## **Into The Land Of The Lost:**

Liquor in the Land of the Lost Cause Joe Coker, 2007-12-14 In the late 1800s Southern evangelicals believed contemporary troubles everything from poverty to political corruption to violence between African Americans and whites sprang from the bottles of demon rum regularly consumed in the South Though temperance quickly gained support in the antebellum North Southerners cast a skeptical eye on the movement because of its ties with antislavery efforts Postwar evangelicals quickly realized they had to make temperance appealing to the South by transforming the Yankee moral reform movement into something compatible with southern values and culture In *Liquor in the Land of the Lost Cause* Southern White Evangelicals and the Prohibition Movement Joe L Coker examines the tactics and results of temperance reformers between 1880 and 1915 Though their denominations traditionally forbade the preaching of politics from the pulpit an outgrowth of evangelical fervor led ministers and their congregations to sound the call for prohibition Determined to save the South from the evils of alcohol they played on southern cultural attitudes about politics race women and honor to communicate their message The evangelicals were successful in their approach negotiating such political obstacles as public disapproval the church's role in politics and vehement opposition to prohibition voiced by Jefferson Davis The evangelical community successfully convinced the public that cheap liquor in the hands of African American beasts and drunkard husbands posed a serious threat to white women Eventually the code of honor that depended upon alcohol centered hospitality and camaraderie was redefined to favor those who lived as Christians and supported the prohibition movement *Liquor in the Land of the Lost Cause* is the first comprehensive survey of temperance in the South By tailoring the prohibition message to the unique context of the American South southern evangelicals transformed the region into a hotbed of temperance activity leading the national prohibition movement *The Lost Land of Lemuria* Sumathi

Ramaswamy, 2004-09-27 During the nineteenth century Lemuria was imagined as a land that once bridged India and Africa but disappeared into the ocean millennia ago much like Atlantis A sustained meditation on a lost place from a lost time this elegantly written book is the first to explore Lemuria's incarnations across cultures from Victorian era science to Euro American occultism to colonial and postcolonial India *The Lost Land of Lemuria* widens into a provocative exploration of the poetics and politics of loss to consider how this sentiment manifests itself in a fascination with vanished homelands hidden civilizations and forgotten peoples More than a consideration of nostalgia it shows how ideas once entertained but later discarded in the metropole can travel to the periphery and can be appropriated by those seeking to construct a meaningful world within the disenchantment of modernity Sumathi Ramaswamy ultimately reveals how loss itself has become a condition of modernity compelling us to rethink the politics of imagination and creativity in our day **Land of the Lost Souls**

Cadillac Man, 2009-07-01 For the past 16 years Cadillac Man so named because he was once hit by an El Dorado and thereafter bore an imprint of its hood ornament has lived on the streets of New York City Over those years he has recorded

the facts of his daily life the harsh realities of surviving on the street the often tragic encounters with the non homeless world the deep bonds with his fellow homeless and the surprisingly varied realities of life on the outside writing hundreds of thousands of words in a series of spiral bound notebooks My Life in the Streets distills those journals into a memoir of homeless life that is peopled with indelible characters and packed with gripping stories In a gritty poignant and funny voice Cadillac narrates his descent into homelessness the travails and unexpected freedoms of his life and the story of his love affair with a young runaway whom he eventually and tragically reunites with her family The United States has 700 000 homeless people ultimately Cadillac s story is their story      The Lost Land of Loradil Neville G. Wort,2015-05-19 The Lost Land of Loradil is a comic fantasy A clumsy witch opens the way for an evil invader A reluctant hero a small dragon and a large ogre combine with the witch and a cranky man in armour to save Loradil and chase down the evil one before he can reveal the location of Loradil Helped by the fabled guardian the heroes must fight for their survival on their own world then continue the battle on another      *The Lost Land of King Arthur* John Walters,2021-03-16 The Lost Land of King Arthur by John Cuming Walters Published by Good Press Good Press publishes a wide range of titles that encompasses every genre From well known classics literary fiction and non fiction to forgotten or yet undiscovered gems of world literature we issue the books that need to be read Each Good Press edition has been meticulously edited and formatted to boost readability for all e readers and devices Our goal is to produce eBooks that are user friendly and accessible to everyone in a high quality digital format      *Land of the Lost* Marianne Hering,2023-06-01 Over 1 Million Sold in the Series When the kids step into the Imagination Station they travel back in time and across the world with cousins Patrick and Beth Each book is historically accurate and readers will grow in their faith and knowledge of big historical events as they race through each unforgettable story Lions and tigers and oh my are those giants Cousins Patrick and Beth knew their next adventure in Mr Whittaker s Imagination Station was going to be epic but this one may be their biggest one yet They re off to meet one of the most famous families in the Bible Noah his wife and their sons      **The Lost Land** John R. Chávez,1984-10 A fascinating intellectual history of Hispano self perception this book traces the changes in Hispano views of the Southwest from earliest times to the present particularly since the 1848 signing of the Treaty of Guadalupe Hidalgo      Lost in the Land of Enchantment Art Latham,1995      **Taming the Land: the Lost Postcard Photographs of the Texas High Plains** John Miller Morris,2009 A postcard craze gripped the nation from 1905 to 1920 as the rise of outdoor photography coincided with a wave of settlement and prosperity in Texas Hundreds of people took up cameras and photographers of note chose some of their best work for duplication as photo postcards sold for a nickel and mailed for a penny to distant friends and relatives These postcards which now enjoy another kind of craze in the collecting world left what author John Miller Morris calls a significant visual legacy of the history and social geography of Texas For more than a decade Morris has been finding and studying the photographers and methodically gathering their postcards In Taming the Land he shares those finds with

