Good News While pastors wish to learn from these different ways of preaching they often do not know where to begin Who are the best

representatives of a given approach How do the different methods relate to one another How has the preaching scene changed in recent years In *The Web of Preaching* Richard Eslinger addresses these and other questions about contemporary approaches to preaching Surveying the most important current theories of preaching he argues that no homiletic method can be understood on its own The different schools of thought on preaching all intersect at such common points as Scripture narrative and the role of preaching in worship A strength in one compensates for a weakness in another and seen together they form one comprehensive web of preaching This book is a follow up to Eslinger's earlier *A New Hearing* which has been a standard text in preaching courses since its publication in 1987

What's the Matter with Preaching Today? Mike Graves, 2004-01-01 Seventy five years ago renowned preacher Harry Emerson Fosdick asked in *Harper's Magazine* what's the matter with preaching Fosdick's question is even more relevant today as both pastors and laity acknowledge the need for improvement in Sunday morning's sermons And who better for pastors and students to learn from than those who already do it well The contributors to this book are some of the best and most thoughtful preachers in the church and classroom today In their essays they assess the state of preaching today identify a variety of issues that challenge effective preaching and offer helpful suggestions for what can be done to improve preaching In the process they help to define what effective preaching is

Broken Words Paul Scott Wilson, 2010-09-01 A look at what both our successes and failures in preaching can tell us about how to craft better sermons Paul Wilson has long been one of the most important figures among those who seek a richer and more complete understanding of what preaching is and how it might be made better In this new book he draws on his broad and deep work in homiletics to show preachers how to craft a variety of types of sermons How do you preach from the Old Testament What are the particular needs and challenges of preaching the Good Friday and then the Easter sermon What do you do when you want to address contemporary events Recognizing that all sermons are in some ways broken words he includes in each chapter an illustrative sermon some of which work well yet others of which don't If you stand in the pulpit long he reminds us you're going to preach your share of both You would do well to learn then how either kind of sermon the ones you're proud of and the ones you want to forget can provide ample opportunities to learn how to be a more effective and faithful preacher of the gospel Readers will learn how to vary the sources styles and substance of their sermons Key Benefits Will empower the reader to move outside their comfort zone in preaching thus engaging the broader possibilities for preaching Will help the reader to learn how to assess both their strong and weak sermons and learn from each

Introduction to the Practice of African American Preaching Frank A. Thomas, 2016-11-15 *The Introduction to African American Preaching* is an important groundbreaking book This book acknowledges African American preaching as an academic discipline and invites all students and preachers into a scholarly dynamic and useful exploration of the topic Author Frank Thomas opens with a bus tour study of African American preaching He shows how African American preaching has gradually moved from an almost exclusively oral to an oral written tradition Readers will gain insight into the history of the

study of the African American preaching tradition and catch the author's enthusiasm for it. Next Thomas traces the relationship between homiletics and rhetoric in Western preaching demonstrating how African American preaching is inherently theological and rhetorical. He then explores the question what is black preaching. Thomas introduces the reader to methods of close reading and ideological criticism. And then demonstrates how to use these methods using a sermon by Gardner Calvin Taylor as his example. The next chapter considers the question what is excellence in black preaching. The next chapter seeks to create bridges and dialogue within the field of homiletics and in particular the Euro American homiletic tradition. The goal of this chapter is to clearly demonstrate connections between the African American preaching tradition and the field of homiletics. Thomas next turns to questions about the relevancy of the church to the Millennial generation. Specifically how will the African American church remain relevant to this generation which is so deeply concerned with social justice.

Voices in the Wilderness John L. Thomas Jr., 2018-01-30 FINALLY a scholarly description of the development of Black preaching in the United States that is accessible to the average reader but also contributes to the academic conversation about both style and theological content. Written from the perspective of a seasoned practitioner and tenured practical theologian, Thomas surveys Black preaching as it has responded to various social and historical time periods. Starting with the brutality of chattel slavery, early formations in segregated Southern life, rapid migration to and urbanization in Northern cities, and various events throughout the post civil rights era, the book gives convincing details and examples of how the Black preacher helped to guide and sustain the masses of African American people through the wilderness of social change. At the heart of the book, three prime examples are presented as models of the real genius of Black preaching. The reader will never again think about Reverend Martin Luther King Jr., Malcolm X, and the Reverend Jesse Jackson in the same way. A special chapter is devoted to the contributions of Black women preachers, along with a closing chapter that makes new proposals for the future. The book is a provocative and critical analysis of why Black preaching still matters.

