Journey Timothy Todd Tattersall, 1997 *Love by Design* OJ LEIGH, 2023-09-11 In the heart of our story lies a tale of passion creativity and emotional healing where two extraordinary souls find themselves thrown together amidst the backdrop of architectural wonders and historical legacies *Love by Design* is a captivating novel that takes readers on a journey through the intricate realms of love restoration and personal growth Seth Syllas a gifted yet reclusive architect is a maestro of his craft His creations are born from the depths of a troubled heart a symphony of brilliance woven from the threads of past traumas Haunted by scars that have led to emotional seclusion Seth's life takes an unexpected turn when he's tasked with the daunting mission of rebuilding St Lewis Uriel a cherished historical landmark with a storied past Little does he know that this restoration project will not only mend the walls of a centuries old building but also the walls around his own soul Enter Heidi Everlee an unstoppable force of creativity and vision With an eye for design that knows no bounds Heidi is a charismatic and ambitious counterpart to Seth's introverted nature Their personalities clash as sparks fly igniting both creative brilliance and undeniable tension Seth consumed by the structural aspects of the restoration meets his match in Heidi who seeks to breathe life into the very essence of the Uriel through her interior design prowess As the project unfolds so does a deep and transformative romance What begins as a professional collaboration evolves into a powerful connection that neither Seth nor Heidi can deny Their partnership not only revitalizes the historical landmark but also dismantles the emotional barriers they've erected around their hearts Through shared laughter late nights and heartfelt conversations they learn to embrace the possibility of love and healing With every brick that's laid and every design choice that's made Seth and Heidi rebuild not only the grandeur of St Lewis Uriel but also the fractured pieces of their own lives Their journey mirrors the very restoration they're overseeing a process that requires patience dedication and the willingness to see beauty where others might only see ruins *Love by Design* invites readers to immerse themselves in a world where architecture and emotion intertwine where love blossoms amidst the echoes of history This enchanting tale reminds us that just as buildings can be rebuilt hearts can mend and love has the power to transform even the deepest wounds So take a step into the world of Seth and Heidi where passion and creativity rewrite the blueprint of their lives in the most unexpected and heartwarming ways

Now That She's Gone Chelsea Ohlemiller,2024-08-13 The day your mother dies is the day you acquire a powerful and persistent new companion: grief. It is also the day you become the keeper of a legacy that has the potential to affect generations to come. Between a past you can't let go of and a future you can hardly find the energy to think about, you stand. The ground may feel shaky, but it is sacred. And it must be tread. With vulnerability and honesty, Chelsea Ohlemiller walks you through her own journey of grief at the loss of her mother in order to help you along yours. These raw reflections on heartbreak, love, and hope in the midst of sorrow can help you put words to your own tangled feelings when you are speechless with grief.
