

Intimacy

- Choosing Friends
 - absence of exclusion criteria (no unacceptable characteristics)
 - exclusion criteria
 - a person's reasons for omitting certain people from consideration as close friends or partners... exclusion criteria vary from one individual to another, but they are strong filters

Intimacy And Exclusion

G. Lee Ramsey

Intimacy And Exclusion:

Intimacy and Exclusion , In this pathbreaking work Dagmar Herzog situates the birth of German liberalism in the religious conflicts of the nineteenth century During the years leading up to the revolutions of 1848 liberal and conservative Germans engaged in a contest over the terms of the Enlightenment legacy and the meaning of Christianity a contest that grew most intense in the Grand Duchy of Baden where liberalism first became an influential political movement Bringing insights drawn from Jewish and women s studies into German history Herzog demonstrates how profoundly Christianity s problematic relationships to Judaism and to sexuality shaped liberal conservative and radical thought in the pre revolutionary years In particular she reveals how often conflicts over the private sphere and the politics of the personal determined larger political matters Herzog documents the unexpected rise of a politically sophisticated religious right led by conservative Catholics and explores liberals ensuing eagerness to advance a humanist version of Christianity Yet she also examines the limitations at the heart of the liberal project as well as the difficulties encountered by philo Semitic and feminist radicals as they strove to reconceptualize both classical liberalism and Christianity in order to make room for the claims of Jews and women The book challenges fundamental assumptions about processes of secularization and religious renewal and about Jewish Christian relations in German history

Intimacy and Exclusion Dagmar Herzog,1996 During the years leading up to the revolutions of 1848 liberal and conservative Germans engaged in a contest over the terms of the Enlightenment legacy and the meaning of Christianity a contest that grew most intense in the Grand Duchy of Baden where liberalism first became an influential political movement Bringing insights drawn from Jewish and women s studies into German history Dagmar Herzog demonstrates how centrally Christianity s problematic relationships to Judaism and to sexuality shaped liberal conservative and radical thought in the pre revolutionary years In particular she reveals how often conflicts over the politics of the personal especially over sex and marriage determined larger political matters among them the relationship between church and state and the terms on which Jews were granted civic rights Herzog documents the rise of a politically sophisticated conservative Catholicism and explores liberals ensuing eagerness to advance a humanist version of Christianity Yet she also examines the limitations at the heart of the liberal project especially liberals unwillingness to grant equality to those deemed different from the Christian male norm Finally the author analyzes the difficulties encountered by philosemitic and feminist radicals in reconceptualizing both classical liberalism and Christianity in order to make room for the claims of Jews and women Originally published in 1996 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These paperback editions preserve the original texts of these important books while presenting them in durable paperback editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Intimacy & Exclusion Dagmar Herzog,2007

The State, the Nation, and the Jews Marcel Stoetzler, 2008 The State the Nation and the Jews is a study of Germany's late nineteenth century antisemitism dispute and of the liberal tradition that engendered it The Berlin Antisemitism Dispute began in 1879 when a leading German liberal Heinrich von Treitschke wrote an article supporting anti Jewish activities that seemed at the time to gel into an antisemitic movement Treitschke's comments immediately provoked a debate within the German intellectual community Responses from supporters and critics alike argued the relevance meaning and origins of this new antisemitism Ultimately the Disput

Iconoclastic Sex Henry Walter Spaulding, 2024-03-13 Christian sexual ethics operates from a place of privilege when it does not consider those impacted by its moral prescriptions A large majority of publications on Christian sexual ethics consider choices and images abstracted from lived conditions of the people called to make these decisions As such it leaves out many for whom sex is neither welcome nor a choice As such these same texts present images of sexual subjects that marginalize those that do not fit As the book presents sexuality both Christian and otherwise prioritizes a language of purity that strangles the life of those imaged impure The present book remedies this emphasis through the language of iconoclasm that blasphemes these images and opens theological reflection beyond the boundary of image based approaches Utilizing a qualitative study of survivors of trafficking and those who grew up under evangelical purity teachings Spaulding narrates sexual ethics in light of their testimonies and the theological resources of iconoclasm to articulate a more just and loving sexuality The new emphasis on sexual ethics not only resists the prescriptions that create the conditions of sex trafficking but the creation of new communities capable of solidarity and mutuality with those caught in the web of trafficking

