Juarez Justice:

Benito Juárez Fights for Justice Beatriz Gutiérrez Hernández, 2023-08-01 From the incredible illustrator of *Dreams from Many Rivers* comes the story of Benito Juárez a man who devoted himself to his country and became president of Mexico Juárez grew up in a village filled with orange trees surrounded by the mountains of Oaxaca As he got older he wondered How could such a paradise be home to hungry children temples in ruins and shacks made out of straw and branches Armed with a deep seated belief in justice he set out to make a difference Following Juárez from his childhood to his career in politics this is a story of hope and determination Godwin Books

A Trail of Horror: Unraveling the Unspeakable in Ciudad Juárez Pasquale De Marco, In the heart of darkness on the border between Mexico and the United States lies a city gripped by terror and despair Ciudad Juárez a place where the screams of the innocent have echoed through the streets for decades a city where death has become a chilling spectacle This book takes you on a harrowing journey into the abyss of Ciudad Juárez exposing the unspeakable horrors that have unfolded within its labyrinthine alleyways and desolate outskirts Through the voices of victims survivors investigators and activists we piece together the chilling puzzle of the Juárez killings a saga of unimaginable cruelty and relentless terror With each turn of the page we descend deeper into the darkness exploring the twisted minds of the perpetrators the failures of justice and the resilience of those who refuse to be silenced We confront the demons that haunt this city the suffocating sense of impunity that has allowed evil to flourish Along the way we uncover the systemic issues that have fueled this crisis the corruption the poverty the gender inequality that has created a breeding ground for violence Yet amidst the despair there glimmers a beacon of hope The indomitable spirit of the Juárez women their unyielding fight for justice their refusal to be silenced shines like a star in the darkest of nights Their stories of courage and resilience serve as a testament to the human capacity to overcome adversity to rise from the ashes of tragedy In this book we bear witness to the unspeakable we confront the darkness that lurks in the human heart But we also celebrate the resilience of the human spirit the power of unity and the unwavering pursuit of justice Through this journey into the abyss we emerge with a renewed understanding of the fragility of life the preciousness of justice and the indomitable power of hope This book is a stark reminder of the horrors that can be inflicted upon humanity a call to action to address the root causes of violence and injustice It is a tribute to the victims of Ciudad Juárez their families and the tireless advocates who continue to fight for justice and change If you like this book write a review

Caliber of Justice David C. Gooch, 2011-02 There are eight adventures altogether with each volume containing four adventures each These stories tell the story of a young boy who experiences circumstances in his life that lead him to seek revenge Thanks to the aid and mentoring of two Texas Rangers Shane Dawson becomes a welcome help to them in tracking down the most violent criminals of west Texas thus earning him the opportunity to himself become a Texas Ranger The eight books introduce you to Shane and his acquaintances as they ride on many

adventures together that span the course of Shane's life as a lawman. The Caliber of Justice allows the reader to become familiar with the main character and then follow him through his career as a Texas Ranger as he tracks down outlaws, robbers, Indians, and horse thieves. The books in order are Texas Ranger, Bounty Hunter, Grapevine Stage, Smoking Gun, Wagon Train, Inside Man, Cattle Drive, Santa Maria. *I Ask for Justice* David Carey, Jr., 2013-10-01. Given Guatemala's record of human rights abuses, its legal system has often been portrayed as illegitimate and anemic. *I Ask for Justice* challenges that perception by demonstrating that even though the legal system was not always just, rural Guatemalans considered it a legitimate arbiter of their grievances and an important tool for advancing their agendas. As both a mirror and an instrument of the state, the judicial system simultaneously illuminates the limits of state rule and the state's ability to co-opt Guatemalans by hearing their voices in court. Against the backdrop of two of Latin America's most oppressive regimes, the dictatorships of Manuel Estrada Cabrera (1898-1920) and General Jorge Ubico (1931-1944), David Carey Jr. explores the ways in which indigenous people, women, and the poor used Guatemala's legal system to manipulate the boundaries between legality and criminality. Using court records that are surprisingly rich in Maya women's voices, he analyzes how bootleggers, cross-dressers, and other litigants crafted their narratives to defend their human rights. Revealing how nuances of power, gender, ethnicity, class, and morality were constructed and contested, this history of crime and criminality demonstrates how Maya men and women attempted to improve their socioeconomic positions and to press for their rights with strategies that ranged from the pursuit of illicit activities to the deployment of the legal system.

