Journey With God In Time:

My Journey and Time Alone with God John R. Walden, 2015-05-14 My grandfather taught me many things as I sat and listened to him Most importantly I learned that he was a God fearing man I believe that God used my grandfather to instill hardworking values in me as well I miss him greatly and I miss the times I was able to learn from his ways of living As I grew I began to recognize the importance of being still and listening with all my being to him This has perhaps been one thing that God has used in my life to draw me to Him His Holy Word says for us to be still before Him and know that He is God So I was drawn by His Holy Spirit to listen with all my heart to His guidance And as I spent time before Him I learned to recognize the voice of God through His precious Holy Spirit within I could not get enough of His powerful presence so I sat long hours alone before Him and this book is the result In my time alone with God I asked a lot of questions about life and I have come to understand much more than I ever knew God says if you will seek Him you will find Him and if you call on Him He will answer you He will speak to you and through you by His Holy Spirit presence within Gods love is extended to us through His Son Jesus Christ who gave His very life to set us free from the bondages of sin What is a journey to you When you spend time with the Father He will take you on a journey of victory When you truly seek Him with all your heart He will give you His wisdom His knowledge and His understanding As you acknowledge His presence and power throughout life your journey has begun

Dunne, 2003 The integration of mind and heart and soul and

might allied with Dunne's originality and creativity is what makes his work so vital. His work is important not only to scholars and students of theology but to people of all walks of life who want to reflect on the meaning of their lives. Elizabeth E. Carr, Smith College, *A Journey with God in Time* is the personal testimony of a theological mind of rare quality. John T. Noonan Jr., author of *The Lustre of Our Country*. In this unique autobiography, John Dunne meditates on what it is to love God with all one's mind, heart, and soul. Dunne's captivating prose connects contemporary theology with the very real life experiences of finding, losing, and living love. Centered around pivotal moments at various stages in his life, *A Journey with God in Time* uses the grist of Dunne's experiences to plumb new theological and spiritual depths. A series of dramatic Thomas Cole paintings reflects the time periods: childhood, youth, adulthood, and old age that form the organizational backbone of this work. Among the life experiences Dunne discusses are his relationship with his grandfather, his love of music, and his thoughts on death. In prose and song cycles, Dunne takes readers on a spiritual journey through his extraordinary and sometimes ordinary life. Readers will find rich nourishment for mind and soul in this compelling new book. [The Sunday Magazine](#), 1882. [A Victorious Destination with God](#). Beauty Vutomi Shiviti, 2012-07-17. This book talks about walking a successful journey with God. Looking back to the History of the Israelites, you will understand that a journey has obstacles. God speaks through history to give an example of Israelites' deliverance from degrading bondage of some kind to the promise land, Canaan. Israel was delivered from Egypt's degrading bondage simply because God has promised them a destiny free of slavery and bondage. When God promises his children a place where they have to travel, He makes it a point that they arrive safe under the protection of His hand. Israel, led by Moses, wandered in the Sinai wilderness. During that time, Israel experienced supernatural providence such as the supply of manna, water from rocks, and the pillar of cloud by day and fire by night, and so forth. During that time, they also received divine revelation, the Mosaic Law. God communicated to them His holy standard. Everyone in this world is in the journey. People want to see themselves in Canaan, a place of success. The land of Canaan represents the destination of God's people after they have been set free from degrading bondage or slavery. Canaan is a picture of rest and victory that can be enjoyed by every believer. You, as a believer in the journey led by God, are going to enjoy your success because God will ensure that you do. The deliverance from Egypt was only in preparation for the enjoyment of Canaan. In your Christian life, you are brought out of sin so that you may be brought in to abundant life. The wilderness is never God's permanent destination for you. Even as an entire generation of Israel died in the wilderness, so many Christians die in the desert of dryness of spiritual experience. This book is meant to remind you that you don't have to die without making it in life. You need the fullness of God to direct your journey. Entrance into the land of Canaan was entrusted to a representative. Joshua was the trustee of the land for the people. In the same way, your representative, Jesus, goes before you and what you have in God, you possess in Him. The whole land was given, but they could only possess that which they claimed. What they took must be fought for against a determined opposition. God certainly could have simply eliminated all

their enemies with a mere thought but He calls Israel into partnership with Himself to see His will done You need to partner with God and never entertain things of this world for you to reach your destination Because taking the land took effort the challenge ahead was not for those content with Egypt but for those who would press ahead for what God had called them to The precise territory of the land is described This was no Pizza in the sky promise It described real land with real boundaries It could not be easy anyway so is your dream I will be with you God promised Victory is assured not because Joshua is a great leader or because Israel is a great nation but because God is a great God and He says to Joshua I will be with you This is enough for any man seeking to do Gods will Be strong and very courageous Joshua is called to boldness in God This exposes Joshuas weakness there was a need for such a command because even a great leader like Joshua needed such encouragement Boldness is needed to everyone one who needs Canaan You cant be weak This bold courage would not be in Joshua himself but in God You can be full of self confidence that will take you to ruin but you should instead be full of a genuine God confidence Joshua must take great care to observe the law Gods word and Joshuas commitment to it would be the pillars supporting his success You also need the word of God as a pillar supporting