readers introducing each photographer and providing interpretive descriptions of the places people or events depicted in the photographs The stories the cards tell in the images captured and the messages carried add an exceptional dimension to our understanding of life in rural Texas a century ago Taming the Land presents postcards from twenty four counties in the booming Texas Panhandle This is the first book in a set called Plains of Light which will collect and document turn of the twentieth century photo postcards from all over West Texas

**Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1947 Includes Part 1A Books Part 1B Pamphlets Serials and Contributions to Periodicals and Part 2 Periodicals Part 2 Periodicals incorporates Part 2 Volume 41 1946 New Series A Romance of the Lost Tom McInnes, 1908 The Bookman, 1906 Land of Sunshine, 1899 Includes reports etc of the Southwest Society of the Archaeological Institutes of America The Lost Tradition of Economic Equality in America, 1600-1870 Daniel R. Mandell, 2020-04-07 An important examination of the foundational American ideal of economic equality and how we lost it Winner of the Missouri Conference on History Book Award for 2021 The United States has some of the highest levels of both wealth and income inequality in the world Although modern day Americans are increasingly concerned about this growing inequality many nonetheless believe that the country was founded on a person's right to acquire and control property But in The Lost Tradition of Economic Equality in America 1600 1870 Daniel R Mandell argues that in fact the United States was originally deeply influenced by the belief that maintaining a rough or relative equality of wealth is essential to the cultivation of a successful republican government Mandell explores the origins and evolution of this ideal He shows how during the Revolutionary War concerns about economic equality helped drive wage and price controls while after its end Americans sought ways to maintain their beloved rough equality against the danger of individuals amassing excessive wealth He also examines how after 1800 this tradition was increasingly marginalized by the growth of the liberal ideal of individual property ownership without limits This politically evenhanded book takes a sweeping detailed view of economic social and cultural developments up to the time of Reconstruction when Congress refused to redistribute plantation lands to the former slaves who had worked it insisting instead that they required only civil and political rights Informing current discussions about the growing gap between rich and poor in the United States The Lost Tradition of Economic Equality in America is surprising and enlightening Once a Week S. Lucas, The Lost Colony of Roanoke Stephen Beauregard Weeks, 1891

**The Debatable Land: The Lost World Between Scotland and England** Graham Robb, 2018-06-12 An entertaining work of geographical sleuthing Surprises abound The New Yorker An oft overlooked region lies at the heart of British national history the Debatable Land The oldest detectable territorial division in Great Britain the Debatable Land once served as a buffer between England and Scotland It was once the bloodiest region in the country fought over by Henry VIII Elizabeth I and James V After most of its population was slaughtered or deported it became the last part of Great Britain to be brought under the control of the state Today its boundaries have vanished from the map and are matters of myth and generational memories

In *The Debatable Land* historian Graham Robb recovers the history of this ancient borderland in an exquisite tale that spans Roman Medieval and present day Britain Rich in detail and epic in scope *The Debatable Land* provides a crucial missing piece in the puzzle of British history     *The Land of the New Guinea Pygmies* Cecil Godfrey Rawling,1913     **The Outline of History** Herbert George Wells,1926     **Agricultural Statistics** Great Britain. Dept. of Agriculture and Fisheries for Scotland,Scotland. Dept. of Agriculture,1914
