**Reincarnation in America** Lee Irwin, 2017-07-31 *Reincarnation in America An Esoteric History* surveys the complex history of reincarnation theories across multiple fields of discourse in a pre American context ranging from early Greek traditions to Medieval Christian theories Renaissance esotericism and European Kabbalah all of which had adherents that brought those theories to America Rebirth theories are shown in all these groups to be highly complex and often disjunctive with mainstream religions even though members of conventional religions frequently affirm the possibility of rebirth As a history of an idea reincarnation theory is a current vital belief pattern that cuts across a wide spectrum of social cultural and scientific domains in a long complex history not reducible to any specific religious or theoretical explanation This book is cross disciplinary and multicultural linking religious studies perspectives with science based research it draws upon many distinct disciplines and avoids reduction of reincarnation to any specific theory The underlying thesis is to demonstrate the complexity of reincarnation theories what is unique is the historical overview and the gradual shift away from religious theories of rebirth to new theories that are therapeutic and trans traditional      **Intimates Through Time** Jess Stearn, 1993 An amazing look into the concept of the continuous soul written by journalist Jess Stern author of *Edgar Cayce The Sleeping Prophet* Using the life of America's foremost mystic as an exemplar Stern reveals how people who have met in a previous life come together to work out the unresolved conflicts of the past      **EXPLORING REINCARNATION** Hans TenDam, 2012-12-31 *Exploring Reincarnation* examines the full range of explanations for past life recall This definitive study includes case histories from around the world as well as intriguing theories about the relationship between body and soul

from general social beliefs about past lives to detailed questions about karma and past life regression therapy An outstanding introduction to reincarnation from a historical scientific and philosophical point of view Exploring Reincarnation is the now classic panorama on reincarnation ideas and experiences Gurdjieff Was Wrong But His Teaching Works Orest Stocco,2016-02-07 Gurdjieff was wrong but his teaching works is the story of one man s remarkable journey of self discovery which dispels the Gurdjieffian premise that man is not born with an immortal soul With his own quest Orest Stocco illustrates that we are all born with a spark of divine consciousness but not until we take evolution into our own hands which Gurdjieff s teaching helped him to do will we realize our true self **Signs of Reincarnation** James G. Matlock,2019-06-15 Signs of Reincarnation provides the first comprehensive look at the belief in reincarnation and the evidence for past lives from historical records anthropological studies and contemporary research Matlock discusses various ways the evidence may be interpreted and shows that although reincarnation entails a rejection of the materialist notion that consciousness is generated by the brain it does not require the acceptance of any radically new concepts or the abandonment of well established findings in mainstream psychology or biology This book offers students scholars and anyone interested in the possibility of reincarnation an essential grounding in beliefs cases and theory while opening doors for future research into the extension of consciousness beyond our present lives Encounters with Infinity Michael Van Laanen,2002-02 The original title of this manuscript was Pages A Voyage to Infinity It s kinda like Walt Whitman s Leaves of Grass a collection of poems with an underlying mystical theme My dissertation is a kaleidoscope puzzle of images and thoughts and concepts and ideas taken from mysticism science logic and mathematics The end result as the puzzle pieces are linked together is a new portrait of Number The reader is challenged to solve a conceptual picture puzzle using the chaotic scattering of puzzle pieces set forth in the thesis Some of the pieces challenge established ideas Some of the pieces are decoys leading to dead ends Some are background Others are transition pieces And there are pieces that give the reader glimpses of me the writ er of this thesis So exact ly what is infinit y As the pieces of the puzzle are put together a new concept of infinity emerges a concept that may be of interest to the mystics the philosopher the quantum physicist and mathematicians who are open to a new window through which to view reality **Liberating Incarnations** Elmdea Bean,2009-04 Have you ever wondered what a past life session is like or how you might benefit from doing one Liberating Incarnations explores adventures of past lives from swimming through the earth to a sailor dying in a stormy sea to a pregnant woman in the late 1800s Discover a startling view of time and how it really works Share experiences of self realization and the end of the search for who we really are One with God In their own voices twenty five people speak of their past life adventures and the personal healing that their journeys to the past brought about **La réincarnation d'Edgar Cayce** Wynn Free,David Wilcock,2013-05-16T00:00:00-04:00 Edgar Cayce 1877 1945 le proph te endormi est largement consid r comme le m dium le plus document et le plus pr cis en Occident Parlant lorsqu il tait en transe Cayce a donn une voix aux royaumes de la vie apr
