Intimate History Of Humanity:

An Intimate History of Humanity Theodore Zeldin, 2012-12-31 The book that changed my life a constant companion Bill Bailey Extraordinary and beautiful the most exciting and ambitious work of non fiction I have read in more than a decade The Daily Telegraph This extraordinarily wide ranging study looks at the dilemmas of life today and shows how they need not have arisen Portraits of living people and historical figures are placed alongside each other as Zeldin discusses how men and women have lost and regained hope how they have learnt to have interesting conversations how some have acquired an immunity to loneliness how new forms of love and desire have been invented how respect has become more valued than power how the art of escaping from one's troubles has developed why even the privileged are often gloomy and why parents and children are changing their minds about what they want from each other

Encyclopedia of Historians and Historical Writing Kelly Boyd, 2019-10-09 The Encyclopedia of Historians and Historical Writing contains over 800 entries ranging from Lord Acton and Anna Comnena to Howard Zinn and from Herodotus to Simon Schama Over 300 contributors from around the world have composed critical assessments of historians from the beginning of historical writing to the present day including individuals from related disciplines like Jürgen Habermas and Clifford Geertz whose theoretical contributions have informed historical debate Additionally the Encyclopedia includes some 200 essays treating the development of national regional and topical historiographies from the Ancient Near East to the history of sexuality In addition to the Western tradition it includes substantial assessments of African Asian and Latin American historians and debates on gender and subaltern studies

A Philosophy of War Alexander Moseley, 2002 War's origins are complex they are found in the nebulous systems of thoughts generated in cultures over time But while reason and explication can unravel those origins and explain why man wages war the task of abolishing war can never be completed

Subject to Biography Elisabeth Young-Bruehl, 1998 This book pays tribute to 14 women who donated millions of dollars to causes close to their hearts

Understanding Creative Business Jim Shorthose, Neil Maycroft, 2016-02-17 From authors used to operating between the commercial public and independent sectors of the mixed cultural economy Understanding Creative Business bridges the gap between creative practice and mainstream business organisation entrepreneurship and management Using stories case studies and exercises it discusses the positioning of creative practice within professional and business development cultural policy making and the wider cultural economy and suggests what the broader field of business and management studies can learn from the informal structure and working practices of creative industries networks Consideration is given to how ethical and moral value orientations animate creative practice and how they play into the wider debate about social responsibilities within business and public policy The authors also explore the way creative business practices often coalesce around emergent and self organized networks and how this signals alternative approaches to management entrepreneurship business organisation and collaboration Above all else this book is about relationships the

practical examples expose the ways creative business can professionalise research develop and sustain routes to growth through open collaborative innovation and the lessons this holds for more general business innovation and policy engagements with the public domain Written in accessible language this book will be useful to researchers students educators and practitioners within the creative industries to those working within cultural policy arts and cultural management and to all with an interest in management and leadership

Placing Friendship in Context Rebecca G. Adams, Graham Allan, 1998 A unique collection bridging social psychological and social structural research to advance understanding of friendship

Spiritual Dimensions of Bediuzzaman Said Nursi's Risale-i Nur Ibrahim M. Abu-Rabi', 2008-07-24 The Nur community is one of the most significant religious and social movements in contemporary Turkey with millions of adherents and a strong institutional and educational system throughout the country This volume presents a picture of its spiritual dimensions by focusing on the ideas of its founder Turkish theologian Bediuzzaman Said Nursi 1877 1960 Prominent scholars in contemporary Islamic studies and comparative spirituality examine the various facets of Nursi's spirituality as revealed in his magnum opus *Risale-i Nur* which began to take shape in the 1920s and is considered Nursi's deep reflection on the Quran in light of rapidly changing conditions in Turkey Nursi argued that Islam must be organically linked to empire in order to preserve its identity in the modern era fostering a spiritual tradition that has steadfastly survived the secular project of Kemalism

The Four Walls of My Freedom Donna Thomson, 2014-01-13 A riveting and redemptive family memoir The Four Walls of My Freedom is Donna Thomson's account of raising a son with cerebral palsy and a passionate appeal to change the way we

think about the good life Donna Thomson's life was forever changed when her son Nicholas was born with cerebral palsy A former actor director and teacher Donna became his primary caregiver and embarked on a second career as a disability activist author and consultant Thomson vividly describes her experience in treading delicately through daily care emergencies and medical bureaucracy as she and her family cope with her son's condition while maintaining value and dignity for Nicholas too She brilliantly demonstrates the vital contribution that people with disabilities make to our society and addresses the ethics and economics of giving and receiving care Featuring an introduction by John Ralston Saul and two new chapters *The Four Walls of My Freedom* is a passionate appeal to change to the way we think about the good life that will touch anyone caring for the life of another