Sex & Secularism Joan Wallach Scott, 2017-10-16 How secularism has been used to justify the subordination of women Joan Wallach Scott's acclaimed and controversial writings have been foundational for the field of gender history With Sex and Secularism Scott challenges one of the central claims of the clash of civilizations polemic the false notion that secularism is a guarantee of gender equality Drawing on a wealth of scholarship by second wave feminists and historians of religion race and colonialism Scott shows that the gender equality invoked today as a fundamental and enduring principle was not originally associated with the term secularism when it first entered the lexicon in the nineteenth century In fact the inequality of the sexes was fundamental to the articulation of the separation of church and state that inaugurated Western modernity Scott points out that Western nation states imposed a new order of women's subordination assigning them to a feminized familial sphere meant to complement the rational masculine realms of politics and economics It was not until the question of Islam arose in the late twentieth century that gender equality became a primary feature of the discourse of secularism Challenging the assertion that secularism has always been synonymous with equality between the sexes Sex and Secularism reveals how this idea has been used to justify claims of white Western and Christian racial and religious superiority and has served to distract our attention from a persistent set of difficulties related to gender difference ones shared by Western and non Western cultures alike

Care-full Preaching G. Lee Ramsey

Jr.,2012-03-15 In Care full Preaching G Lee Ramsey Jr offers a new vision for how sermons can energize all members of a congregation to care for one another Using fresh images and sermons from Fred Craddock James Forbes Gina Stewart Barbara Brown Taylor and himself Ramsey demonstrates in practical ways how sermons can create a caring community

The Routledge Companion to Philosophy of Law Andrei Marmor,2012-04-27 The Routledge Companion to the Philosophy of Law provides a comprehensive non technical philosophical treatment of the fundamental questions about the nature of law Its coverage includes law s relation to morality and the moral obligations to obey the law the main philosophical debates about particular legal areas such as criminal responsibility property contracts family law law and justice in the international domain legal paternalism and the rule of law The entirely new content has been written specifically for newcomers to the field making the volume particularly useful for undergraduate and graduate courses in philosophy of law and related areas All 39 chapters written by the world s leading researchers and edited by an internationally distinguished scholar bring a focused philosophical perspective to their subjects The Routledge Companion to the Philosophy of Law promises to be a valuable and much consulted student resource for many years

A Politics of Impossible Difference Penelope

Deutscher,2018-08-06 The influential philosopher and theorist Luce Irigaray has been faulted for giving more importance to sexual difference than to race and multiculturalism Penelope Deutscher s eagerly awaited book the first to focus on the scholar s controversial later works addresses this charge Through a learned critique of these lesser known writings the book examines Irigaray s claim that the politics of feminism and multiculturalism are intrinsically linked The volume also serves as a clear and comprehensive introduction to her entire corpus In her recent works Irigaray promotes sexual difference as the philosophical basis for legal political and linguistic reform Deutscher explores this approach and in particular Irigaray s view that the very notion of difference is culturally impossible Taking this concept of impossibility into consideration Deutscher evaluates Irigaray s contributions to contemporary debates about the politics of identity recognition diversity and multiculturalism In a balanced discussion she considers the philosopher s work from the perspective of fellow critics including Mich le Le Doeuff Drucilla Cornell Jacques Derrida Judith Butler and Charles Taylor

Affect, Narratives and Politics of Southeast Asian Migration Carlos M. Piosos III,2021-02-25

This book explores the politics of gendered labor migration in Southeast Asia through the stories and perspectives of Indonesian and Filipina women presented in films fiction and performance to show how the emotionality of these texts contribute to the emergence and vitality of women s social movements in Southeast Asia By placing literary and filmic narratives of Filipina and Indonesian domestic workers in Hong Kong and Singapore within existing conversations concerning migration policies the book offers an innovative approach towards examining contemporary issues of Asian migration Furthermore through rich ethnographic accounts the book unpacks themes of belonging and displacement shame and desire victimhood and resistance sacrifice and grief to show that the stories of Filipina and Indonesian migrant women don t just depict their everyday lives and practices but also reveal how

they mediate and make sense of the fraught politics of gendered labor diaspora and globalization Contributing to the affective turn of feminist and transnational scholarship the book draws insight from the importance and centrality of affect emotions and feelings in shaping discourses on women s subjectivity labor and mobility In addition the book demonstrates the issues of vulnerability and agency inherent in debates on social exclusion human rights development and nation building in Southeast Asia Offering an innovative and multidisciplinary approach to analyses of Asian migration this book will be of interest to academics in the fields of Asian Studies literary and cultural studies film studies gender and women s studies and migration studies

The Psychology of Phubbing Yeslam Al-Saggaf,2022-10-29 This book focuses on the effects of phubbing by parents on their children partners on their partners bosses on their employees friends on their friends and family members on other family members Having synthesised the findings from published research about the specific effects on these phubbed individuals in important relationships the book then presents an exposition of the psychological predictors of phubbing the triggers followed by a broader account of the psychological effects of phubbing behaviour The final chapter looks at the role of social norms in explaining the act of phubbing beyond the individual predictors that trigger the behaviour as it tries to draw a connection between phubbing and social theory

