The INFJ Writer: Cracking the Creative Genius of the World's Rarest Type Lauren Sapala, 2016-05-09 After years of coaching writers who struggled with procrastination issues high sensitivity to criticism and crippling self doubt Lauren Sapala realized that almost every one of her clients was an INFJ or INFP Using the insights gleaned from these clients as well as her own personal story Sapala shows us how the experience of the intuitive writer can be radically different from the norm INFJ writers don t think like anyone else and their highly creative brains take a toll on them that they rarely share with the outside world The INFI Writer discusses such topics as How an INFI writer s physical health is tied to their creative output Why INFJ writers are more likely to fall prey to addictions When an INFJ writer should use their natural psychic ability to do their best creative work Whether looking to start writing again or to finish the novel memoir they started so long ago any writer with the self awareness to identify themselves as highly sensitive and intuitive will benefit from this book that helps them to find their own magic and to finally use it to build the creative life that actually works for them Sassoon On The Art Of Creative Writing Elias Sassoon, 2011-02-23 The book is a compilation of articles I wrote for my daily blog on Facebook The focal point is the life of the everyday beaten down writer and what it takes to be a writer facing the ordinary adversities of the craft I don t try to sugarcoat anything instead I attempt to let you know what it means to be a functioning writer who struggles for each word and struggles with the lack of financial and commercial success How does the ordinary writer who works at a mundane job by day and writes by night hold it together How do they continue to be productive How do they continue to inspire themselves in a world that doesn t care How do they keep themselves from becoming bored All of this is explored in the articles contained in this small book on the creative writing process I hope it can act as an inside look to all those interested in the subject or working in the field
