D. Jakes,2002-12-14 SPANISH EDITION If you think that true intimacy with God starts and ends on Sunday's worship you are definitely missing something      *The Practice of the Presence of God* Brother Lawrence,2023-11-15 This devotional classic is a compilation of Brother Lawrence's letters and recorded conversations from the seventeenth century Brother Lawrence was a simple French Carmelite lay brother who was able to achieve profound intimacy with God through the most mundane activities He taught that the highest communion with God is not reserved for extraordinary moments but permeates the very core of our most ordinary days He spent much of his time in the kitchen of a Paris monastery He learned that our daily activities and thoughts could be acts of worship engaging in opportunities to practice the presence of God by thinking about and loving God Also included is Brother Lawrence's Spiritual Maxims a collection of aphorisms and sayings that summarize his teachings This timeless spiritual treasure has illuminated the hearts of many who yearn for the awe inspiring knowledge of the divine presence in a hectic modern world Features a foreword by Matthew Fox author of Sheer Joy      **A Christian's True Spiritual Worship to Jesus Christ** Stephen Charnock,C. Matthew McMahon,Jonathan Clapham,2018-04-30 From John 4 24 God is a Spirit and they that worship him must worship him in spirit and in truth Charnock explains the nature of God as it relates to true spiritual worship He shows how God is a Spirit and what it means that we are to worship God in spirit and truth His main doctrine from the text is that worship due to God ought to be spiritual and spiritually performed by his people in truth and righteousness Worship is nothing else but a rendering to God the honor that is due to him Charnock shows that the nature of God and the prescription of his will alone only found in the Scriptures informs us what kind of worship is to be presented to him The pillars on which the worship of God stands cannot be discerned without divine revelation Worship depends on the scriptural directions God prescribes as the sovereign Lawgiver True worship then must be conformed to the rule and pattern of God's will and pleasure revealed in his holy word It must have truth for its substance and spirit for its manner otherwise it is not worship with which the Father will be pleased Charnock warns that lukewarm and indifferent services to God in worship stink in the nostrils of God To give God only an external form of worship without its life is taking his name in vain We mock him when we do not mind what we are speaking to him or what he is speaking to us in worship Annexed to this work is A Short and Full Vindication of that Sweet and Comfortable Ordinance of Singing of Psalms by Jonathan Clapham 1611 1676 This is a powerful biblical treatment of psalmody in a short tract This work is not a scan or

facsimile has been carefully transcribed by hand being made easy to read in modern English and has an active table of contents for electronic versions

**How to Praise and Worship God without Music** Timothy L. Williamson, 2024-07-08

According to John 4:23-24 the only way to truly worship God is in spirit and in truth. The time is now for believers to activate spirit to spirit worship and experience a level of intimacy with God that they have never reached before. You will discover how to properly and consistently approach God in worship, the requirements for intimacy with God, that there is a flow from high praise to intimate worship, and that music is an aid to effective worship but is not a requirement. *Powerful Worship in the War Room* Daniel B. Lancaster, 2018-12-22

I wanted to feel close to God but I didn't know how. Do you want to deepen your walk with God and feel His love again but can't figure out how to get there? On the outside everyone thinks you're doing well. But you know something is missing and want to find the key to connecting with God. Or you feel close to God but would like a simple way to show others how they can experience the love of God. This book is for you too. You already know that the only way to overcome the storms of life is to stay close to the Rock that can't be shaken. The good news is God wants to fill you with His love and show you how to give His love away to others. He wants to heal the hurts in your life that have drained your love tank. The author served as an international missionary in Southeast Asia for 12 years. During that time he discovered a simple method to help people experience God's love. The truths in this book have transformed many and will you too. We need transformed people full of God's love in our broken world. The directions in this book will guide you to a deeper experience of the presence of Jesus in your war room. God never intended for your relationship with Him to be complicated. The truth is that Jesus showed His disciples how to walk in the power of God's love and Jesus wants to show you how to do the same. In this book you will learn the four ingredients for growing closer to God: Loving God with all your heart and worshipping Him; Loving God with all your soul and praying to Him; Loving God with all your mind and studying His word; Loving God with all your strength and sharing His love with others. The author brings 40 years of his personal ministry experience to the pages of this book. Most importantly, he looks to the Word to unearth how Jesus showed us to grow close to God. Dr. Lancaster offers a simple way to reshape your relationship with God. Beginning today, FIVE STARS. When you are looking for the Simplicity or better yet the how-to of following Christ, this is the book. I'm not sure if it's timing, but as they say, when the student is ready the teacher appears. I know God put this book in my hands so that I could be one of His disciples. It's a lesson on being comfortable with loving Him and sharing His life with others. Thank you so much, Dr. Lancaster, for keeping it simple and sharing your heart so that someone like me could so easily receive, understand, and share the simple love of Jesus. THANK YOU, DONNA FYKES, FIVE STARS. I thought this was going to be a book about prayer, but it is way more than that. Dr. Lancaster lays out a plan for small groups of only 4 people that include worship, prayer, Bible study, and sharing with others. These groups can be family devotions with children, with people of any age, and even unbelievers that are on their way to find

