Joyce And The Subject Of History

Wolfgang Wicht

Joyce And The Subject Of History:

Joyce and the Subject of History Mark A. Wollaeger, Victor Luftig, Robert E. Spoo, 1996 Eleven essays that open tantalizing questions about Joyce and history
Joyce and the Invention of Irish History Thomas C. Hofheinz, 1995-05-25 This book examines Joyce's use of historical sources to illuminate prevalent problems central to modern Irish identity

James Joyce's A Portrait of the Artist as a Young Man Mark A. Wollaeger, 2003 This casebook offers a comprehensive introduction to this landmark in modern fiction It includes an introductory overview of the work's composition and early reception classic essays by Hugh Kenner Patrick Parrinder Wayne Booth Fritz Senn Michael Levenson and Hélène Cixous and a newly revised and expanded version of Maud Ellmann's Polytropic Man
ReJoycing Rosa Bollettieri Bosinelli, Harold F. Mosher Jr., 2014-07-11 In this volume the contributors a veritable Who's Who of Joyce specialists provide an excellent introduction to the central issues of contemporary Joyce criticism
Literature and Cultural Memory, 2017-03-06 Cultural Memory a subtle and comprehensive process of identity formation promotion and transmission is considered as a set of symbolic practices and protocols with particular emphasis on repositories of memory and the institutionalized forms in which they are embodied High and low culture as texts embedded in the texture of memory as well as material culture as a communal receptacle and reservoir of memory are analysed in their historical contingency Symbolic representations of accepted and counter histories and the cultural nodes and mechanisms of the cultural imaginary are also issues of central interest Twenty six contributions tackle these topics from a theoretical and historical perspective and bring to the fore case studies illustrating the interdisciplinary agenda that underlies the volume Contributors Luis Manuel A V Bernardo Lina Bolzoni Peter Burke Pia Brinzeu Adina Ciugureanu Thomas Docherty Christoph Ehland Herbert Grabes László Gyapay Donna Landry Christoph Lehner Gerald MacLean Drago Manea Daniel Melo Mirosława Modrzejewska Rare Moldovan C W R D Mosely Petru a N idu Francesca Orestano Maria Lucia G Pallares Burke Andreea Paris Leonor Santa Bárbara Hans Peter Sander Jukka Tiisanen Ludmila Voln Ioana Zirra
[A Companion to James Joyce](#) Richard Brown, 2013-06-06 A Companion to James Joyce offers a unique composite overview and analysis of Joyce's writing his global image and his growing impact on twentieth and twenty first century literatures Brings together 25 newly commissioned essays by some of the top scholars in the field Explores Joyce's distinctive cultural place in Irish British and European modernism and the growing impact of his work elsewhere in the world A comprehensive and timely Companion to current debates and possible areas of future development in Joyce studies Offers new critical readings of several of Joyce's works including *Dubliners* *A Portrait of the Artist as a Young Man* and *Ulysses*
New Directions in Social and Cultural History Sasha Handley, Rohan McWilliam, Lucy Noakes, 2018-02-22 What does it mean to be a social and cultural historian today In the wake of the cultural turn and in an age of digital and public history what challenges and opportunities await historians in the early 21st century In this exciting new text leading historians reflect on key developments in their fields and argue for a range of

new directions in social and cultural history Focusing on emerging areas of historical research such as the history of the emotions and environmental history *New Directions in Social and Cultural History* is an invaluable guide to the current and future state of the field The book is divided into three clear sections each with an editorial introduction and covering key thematic areas histories of the human the material world and challenges and provocations Each chapter in the collection provides an introduction to the key and recent developments in its specialist field with their authors then moving on to argue for what they see as particularly important shifts and interventions in the theory and methodology and suggest future developments *New Directions in Social and Cultural History* provides a comprehensive and insightful overview of this burgeoning field which will be important reading for all students and scholars of social and cultural history and historiography

A History of the Foreshore and the Law Relating Thereto Stuart Archibald Moore,1888

Postsocial History Miguel A. Cabrera,2004-01-01 In *Postsocial History* An Introduction historian Miguel A Cabrera points to the crisis of modernity as a locus for the collapse of social historical models Previously established theories of social change and social relations are proving insufficient calling for the emergence of a new social historical theory By arguing convincingly for the inclusion of language in that model Cabrera awakens a revolutionary new approach to historiography The book will prove indispensable to historians and to social scientists in general who are dissatisfied with the old paradigms and seek new ways of addressing the challenges of social research

Joyce's Ulysses Robert D. Newman,Weldon Thornton,1987 All fifteen essays in this collection are concerned with the primacy of the novelistic aspects of *Ulysses* and how it achieves its meanings Together they seek to redress the tendency of some recent critics to regard *Ulysses* as a compendium of techniques or a treatise