Where Have All the Prophets Gone Marvin a. McMickle, 2019-04-11 This book is a call for preachers to learn the importance of keeping their eyes on the vision of Jesus and biblical prophets when preaching, that of doing justice, caring for others, and being equitable. The book attempts to make a biblical argument for the importance and the content of prophetic preaching and argues that the issue is not preaching from a text taken from the prophetic corpus but preaching on the themes that echoed over and over from the biblical prophets themselves.

The Bible in History David W. Kling, 2004-08-12 No one can doubt that the Bible has exerted a tremendous influence on Western civilization since the dawn of Christianity. But few of us have considered the precise nature of that influence in particular historical contexts. In this book, David Kling traces the fascinating story of how specific biblical texts have at different times emerged to be the inspiration of movements that have changed the course of history. By examining eight such pivotal texts, Kling elucidates the ways in which sacred texts continue to shape our lives as well as our history. Among the passages he discusses are "Upon this rock I will build my church" (Matthew 16:18) which

inspired the formation of the papacy and has served as its foundation for centuries The righteous will live by faith Romans 1 17 which caught the imagination of Martin Luther and sparked the Protestant Reformation Go to Pharaoh and say to him Thus says the Lord Let my people go so that they may worship me Exodus 8 1 which has played an important and diverse role in African American history from early slave spirituals through the modern civil rights movement and beyond There is no longer Jew or Greek there is no longer slave or free there is no longer male and female for all of you are one in Christ Jesus Galatians 3 28 which has been adopted by feminists as a rallying cry in the battle for women's ordination Each of the historical episodes he explores from the beginning of Christian monasticism to the emergence of Pentecostalism is evidence of the dynamic interplay between Scripture and the social and cultural context in which it is interpreted Kling's innovative study of this process shows how sacred texts can give life to social movements and how powerful social forces can give new meaning to Scripture

Contemporary African American preaching P3040, L Susan Bond reveals the full range and diversity of African American preaching in this exploration of African American homiletical theories Portraying the many approaches that are empowering preaching in African American churches today Bond shows how different theological perspectives produce different methods of sermon preparation and delivery different strategies for selecting illustrative material and even different ways of beginning and ending sermons Her goal is not to lift up the right way to preach in the African American tradition but to show the richness and nuance contained within this powerful cultural expression

Setting Words On Fire Paul Scott Wilson, 2016-04-25 A comprehensive introduction to preaching emphasizing the encounter with God's grace as the goal and heart of the sermon **Practical Theology for Black Churches** Dale P. Andrews, 2002-01-01 Exploring the concept of church as refuge offers a way to bridge the gap between black theology with its social and political concerns and black churches with their emphases on pastoral care and piety *The Oxford Handbook of the Bible in America* Paul Gutjahr, 2017-11-01 Early Americans have long been considered A People of the Book Because the nickname was coined primarily to invoke close associations between Americans and the Bible it is easy to overlook the central fact that it was a book not a geographic location a monarch or even a shared language that has served as a cornerstone in countless investigations into the formation and fragmentation of early American culture Few books can lay claim to such powers of civilization altering influence Among those which can are sacred books and for Americans principal among such books stands the Bible This Handbook is designed to address a noticeable void in resources focused on analyzing the Bible in America in various historical moments and in relationship to specific institutions and cultural expressions It takes seriously the fact that the Bible is both a physical object that has exercised considerable totemic power as well as a text with a powerful intellectual design that has inspired everything from national religious and educational practices to a wide spectrum of artistic endeavors to our nation's politics and foreign policy This Handbook brings together a number of established scholars as well as younger scholars on the rise to provide a scholarly overview rich with bibliographic resources

to those interested in the Bible's role in American cultural formation Prophetically Incorrect Robert H. Jr. Woods, Paul D. Patton, 2010-08-01 The Bible includes prophetic speech and at times the church and its representatives are called to speak prophetically But in our media saturated age when many claim to speak for God how can we evaluate the avalanche of supposedly prophetic speech What does it mean to truly be prophetic And when Christians should speak prophetically how can they do so in a biblical and effective way Using vivid examples this book offers clear guidelines for creating critiquing and consuming popular media as well as practical suggestions for faithful communication It also helps readers think critically about communication technology The book includes a foreword by Quentin Schultze and a preface by Clifford Christians

Interpreting Gods Word In Black Preaching Introduction

In the digital age, access to information has become easier than ever before. The ability to download Interpreting Gods Word In Black Preaching has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Interpreting Gods Word In Black Preaching has opened up a world of possibilities. Downloading Interpreting Gods Word In Black Preaching provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Interpreting Gods Word In Black Preaching has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Interpreting Gods Word In Black Preaching. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Interpreting Gods Word In Black Preaching. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Interpreting Gods Word In Black

Preaching, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Interpreting Gods Word In Black Preaching has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Interpreting Gods Word In Black Preaching Books

1. Where can I buy Interpreting Gods Word In Black Preaching books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