with God Bishop Martinez doesn't offer new rules of prayer or demand that you abandon the forms of meditation that suit you. He simply reminds you that our God is a hidden God. To find Him, says Martinez, we have to seek Him but through His ways, not ours. If we do that, the gaze of faith will always find Him right where He hides in the spiritual desolation that led us wrongly to believe He was far away. Martinez shows you how to live in the obscurity of faith, detached both from consolations and desolations, and why this is best for your soul. The Christian who learns to do this leaves behind the perturbations of the world that shake the faith of those who don't. In the obscurity of faith, the Divine Master will listen to you, speak to you, and instruct your soul but without the noise of words. Says Martinez, Once you know how to profit from faith and to live by faith, you will always find God. You will have solved your problem; you will have discovered the great secret of the interior life. Let these pages teach you that secret.

**The Divine Attraction** Warren Hunter, 2008. True spiritual worship and supernatural fellowship can be a way of life. Your peace, your hope is in understanding that God is looking for His Spirit dwelling within you. He is pleased when His Spirit is released to worship. The most powerful worship happens when His Spirit within you touches Him. Your spirit is renewed, strengthened, emboldened, and encouraged. As an apostolic revivalist author, Warren Hunter delves deeply into the depths of God's love for His children and shows you how Attraction leads to an intimacy unknown to most Christians. Worship touches your innermost being.

**Worshiping God in Spirit and Truth** Don Campbell, 2018-03-02. Worshiping God in Spirit and Truth is a seven chapter exposition of what worship means biblically and how those who long to worship God in spirit and truth may do so in a way that is unquestionably right. There have always been and always will be issues surrounding this topic. The life of Jesus is filled with clashes between himself and the guardians of orthodoxy as to what was acceptable and unacceptable in worship. The author believes that when there is a way that is unquestionably acceptable, that is the path a worshiper should take. Of course, the question then arises as to what is unquestionably correct. Some have concluded from Paul's guidance in Romans 14 that the unquestionably correct approach to eating meat, drinking wine, and observing days is summed up in one word: DON'T. And for that person, the dictum is DON'T because whatever does not proceed from faith is sin. Rom 14:23. However, to bind one's personal conclusion about the subject violates the entire context of that chapter. 1. Each should be convinced in his own mind. v 5. 2. Why do you judge your brother? vv 3, 4. 10, 13. 3. Let us pursue what makes for peace and for mutual upbuilding. v 19. 4. Accept one another as Christ has accepted you. 15, 7. This book is sent forth in the prayer that it will promote understanding and bring glory to God.

**Quest for Intimate Worship** Jonathan A. David,2010-03-27 The greatest need of mankind is to be restored to his original environment the presence of God just as it was in the beginning before the fall of man The reason why life seems so difficult and unfulfilling for so many believers is because we are living outside the presence of God which is very vital to our

existence and well being Quest for Intimate Worship will teach you the steps and conditions under which the presence of God is fully restored to your life God s presence will not come just because we want it or pray for it but because we understand the conditions that God has prescribed and appropriate them accordingly Only then can we attain the joy of true worship or of living in His presence
