

Bible Interpretation

Interpreting The Bible

Bernard Goode

Interpreting The Bible:

Biblical Hermeneutics Bruce Corley, Grant Lovejoy, Steve W Lemke, 2002-04-15 Biblical Hermeneutics is a textbook for introductory courses in hermeneutics. It takes an interdisciplinary approach that is both balanced and practical with six major areas of focus: the history of biblical interpretation, philosophical presuppositions, biblical genre, the uniqueness of Scripture, the practice of exegesis, and use of exegetical insights that will be lived and communicated in preaching and teaching. Biblical Hermeneutics is designed for students who have little or no knowledge of biblical interpretation. It provides in one volume resources for gaining a working knowledge of the multi-faceted nature of biblical interpretation and for supporting the practice of exegesis on the part of the student. The first chapter, A Student's Primer for Exegesis by Bruce Corley, gives the student a bird's-eye view of the entire process. It becomes for the student a kind of template to which they will return again and again as they engage in the process of exegesis. This revised edition of Biblical Hermeneutics contains seven new chapters that deal with the major literary genre of Scripture: law, narrative, poetry, wisdom, prophecy, Gospels, and Acts, epistles, and apocalyptic. The unique nature of Scripture is presented in part three that addresses the authority, inspiration, and language of Scripture. The book contains two extensive appendices: A Student's Glossary for Biblical Studies and an updated and expanded version of A Student's Guide to Reference Books and Biblical Commentaries.

Interpreting Scripture with the Great Tradition Craig A. Carter, 2018-04-17 The rise of modernity, especially the European Enlightenment and its aftermath, has negatively impacted the way we understand the nature and interpretation of Christian Scripture. In this introduction to biblical interpretation, Craig Carter evaluates the problems of post-Enlightenment hermeneutics and offers an alternative approach: exegesis in harmony with the Great Tradition. Carter argues for the validity of patristic christological exegesis, showing that we must recover the Nicene theological tradition as the context for contemporary exegesis and seeks to root both the nature and interpretation of Scripture firmly in trinitarian orthodoxy.

A Guide to Interpreting Scripture Michael Kyomya, 2010-04-27 According to Dr. Michael Kyomya, misconceptions about what the Bible actually says can breed confusion and false ideas about God and the Christian life. Therefore, it is critically important that you know how to interpret Scripture carefully. Dr. Michael Kyomya explains what interpretation is, why it is important, how to do it, and the pitfalls to avoid. He illustrates his points with examples from his own experience and from sermons he has heard in Africa. Dr. Kyomya makes it clear that interpretation is not just something for scholars but also is useful when preparing a sermon or a Sunday school lesson as well as in your own personal study of the Bible. The writing is simple and clear, and the illustrations are both amusing and informative. Full of ways to enrich personal study of the Bible, this guide will equip you with the knowledge and instruction you need.

Dictionary for Theological Interpretation of the Bible Kevin J. Vanhoozer, Craig G. Bartholomew, Daniel Treier, N.T. Wright, 2005-11-01 For the pastor or serious layperson, the realm of biblical interpretation can be a confusing maze of personalities, communities, methods, and theories. This maze can often result in obscuring the main

goal of interpreting Scripture hearing and knowing God better The Dictionary for Theological Interpretation of the Bible is a groundbreaking reference tool that introduces readers to key names theories and concepts in the field of biblical interpretation It discusses these approaches and evaluates their helpfulness in enabling Christians to hear what God is saying to the church through Scripture The contributors come from a variety of backgrounds and the dictionary covers a broad range of topics with both clarity and depth

General Principles for Interpreting Scripture Carl Gibbs, Quentin McGhee, 2006-12 This is an introduction to general principles for interpreting the Bible Unit 1 lays the foundation as we examine the need for principles to guide us the qualifications tools and goals of a biblical interpreter and the history of hermeneutics Unit 2 is the core of the course It teaches students to study the historical and cultural background identify circles of literary context analyze word meanings and relationships and interpret various types of figurative language Unit 3 deals with applying Scripture It explores the relationship of the covenants to each other and to the kingdom of God Then students learn to value and identify biblical principles based on a passage The study concludes by exploring the role of the Holy Spirit in interpreting and applying the Word of God

Playing by the Rules Robert H. Stein, 1994 Since God is an author who intends that his book be understood interpreting Scripture isn't mysterious Robert Stein stresses It is like a game in which players readers follow the rules planned by the game's designer Obeying the rules is necessary to dig deeper and avoid inaccurate subjective interpretation Along the way readers learn what is at stake in such issues as inspiration inerrancy continuing revelation and the guidance of the Spirit Aids include exercises and discussion questions and a glossary of technical terms Back cover

A Guide to Interpreting Scripture Michael Kyomya, 2010

Models for Interpretation of Scripture John Goldingay, 1995 This definitive study looks at the task of interpreting Scripture by exploring four broad models for understanding Scripture namely witnessing tradition authoritative canon inspired word and experienced revelation

