Journey From Hell:

A Journey to Hell, Heaven, and Back Ivan Tuttle, Journey from Hell Carmine Vincent Marino, 1996 An intimate glimpse at the drive and sensitivity that the young Vincent Marino possessed which ultimately resulted in his founding one of the most innovative substance abuse rehabilitative programs in the nation **The Journey** Alessandra Raed, David Baikie, 2020-12-30 The Journey is a theatre play inspired by some of the concepts of The Divine Comedy which is a long narrative poem written by Italian poet Dante Alighieri in the early 1300 The poem has an imaginative vision of the afterlife and describes Dante's travels through the three places Inferno Purgatory and Paradise while allegorically the poem represents the soul's journey towards God The poem is also a representation of the medieval Western world view of Christianity The conception of the poem also helped the development of the Western Church in the 14th Century The Journey follows a personal journey through the afterlife lived by David Baikie an Australian war veteran who hit the bottom of suicidal depression in his early 30s Using the structure of the poem the play is also divided into three parts Inferno Purgatory and Paradise and underlines David's fears emptiness distress and suicidal thoughts during his time in the Army and the recognition of the worst time of his life just after leaving the Army due to his illness The message of the play serves to show awareness to suicide and depression and the horrible feelings and thoughts that go along with it and that affect most people in our contemporary world Our culture is haunted by the unholy ghost of suicide the ones who surrender are mercilessly judged by society and those who don't are at risk of contagion How then do we help those on the edge of self destruction Through theatre The human spirit is magnificently resilient Choice is a signature of our species We choose to live and sometimes we choose to die but most times we make choices just to prove choice is possible Looking at suicide through theatre and accepting there is a choice it is a good choice In Dante's work Virgil the Roman poet who takes Dante through his journey is presented as the human reason Beatrice Dante's ideal woman is presented as the divine knowledge In the play the leading role of Dante is played by David Baikie who had recently discovered theatre as an art form of surviving and a life changing experience Virgil still symbolises the reason who constantly checks on Dante's thoughts showing him what he would have found on his way out of this life if he actually had left earlier Beatrice in the play represents the true love an almost spiritual sense of love that has not much to do with the love as we know it but the love that is higher than our consciousness can possibly reach The Divine Comedy tells Dante's journey through the three realms of the dead Virgil guides Dante through Hell and Purgatory and Beatrice guides him through Heaven Beatrice was a Florentine woman Dante had met in childhood He admired her from afar in a courteous love tradition way In The Journey Dante David walks the dark road of hell recognizes the sacrifice and lessons of Purgatory and finally in Paradise he understands the reason we all are and must be alive in our own time That surrounded by love and small acts of everyday heroism towards other people we can actually choose to survive the darkness and to find light **My Journey to Hell** Michael H. Prose Heinrich Heine,2006-06-29 A poet whose verse inspired music by Schubert Schumann Mendelssohn and Brahms Heinrich Heine 1797 1856 was in his lifetime equally admired for his elegant prose This collection charts the development of that prose beginning with three meditative works from the Travel Pictures inspired by Heine s journeys as a young man to Lucca Venice and the Harz Mountains Exploring the development of spirituality the later On the History of Religion and Philosophy in Germany spans the earliest religious beliefs of the Germanic people to the philosophy of Hegel and warns with startling force of the dangers of yielding to primeval Germanic paganism Finally the Memoirs consider Heine s Jewish heritage and describe his early childhood As rich in humour satire lyricism and anger as his greatest poems together the pieces offer a fascinating insight into a brilliant and prophetic mind **Spiritual Journey** Jameel Kermalli , The Religion al Islam emphasizes all Muslims men and women to embark on a sacrificial journey towards The Merciful Allah SWT Most certainly there is within all of us an inherent desire to attend to some spiritual matters and near The Absolute Truth In this way we would intensify our relationship with The Almighty and gain proximity This book explored the path that one must follow in order to gain spirituality and nearness to Allah SWT **SOLID FOOD FOR JOURNEY EGYPT TO CANAAN:**

HOW TO REJOIN THE NARROW PATH TO ETERNAL LIFE & MAKE IT TO THE END Elizabeth Gata-Viki,2023-12-01 There is so much confusion and deception in the Church today Just switch on the telly and you will see that Satan has largely succeeded in making a complete circus of the Church There are so many false gospels false doctrines false teachers and false Christians Even the true Bride has lost its way Many are truly born again and trying hard to hold on but they cannot understand why the Holy Spirit has been largely aloof in their lives even for years God knows those who are His the true Bride the good fish in the dragnet the wheat and this book is for them This book is written for the beleaguered Bride to

provide clear direction for her to find her way out of deception and back onto the narrow path that leads to Life It is in essence an extended analogy which follows the trajectory of the journey of the Israelites from Egypt to Canaan to unpack what experiences a Christian should expect as they progress on their own journey to eternal life This is that journey which can only be made on the narrow path to life which Jesus spoke of and of which He solemnly warned that few Christians would find The book projects the Christian life as the protracted journey that it is not a single life changing incident somewhere in one's past Focusing on areas of deep confusion and deception in the Church it takes a candid and profound but practical look at those doctrines which are so fundamental to the Christian life and which form practical landmark pillars along that journey salvation justification the new birth sanctification perfection and glorification It is the passionate will of Jesus Christ through this book to bring to His besieged true Bride truth and clarity of understanding of these areas so that she may regain the narrow road and begin to steadily move forward towards the goal of the crown of salvation that coveted prize of the Christian journey which the Apostle Paul diligently laboured for spoke so passionately of and finally attained himself as we all should and can This first part of the book takes a very close look at exactly how God works in His children profoundly to transform them and get them into heaven Laying out very clearly what God's expectations of us are it also looks at our part in this work that He does both in us and through us with a focus on how to practically overcome our flesh our first enemy Mark 6:34 And Jesus when He came out saw a great multitude and was moved with compassion for them because they were like sheep not having a shepherd So He began to teach them many things

focuses on the most important questions in the life of the individual Each volume contains timeless and always contemporary investigations into and discussions of questions vital to our personal search for meaning and purpose focusing on questions specific to our inner life and quality of existence **Journey of the Soul** Sam Oputa,2018-09-25 Can anything be more agonizing than the burden of an idea that we are doomed to die at the end Imagine all your struggles on this earth and the experiences you had acquired will one day be gone as that flash of life energy leaves the encumbered casing That is exactly what most people accept to be true Our inability to understand our soul s journeys is our inability to understand our physical and immaterial existence That most of us cannot differentiate physical material and nonphysical immaterial existence is reason enough not to understand creation and its purpose But once we understand we begin to see the purpose for physical material death and the reason for the immaterial part of us to rejuvenate by taking a new cocoon a new body to continue its journeys and its purpose to learn and experience Always remember that life existed before creations *Journey Back to God* Mark S. M. Scott,2015 Journey Back to God explores Origen of Alexandria s creative complex and controversial treatment of the problem of evil It argues that his layered cosmology functions as a theodicy that explains unjust suffering and shows how that theodicy hinges on the journey of the soul back to God
