Interstellar Patrol:

Interstellar Patrol Christopher Anvil, 2003 The starship crew was stuck on a planet where the schemes of social engineers had created a nightmare of battling gangs So they pretended to be the Royal Legions from a distant star kingdom Things went better than they could have hoped and the planet was rapidly becoming civilized and then the real Royal flagship showed up

Interstellar Patrol II: The Federation of Humanity Christopher Anvil, 2005-03-01 Vaughan Roberts and his two companions had been trapped on a crime ridden chaotic planet until they bamboozled the population with a gigantic hoax which brought them to the attention of the Interstellar Patrol who were looking for a few good con men capable of ingenious improvisation and adept at playing dirty tricks on the bad guys The new recruits acquitted themselves admirably so they naturally were given more tough nuts to crack including Flummoxing an alien empire which has taken a number of human prisoners as reconnaissance for an invasion This has a personal aspect since the prisoners are from the planet which Roberts tricked into reforming Stopping a plan by not so good Samaritans who are pretending to cure a planetary plague which they introduced to the planet with a miracle drug which creates an addiction to the same drug which the schemers will be glad to continue supplying for ever increasing sums Not only rescuing some Patrol personnel taken hostage by fanatics who plan to execute them one at a time until their leader is released but convincing other fanatics throughout the galaxy that the consequences of threatening anyone in the Patrol are too terrible even to think about Making sure that the rightful heir to a planet's throne escapes from captivity and overthrows the usurper This time there's a complication Roberts may be falling for the ruler's beautiful sister And much more At the publisher's request this title is sold without DRM Digital Rights Management
