**Politics of Nostalgia in the Arabic Novel** Wen-chin Ouyang, 2013-01-21 Uncovers the politics of nostalgia and madness inherent in the Arabic novel The Arabic novel has taken shape in the intercultural networks of exchange between East and West past and present Wen chin Ouyang shows how this has created a politics of nostalgia which can be traced to discourses on aesthetics ethics and politics relevant to cultural and literary transformations of the Arabic speaking world in the 19th and 20th centuries She reveals nostalgia and madness as the tropes through which the Arabic novel writes its own

story of grappling with and resisting the hegemony of both the state and cultural heritage

**Positive Psychology Across the Lifespan** Piers Worth, 2022-02-22 Positive Psychology Across the Life Span provides an insight into how we are affected by the different stages of adult development and gives us the opportunity to change through choice rather than leaving change to chance The science of positive psychology offers a wealth of research and evidence based interventions and shares insights into which habits and behaviours contribute to how to live a flourishing life This book aims to extend that knowledge by introducing and incorporating key aspects of existential and humanistic psychology and explores positive psychology with a lifespan perspective It goes beyond theory to look at practical application with insightful reflective questions Whilst acknowledging the differences and disagreements between some of the key figures in the subject areas of the book it seeks to highlight the areas where there is agreement and congruence which have been previously overlooked or ignored The book will be essential reading for students and practitioners of positive psychology as well as other mental health professionals

Dreaming the Southern Song Landscape Valérie Malenfer Ortiz, 2024-03-25 Establishing a new approach to reading Chinese landscape painting this work centers around an early key example of scholarly painting viz Dream Journey on the Xiao and Xiang Rivers late 12th century The author restores the status of Dream Journey as a cultural icon for Confucians an object of contemplation for aesthetes an imaginary dream journey for poets and an incentive to cultivate one's moral intentions for both Buddhist monks and lay scholars Also it is convincingly argued that scholarly painting originates in the Southern Song 1127-1279 and not as is commonly thought in the Yuan Dynasty 1279-1368

**The "descent" to the Chariot** Annelies Kuyt, 1995 The Goodness of Affliction David Paul McDowell, 2020-12-08 Can anything good come out of suffering Is there anything purposeful in the grief or pain you may be feeling right now There are no easy answers to these questions and any attempt at an answer runs the risk of seeming trite or inappropriate to our unique situation The author of this book has a terminal illness which has produced in him not only an uncertainty about the future but a deep sense of compassion for those who are

also suffering The book is his attempt to bring encouragement to those who feel helpless and alone by giving a perspective on affliction that is not ordinarily discussed The book is not a daily devotional but a compilation of the blogs he has written over the last three years that have been helpful to many You may not be walking the path of affliction but you could give the book a read and pass it on to someone who is on the journey

**The Governance of Privacy** Hans de Bruijn, 2021-12-03 We can hardly underestimate the importance of privacy in our data driven world Privacy breaches are not just about disclosing information Personal data is used to profile and manipulate us sometimes on such a large scale that it affects society as a whole What can governments do to protect our privacy In The Governance of Privacy Hans de Bruijn first analyses the complexity of the governance challenge using the metaphor of a journey At the start users have strong incentives to share data Harvested data continue the journey that might lead to a privacy breach but not necessarily it can also lead to highly valued services That is why both preparedness at the start of the journey and resilience during the journey are crucial to privacy protection The book then explores three strategies to deal with governments the market and society Governments can use the power of the law they can exploit the power of the market by stimulating companies to compete on privacy and they can empower society strengthening its resilience in a data driven world