Interpreting Scripture N. T. Wright, 2020-07-14 Draws together the most important articles on Scripture and hermeneutics by distinguished scholar and author N T Wright Interpreting Scripture brings together into one volume Wright's self-selected key lectures papers and reflections on topics of scriptural interpretation including The Lord's Prayer as a Paradigm of Christian Prayer Christian Origins and the Question of God Faith Virtue Justification and the Journey to Freedom Revelation and Christian Hope Political Implications of the Revelation to John Apocalyptic and the Sudden Fulfilment of Divine Promise and many more Interpreting Scripture displays Wright's engaging prose his courage to go where few have gone and his joy to bridge the work of the academy and the church Here is a rich feast for any serious student of the Bible especially of the New Testament Detailed incisive and exquisitely nuanced exegesis this collection will reward you with a clearer deeper and more informed appreciation of Scripture and its application to Christian life and thought today Many of the included studies have never been published or were made available only in hard

to find larger volumes and journals

Interpreting the Bible A. N. S. Lane,1997 *Interpreting the Bible* W. Randolph Tate,2006-04-01 From A minore ad majus to Zion and from source criticism to deconstruction this extended glossary clarifies approximately fifty methods of biblical interpretation along with the terminology they employ No mere catalog of definitions it clarifies the fundamental role of methodology in the interpretive process while giving readers an accessible resource for understanding the complex vocabulary that accompanies serious biblical studies Provides an extensive catalog of terminology currently associated with reading the Bible as literature Clarifies the various methods Bible scholars use to study biblical texts highlighting the important role that such methodologies play in the interpretive process Illuminates how different interpretive approaches can make a contribution to our understanding of the biblical texts Written with the non specialist in mind Nothing presently on the market is as comprehensive as Tate's work Though a handful of textbooks and handbooks serve specific niches they are usually limited in scope to the New Testament the Old Testament or to narrower areas of study This accessible resource offers ready access to the full spectrum of interpretive method Now readers no longer need to sift through a complex assortment of books and journals to grasp the terminologies and methodologies so essential for the serious biblical interpreter This book will appeal to students pastors and scholars familiar with some interpretive methods but who need to explore others

A Guide to Interpreting Scripture Michael Kyomya,2024-03-28 Quoting verses without regard to context can have serious consequences In A Guide to Interpreting Scripture Dr Michael Kyomya illustrates what scriptural interpretation is why it is important how to do it and the pitfalls to avoid Full of ways to enrich your personal study of the Bible this guide will equip you with the knowledge and instruction you need

The ABCs of Interpreting Scripture Bernard Goode,2023-05-08 The purpose of this book is not to teach the major difference between the Bible and Scripture or how to preach or teach God has assigned Dr Bernard P Goode to teach you how to interpret Scripture No matter how anointed intelligent gifted prophetic scholarly or skilled you are if your interpretation of Scripture is wrong the devil can use the Bible against you Yes the Holy Spirit leads us to all truth but He does not keep us from making errors The foundation for deliverance healing a prophetic word or the proclamation of the gospel of Jesus Christ is rooted in the interpretation of Scripture

Interpreting the Bible A. Berkeley Mickelsen,1963 The meaning of the Bible is involved with a multiplicity of historical events peoples institutions and languages Dr Mickelsen shuns both the approach of proud rationalism which would bring the Bible to account before the bar of human reason and the approach of false pietism which would subject the Bible to unstable feeling Professor Mickelsen points the way to biblically acceptable principles and procedures and urges upon interpreters a greater awareness that interpretation must always take place in the love of God and in the Spirit of Christ of whom the Scriptures are the supreme witness

The Gloss and the Text Andrew S. Ballitch,2020-07-22 Scripture opens itself up by its own words and interpretation William Perkins is the father of Puritanism often remembered for his preaching manual *The Art of Prophecy* Much attention has been given to the Puritan movement especially in its later forms but

comparatively little has been given to Perkins In The Gloss and the Text Andrew Ballitch provides a thorough examination of the hermeneutical principles that governed Perkins s approach to biblical interpretation Perkins taught that the Bible was God s word as well as the interpretation of God s word Interpretation is no private matter it is a public gift of the Spirit of God for the people of God Ballitch s study sheds light on Perkins as a preacher theologian and student of Scripture

Interpreting the Bible Mary F. Foskett,2009 This volume provides preaching students and clergy with introductory knowledge of current approaches and methods in biblical studies familiarity with the questions and aims that pertain to them and facility with various methods of biblical exegesis Approaches to biblical interpretation are then examined in light of the questions and concerns that arise specifically in the context of preaching Methods of biblical interpretation are reviewed and explained in succinct fashion and related directly to the dynamics that give rise to the sermon and shape exegesis for sermon preparation namely the preacher s engagement with the text the author s context and the congregation This volume enables preachers to approach the biblical text with greater clarity The Permissive Sense Troy J. Edwards,2017-12-29 One does not have to read too far into the Bible to find that it says the following about Him God hardened people s hearts God put lying spirits in the mouth of false prophets God personally deceived prophets God Blinded people to the truth God inflicted sickness God sent natural disasters God moved people to sin God tempted men God intentionally gave men unrighteous laws God created evil And even more Such statements have presented insurmountable difficulties to Bible readers Failure to understand them properly have led to doctrines that paint God in less than a favorable light However when we understand the permissive sense most difficulties with such verses will disappear This book will help you understand this important principle and will remove all doubt about God s love goodness and holiness