Wisdom of the Psyche Ginette Paris, 2016-02-22 The first edition of *Wisdom of the Psyche* engaged with one of the main dilemmas of contemporary psychology and psychotherapy how to integrate findings and insights from neuroscience and medicine into an approach to healing founded upon activation of the imagination In this revised edition Ginette Paris refocuses her attention on the modern lack of desire to become adult and updates the book with brand new neuroscientific research Paris uses cogent and passionate argument as well as stories from patients to demonstrate that the human psyche seeks to destroy relationships and lives as well as to sustain them She makes clear that the way out of those destructive states does not start with an upward positive wilful effort of the ego but with an opening of the imagination and aims to foster the dialogue between psychotherapists and neuroscientists In clear and accessible language Paris describes how depth psychology can be seen as a subject of the humanities rather than the sciences and explains how gaining an understanding of neuroscience will not necessarily make us psychologically wiser A unique and powerful book *Wisdom of the Psyche* will be fascinating reading for Jungian and depth psychologists psychotherapists analysts and others in the helping professions as well as students and those in training and readers with an interest in psychology and neuroscience who want to create an inner life worth living

Nussbaum's Politics of Wonder Jeremy Bendik-Keymer, 2023-01-26 In an unconventionally written book that challenges the literary imagination of its readers Jeremy Bendik Keymer explores how wonder is central to Martha C Nussbaum's normative project Nussbaum's work is opposed to the emotional and political conditions of narcissism the tendency to seek to control the wills of others in order to defend oneself against perceived vulnerabilities Our capacity for wondering is important for growing beyond narcissism Bendik Keymer elaborates a politics of wonder that is consistent with understanding this idea Taking issue with understandings of wonder viewing it as an emotion of surprise or delight he develops an alternate tradition finding wonder in concert with the freedom of imagination found by degrees within much of human understanding The result is a constructive rereading of Nussbaum's oeuvre surprising for how it disencumbers her work of some falsehoods surrounding anxiety and anger and for the ways it implies an egalitarian politics of relational autonomy more socialist than liberal Misty Morrison's visual inquiry accompanies the book creating space for the reader to wonder Morrison paints and prints how families involve

wonder starting with moments in her child's life when she wonders what they might see Nussbaum's *Politics of Wonder* is an important contribution to the philosophy of wonder and is crucial for understanding the work of a leading philosopher

Sanctified Sex Noam Sachs Zion, 2021-08 *Sanctified Sex* draws on two thousand years of rabbinic debates addressing competing aspirations for loving intimacy passionate sexual union and sanctity in marriage What can Judaism contribute to our struggles to nurture love relationships What halakhic precedents are relevant and how are rulings changing The rabbis of course seldom agree Underlying their arguments are perennial debates What kind of marital sex qualifies as ideal sacred self control of sexual desire or the holiness found in emotional and erotic intimacy Is intercourse degrading in its physicality or the highest act of spiritual mystical union And should women or men or both wield ultimate say about what transpires in bed Noam Sachs Zion guides us chronologically and steadily through fraught terrain seminal biblical texts and their Talmudic interpretations Talmud tales of three unusual rabbis and their marital bedrooms medieval codifiers and mystical commentators ultra Orthodox rabbis clashing with one another over radically divergent ideals and finally contemporary rabbis of varied denominations wrestling with modern transformations in erotic lifestyles and values Invited into these sanctified and often sexually explicit discussions with our ancestors and contemporaries we encounter innovative Jewish teachings on marital intimacy ardent lovemaking techniques and the art of couple communication vital for matrimonial success

The Lost Art of Happiness Arthur Dobrin, Arthur Dobrin, D.S.W., Professor Emeritus of University Studies, Hofstra University, 2011-10-31 The key to the good life is compassion Drawing on recent findings Dobrin convincingly shows that compassion is built into human nature When we act upon this inherent moral instinct individuals find what they want most to be happy

How Change Happens Roman Krznaric, 2007 The author argues that current development

thinking uses only a narrow range of approaches to change and the result is that most development strategies are limited excessively reformist and insensitive to underlying power and inequality and largely ignore environmental issues that confront our societies and planet

Love for All Seasons Suzanne Innes-Kent,2003-08-01 Creating lasting love is as popular as it ever was and yet it often seems hard to achieve in a world of constant change This is a book which faces the real issues of everyday living and provides a hopeful message for couples who want to make their love last and face life together Overcoming jealousy coping with major loss surviving the effects of overwork or of losing a job being a parent and a couple at the same time this book provides thoughtful and practical ideas on these and many other issues

Speaking Up in a Culture of Silence David Naylor,2022-08-22 We know we should speak up and question what is being taken as normal in our work cultures to notice and call out bad behaviour and resist being silenced This book is a guide to what it takes to do this in a way that doesn't expose you to the countermeasures of people who do not like being questioned What is explored through case studies and personal experience are ideas about how to resist being silenced at work where there are competing demands on your time and energy and where people have learnt to tolerate bad and uncivil behaviours just to get the work done There are no magic solutions or calls for decisive action Just some modest ideas about what can help you hold onto your voice and your thinking so that when the time is right you can say something that just may help keep us all a bit safer

Reinventing Relations with Dialog Valérie Gauthier,2024-11-19 Clear and accessible this illustrated book offers solutions to enable every one of us to establish or re-establish a new dialogue even if it has been brutally cut off in the private sphere as well as in the professional environment Based on thirty years of cross disciplinary research and practice in small and large companies the Savoir Relier method helps to radically reconsider human relations with genuine generous and generative behaviors that build trust and positively impact the quality of work and life
