Vishwakanjalochanananda,2019-12-10 This book is not just another autobiography This is a life journey of an ordinary man Every person is experiencing difficulties in their lives but how much we are learning from those difficulties and obstacles that we find along the way is what the Author is trying to convey in these pages The idea of the book is to select some episodes which moulded and shaped the Author to find the meaning in life and walk the path towards the inner freedom as an inspiration and guidance for all who have been awakened to the idea that there is something more than meets the eye This is a spiritual book in a sense that we are not just a bag of flash and bones and that every person has a spiritual life as well There is an intelligence that guides and regulates our life For a lack of better term we call it Spirit or God And the aim is to connect to that Being or Intelligence and to achieve the full potential that we are all entitled to as human beings We have to live our life so that we can first and foremost realise ourselves as human beings and from there we can contemplate our divine origin and eventually realise that we are divine beings temporarily clothed in human attire with the purpose of realising our soul s position as the eternal servant in our loving relationship with the Divine **SPIRALING T O W A R D S**
