The Interwoven Gospels and Gospel Harmony William Pittenger,2017-03-06 Excerpt from The Interwoven Gospels and Gospel Harmony The Four Histories of Jesus Christ Blended Into a Complete and Continuous Narrative in the Words of the Gospels With a Complete Interleaved Harmony The design of this compilation is to take the four biographies of our Lord which are found in the New Testament and combine them into a single narrative As an inspired authority and for the purpose of consultation and study the common arrangement is no doubt far better than any other But a mode of presentation which employs only the familiar Gospel words which can be read in a few hours as a continuous narrative and yet gives the whole story in a single impression may be very useful About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art
