

A scenic view of a winding asphalt road through a valley. The road is dark and textured, with a white dashed line marking the edge. The valley is filled with green grass and some trees in the distance. The sky is filled with large, white, fluffy clouds, and the sun is shining brightly, creating a lens flare effect. The overall mood is peaceful and inspiring.

Joy's Journey Joy Elliott, 2021-12-28 Joy's story is really many small journeys that make up an astounding life It takes her from an extremely poor farm in Oklahoma to the despair that caused her to climb an oil rig with the intent of jumping off on to a short career as a commercial fisherman years as a gypsy then onward to a career that culminated in being a private contractor in the Middle East The journey that wraps it all is the story of the journey she began at age eighty three in order to survive the heartbreak of her husband's death Do not get the idea that this is a sad story You will feel cheered and inspired all the way She covered all the countries in Europe and more completely alone spontaneously bouncing from one hostel to another The adventures and lessons make for captivating reading

My Joy Journey Naomi Joy Nelson , 2022-10-21 How to Overcome Life's Greatest Obstacles and Challenges with Joy

Joy's Journey into the Forest Murat Ukray, 2022-07-30 Joy is a cute little squirrel who lives in a tree in a Ukrainian city park She is always happy and even happier when one day she meets a little girl who gives her a taste of something delicious Everything used to run in harmony in the park But things change when war breaks out and Joy must escape with her other friends to the forest Not knowing what is going on they decide to visit Joy's grandmother a wise old squirrel who will explain everything to the young animals ABOUT THIS BOOK'S STORY About 5 months ago not so long in the winter times of years of peace when I was strolling through the Gorky Park in the city of Harkov in Ukraine I saw small squirrels wandering in the forest and rushing quickly and excitedly from one tree to another and carrying their food among the curious gazes of people I was impressed and so did my daughter Elisa 5 years old as well But when the war bursted out and we had to leave Harkov suddenly I had felt so sad thinking maybe our sweet memories were left behind us forever So I decided to write this little children's book as a memory When there were explosions in the city while we are at home my daughter asked me What are these sounds daddy I always replied The planes are passing Elisa and added This is all little game honey Because I believe that the children should never learn what the war is or you should tell the war like a story I hope you will enjoy reading my second book which aims to give meaningful messages to not only for the children and also for the adults This story tells our tragical and also hard last day that we left Ukraine when not only people had damaged and also the animals had suffered By the way the proceeds of this book will be used to help war torn civilians in Ukraine May God helps to all M Ukray May 2022