Utopianism in James Joyce's Ulysses Wolfgang Wicht,2000

Rewriting Joyce's Europe Tekla Mecsnyóber,2021-08-03 This book sheds light on how the text and physical design of James Joyce s two most challenging works *Ulysses* and *Finnegans Wake* reflect changes that transformed Europe between World War I and II

American lumbermen : the personal history and public and bus ,1906

Beckett and Nature Charles Clements,Eleanor Green,James Martell,2025-07-10 New analyses on the insightful ways in which Beckett s work actively engages with contested notions of Nature and the natural developing a radical version of modernism s main questions and insights Beckett and Nature takes its cue from contemporary developments in Beckett scholarship focused on ecocriticism posthumanism and the Anthropocene going beyond them into a questioning of the very concepts of Nature and the natural It examines one of the most unthought ontological dimensions of literature and life that symbolic space deemed natural or part of Nature appears necessary and undeniable and therefore impossible to be deconstructed In doing so the authors show that in fact this space takes on many shapes recognizing three natural dimensions criticized by Beckett bodies worlds and literatures Featuring a wide range of both Beckett s work and Beckett scholars including Jean Michel Rabat and Stanley E Gontarski Beckett and Nature offers contextualized readings of the understandings of nature and the natural throughout his decade spanning uvre The volume

shows that part of the radicality of Beckett's writing is that through a variety of evolving techniques and strategies it questions what appears in our cultures as the most unquestionable and opens up possibilities for thinking not only what is human literature and philosophy but also gender identity and any attempt at definitions of ourselves or the world at large

Truth, Language, and History Donald Davidson, 2005-02-17 Truth Language and History is the much anticipated final volume of Donald Davidson's philosophical writings In the four groups of essays that comprise it Davidson continues to explore the themes that occupied him for more than fifty years the relations between language and the world speaker intention and linguistic meaning language and mind mind and body mind and world mind and other minds He asks what is the role of the concept of truth in these explorations And can a scientific world view make room for human thought without reducing it to something material and mechanistic Davidson's underlying picture which can be seen in many of these essays is that we are acquainted directly with the world not indirectly via some intermediary such as sense data representations or language itself that thought emerges in the first place through interpersonal communication in a shared material world and continues to develop as we engage each other in dialogue and that language depends on communication not vice versa This is the triangulating situation two creatures communicating about a common world about which Davidson has written elsewhere As for the mind body relation our ontology need posit nothing more than material objects and events but as explainers we require two mutually irreducible vocabularies mind and body In the last six essays Davidson finds interconnections between his own views and those of some of the major philosophers of the past Including a new introduction by his widow Marcia Cavell this volume completes Donald Davidson's colossal intellectual legacy **James Joyce's Ulysses**

Clive Hart, David Hayman, 2023-11-15 This book contains eighteen original essays by leading Joyce scholars on the eighteen separate chapters of Ulysses It attempts to explore the richness of Joyce's extraordinary novel more fully than could be done by any single scholar Joyce's habit of using when writing each chapter in Ulysses a particular style tone point of view and narrative structure gives each contributor a special set of problems with which to engage problems which coincide in every case with certain of his special interests The essays in this volume complement and illuminate one another to provide the most comprehensive account yet published of Joyce's many sided masterpiece This book contains eighteen original essays by leading Joyce scholars on the eighteen separate chapters of Ulysses It attempts to explore the richness of Joyce's extraordinary novel more fully than could be done by any single scholar Joyce's habit

History of the City of Dayton and Montgomery County, Ohio Augustus Waldo Drury, 1909 *Class Struggles* Dennis L. Dworkin, 2014-05-22 In the 1960s and 1970s the study of history and sociology was heavily influenced by Marxism and theories of class But the collapse of Communism and significant changes in culture and society threw the study of class into crisis Its most basic premises were called into question More recently accelerating globalisation proliferating multinational corporations and unbridled free market capitalism have given the study of class a new significance and caused historians and sociologists to revisit the

debate This book looks at the changes that caused the crisis in the study of class and shows how new vibrant theories have appeared that will drive forward our understanding of history and sociology *Joyce's Dante* James Robinson,2016-10-14 An exploration of how Dante s work influenced the development of James Joyce s writing on key themes of exile and community

History and Cultural Theory Simon Gunn,2014-05-22 In recent times there has been recognition of the growing influence of cultural theory on historical writing Foucault Bourdieu Butler and Spivak are just some of the thinkers whose ideas have been taken up and deployed by historians What are these ideas and where do they come from How have cultural theorists thought about history And how have historians applied theoretical insights to enhance their own understanding of events in the past This book provides a wide ranging and authoritative guide to the often vexed and controversial relationship between history and contemporary theory It analyses the concepts that concern both theorists and historians such as power identity modernity and postcolonialism and offers a critical evaluation of them from an historical standpoint Written in an accessible manner *History and Cultural Theory* gives historians and students an invaluable summary of the impact of cultural theory on historiography over the last twenty years and indicates the likely directions of the subject in the future