Handbook of Moral and Character Education Larry Nucci,Tobias Krettenauer,Winston C. Thompson,2024-08-16 The Handbook of Moral and Character Education offers a definitive state of the art synthesis of leading scholarship in moral and character education A subject of international interest and the focus of numerous governmental curricular mandates the moral development and character formation of students are increasingly recognized as an essential component of a well rounded schooling experience This comprehensive volume explores the philosophical psychological and educational issues that define the field links robust theoretical and empirical foundations to effective classroom practice highlights implications for civic engagement and social justice and follows the lessons learned from moral and character education into contexts outside of schools Fully revised and updated this third edition features a refreshed research base coverage of digital pedagogies out of school programs and informal learning and discussions about the role of reason emotion cultural processes and citizenship democracy in education Further the book s substantive emphasis on diversity and equity in the field results in greater racial ethnic and geographic representation among contributing authors inclusion of historically marginalized school communities and student identities and coverage of practices such as transformative social and emotional learning SEL restorative justice and education for environmental sustainability

The Psychology of Romantic Relationships Ami Rokach,Erez Zverling,Ami Sha'ked,2025-08-01 Psychology of Romantic Relationships delves into the myriad factors that contribute to successful relationships Starting with Intimacy in Romantic Relationships the book unveils new facets of the complex dynamics underpinning successful marriages From the pivotal role of communication and trust to the delicate balance of gratitude and forgiveness each chapter provides insightful knowledge to understand and enhance marital bonds Furthermore the book covers additional essential aspects

such as the importance of mutual respect the role of shared activities in bonding and the impact of individual growth on relationship harmony It is a must read for psychologists therapists and anyone interested in the intricacies of love Combines theoretical insights with real world applications Reviews what constitutes a marriage including trust attitudes and control Outlines the key factors that contribute to the problems and obstacles in an intimate relationship *An Anthropology of the Enlightenment* Nigel Rapport, Huon Wardle, 2018-12-27 In a time of intellectual uncertainty the question of how we know what we do about human lives becomes ever more pressing The essays collated in this volume argue that anthropology can be used to acknowledge explore and interpret divergence and ideological conflict over human meaning Using questions raised as part of the Enlightenment movement this volume is structured around some of the key themes the Enlightenment fostered including human nature time Earth and the Cosmos beauty order harmony and design moral sentiments and the query of whether wealthy nations make for healthy publics The volume focuses in particular on how moral sentiment offered a guiding idea in Enlightenment thought The idea of moral sentiment is central to the essays grappling with the ethical anxieties of contemporary anthropology The essays therefore trace historical connections and fissures and focus on Adam Smith's attempts toward an understanding of what would later be called modernity With an afterword from Marilyn Strathern this volume will be a strong addition to the Association of Social Anthropologists conference proceedings

German Immigrants, Race, and Citizenship in the Civil War Era Alison Clark Efford, 2013-05-20 This study reframes Civil War era history arguing that the Franco Prussian War contributed to a dramatic pivot in Northern commitment to African American rights Remembering African Labor Migration to the Second World Marcia C. Schenck, 2022-11-24 This open access book is about Mozambicans and Angolans who migrated in state sponsored schemes to East Germany in the late 1970s and throughout the 1980s They went to work and to be trained as a vanguard labor force for the intended African industrial revolutions While they were there they contributed their labor power to the East German economy This book draws on more than 260 life history interviews and uncovers complex and contradictory experiences and transnational encounters What emerges is a series of dualities that exist side by side in the memories of the former migrants the state and the individual work and consumption integration and exclusion loss and gain and the past in the past and the past in the present and future By uncovering these dualities the book explores the lives of African migrants moving between the Third and Second worlds Devoted to the memories of worker trainees this transnational study comes at a time when historians are uncovering the many varied complicated and important connections within the global socialist world **Differences**, 2002

Saving the Modern Soul Eva Illouz, 2008-03-04 The language of psychology is all pervasive in American culture from The Sopranos to Oprah from the abundance of self help books to the private consulting room and from the support group to the magazine advice column Saving the Modern Soul examines the profound impact of therapeutic discourse on our lives and on our contemporary notions of identity Eva Illouz plumbs today's particular cultural moment to understand how and why

psychology has secured its place at the core of modern identity She examines a wide range of sources to show how self help culture has transformed contemporary emotional life and how therapy complicates individuals lives even as it claims to dissect their emotional experiences and heal trauma Shades of Meaning Richard Stevko,2013-06-07 Where does meaning come from How do children learn meaning Do synonyms mean the same thing What s the difference between antonyms and negations What s the difference between synonyms that do not mean the same thing Are there axioms How are truths self evident These and more questions are approached in SHADES of MEANING **Motivation** Lambert Deckers,2015-07-17 This book provides a complete overview of motivation and emotion Well grounded in the history of the field the fourth edition of Motivation Biological Psychological and Environmental combines classic studies with current research The text provides an overarching organizational scheme of how motivation the inducement of action feelings and thought leads to behavior from physiological psychological and environmental sources The material draws on topics that are familiar to students while maintaining a conversational tone to sustain student interest
