Intimate Violence in Families Richard J. Gelles, Claire Pedrick Cornell, 1990-04 Topics covered include child abuse spouse abuse sibling violence parent abuse elder abuse prevention and treatment *Intimate Violence* Emilio Viano, 1992 Examines the practical and theoretical issues and concerns in domestic violence from an international perspective It includes contributions from researchers in a wide variety of associated fields **Intimate Violence in Families** Richard J. Gelles, Claire Pedrick Cornell, 1990-04-01 For the latest information on family violence there is no better resource than the second edition of this landmark volume Thoroughly revised and updated the volume examines the significant changes in our understanding of family violence its antecedents its correlates and its consequences since 1985 Topics covered include long term effects of violence on survivors arrest as a deterrent to violence wife battering sibling violence child and elder abuse the volume also discusses some well known cases such as the Steinberg Nussbaum trial **Military Families** A. Sue Goodman, 1990 **Selected Resources on Sibling Abuse** Billie H. Frazier, 1994 Special Reference Briefs , 1983

Underdogs Aaron B. O'Connell, 2012-10-29 The Marine Corps has always considered itself a breed apart Since 1775 America's smallest armed service has been suspicious of outsiders and deeply loyal to its traditions Marines believe in nothing more strongly than the Corps uniqueness and superiority and this undying faith in its own exceptionalism is what has made the Marines one of the sharpest swiftest tools of American military power Along with unapologetic self promotion a strong sense of identity has enabled the Corps to exert a powerful influence on American politics and culture Aaron O'Connell focuses on the period from World War II to Vietnam when the Marine Corps transformed itself from America's least respected to its most elite armed force He describes how the distinctive Marine culture played a role in this ascendancy Venerating sacrifice and suffering privileging the collective over the individual Corps culture was saturated with romantic and religious overtones that had enormous marketing potential in a postwar America energized by new global responsibilities Capitalizing on this the Marines carried the favor of the nation's best reporters befriended publishers courted Hollywood and Congress and built a public relations infrastructure that would eventually brand it as the most prestigious military service in America But the Corps triumphs did not come without costs and O'Connell writes of those too including a culture of violence that sometimes spread beyond the battlefield And as he considers how the Corps interventions in American politics have ushered in a more militarized approach to national security O'Connell questions its sustainability *National Library of Medicine Current Catalog* National Library of Medicine (U.S.), 1988 Child Maltreatment Dante Cicchetti, Vicki Carlson, 1989-06-30 Over forty contributors including highly regarded researchers in the field present the most recent findings on the impact of abuse and neglect on cognitive linguistic social and emotional development in children **Current Catalog** National Library of Medicine (U.S.), First multi year cumulation covers six years 1965-70 **Family Research Methods** Brent C. Miller, 1986-04 Family researchers are developing ever more sophisticated methods for studying the

family yet few people have attempted to synthesize these methodological techniques In this concisely written work Miller does just that He describes the entire research process from design to data collection sampling and data analysis to explain to undergraduates and first year graduate students just how family research is done *Working Women and Their Families* Jacqueline V. Lerner,1994 With so many of today s mothers employed in the workforce this concise volume considers the impact that this dual role has both on the mothers themselves and their children The author examines the complex issue of children s social emotional and intellectual development indicating the various factors which can influence child development including age sex temperament family wealth or poverty father s attitudes and the quality of child care **Family Violence**

Leah J. Dickstein,Carol C. Nadelson,1989 Based on a symposium held during the 1986 American Psychiatric Association Annual Meeting in Washington D C Offers treatment approaches as well as broad discussions of all aspects of family violence No index Annotation copyright Book News Inc Portland Or **Family Stress Management** Pauline Boss,1988-04 Rather

than emphasizing the problems themselves this volume examines the prevention of family problems that are caused by stress It helps readers understand the process of recognizing and managing events and situations that cause high stress in families and why some families go under and some survive in a context of change and tension The first book length synthesis of current research on family stress this unique text provides students with a basic understanding of where the field is today and speculates on the focus of future research it is invaluable for classes in family studies marriage family therapy and related courses **Intimate Violence in Families** Richard J. Gelles,1984 **Families and Health** W. J. Doherty,Thomas L. Campbell,1988-04 Families and Health is the first textbook to present an overview of the research on the relationship between families and health placing an emphasis on common family patterns related to health and illness and interactions between families and the health care system The volume includes discussions of family experiences with health promotion and risk reduction vulnerability and illness onset illness appraisal acute response and adaptation to illness Separate chapters address each of these situations in relation to such areas as cardiovascular disease cancer diabetes and bereavement

Gerontological Nursing Mickey Stanley,Patricia Gauntlett Beare,1999 The new edition of this text has been streamlined to fit more easily into crowded nursing curricula while maintaining the breadth of coverage that made the 1st edition such a popular book Leading experts in the field contributed to the book *Sociology of Families* David M

Newman,Elizabeth Grauerholz,2002-02-19 Sociology of Families Second Edition begins at the level of the individual by examining familiar contemporary issues topics students are likely to feel strongly about David Newman and Liz Grauerholz next show students the deeper and more detailed sociological underpinnings of the issues at hand using the theories and data of social sciences to understand the meaning and broader relevance of these controversies and experiences **Health Assessment in Nursing Australia and New Zealand Edition** Peter J. Lewis,David Foley,2020-04-07 This practice oriented person centred learning tool will help you acquire the knowledge skills and competencies you need to perform accurate

health assessments in an ever changing health care environment The text helps you learn how to think like a health care professional by developing your clinical reasoning skills It guides you through collecting assessment data before moving on to discussing the health assessment of each patient explaining the decision making process used to identify patient problems
