The Green Berets motto is Liberate the Oppressed and it takes extremely capable and highly trained individuals to carry out their operations in the world's most dangerous and unforgiving locales. They operate behind enemy lines, sometimes for months at a time, are trained to work in all climates and cultures, and have a no-surrender will of spirit if ever taken prisoner. This book provides an insider's view of what it takes to become a member of the Army's Special Forces, the elite Green Berets. It describes the skills they learn, the equipment and tactics used to engage in unconventional warfare, foreign internal defense, direct action, special reconnaissance, anti-terrorism missions, information operations, and counter-proliferation.