The Routledge Handbook of Environmental Justice Ryan Holifield, Jayajit Chakraborty, Gordon Walker, 2017-09-14. The Routledge Handbook of Environmental Justice presents an extensive and cutting-edge introduction to the diverse, rapidly growing body of research on pressing issues of environmental justice and injustice. With wide-ranging discussion of current debates, controversies, and questions in the history, theory, and methods of environmental justice research contributed by over 90 leading social scientists, natural scientists, humanists, and scholars from professional disciplines from six continents, it is an essential resource both for newcomers to this research and for experienced scholars and practitioners. The chapters of this volume examine the roots of environmental justice activism, lay out and assess key theories and approaches, and consider the many different substantive issues that have been the subject of activism, empirical research, and policy development throughout the world. The Handbook features critical reviews of quantitative, qualitative, and mixed methodological approaches and explicitly addresses interdisciplinarity, transdisciplinarity, and engaged research. Instead of adopting a narrow regional focus, it tackles substantive issues and presents perspectives from political and cultural systems across the world, as well as addressing activism for environmental justice at the global scale. Its chapters do not simply review the state of the art but also propose new conceptual frameworks and directions for research, policy, and practice. Providing detailed but accessible overviews of the complex, varied dimensions of environmental justice and injustice, the Handbook is an essential guide and reference not only for researchers engaged with environmental

justice but also for undergraduate and graduate teaching and for policymakers and activists

The Night Chicago Died - A Justice Security Novel T. M. Bilderback, 2025-01-01 It's November in Chicago Still healing from an encounter with the Corn Flakes Killer Lieutenant Michelle Mickey Rooney and her partner Sam Tanner head out into the snowy night to investigate four seemingly unrelated drug killings They appear to be run of the mill drug deals gone bad until witnesses at one of the crime scenes report that they saw the shooting And they have overheard the name of the killer Esteban Fernandez Mickey and the Chicago PD notify the Federal authorities thanks to a new Federal APB on Fernandez Fernandez has been declared a threat to National Security and all movements are to be reported Justice Security has been given a government contract find Esteban Fernandez and stop him Bring him in for trial if possible but stop him When word reaches them that Fernandez is in Chicago Joey Justice his partners and their FBI liaison Marcus Moore move quickly to the Windy City and they take over the investigation They also take over Mickey Rooney and Sam Tanner and draft them into the biggest crime case in Chicago's history a crime case that Mickey will never be allowed to talk about Action humor and a two night romance for Mickey and Marcus find out what happens when Justice Security takes on insane Mexican drug cartel leader Esteban Fernandez in the Windy City Read T M Bilderback's eighth Justice Security story inspired by the classic song performed by Paper Lace *The Night Chicago Died*

Social Justice in the U.S.-Mexico Border Region Mark Lusk, Kathleen Staudt, Eva Moya, 2012-06-12 The U S Mexico Border Region is among the poorest geographical areas in the United States The region has been long characterized by dual development poor infrastructure weak schools health disparities and low wage employment More recently the region has been affected by the violence associated with a drug and crime war in Mexico The premise of this book is that the U S Mexico Border Region is subject to systematic oppression and that the so called social pathologies that we see in the region are by products of social and economic injustice in the form of labor exploitation environmental racism immigration militarism institutional sexism and discrimination health inequities a political economy based on low wage labor and the globalization of labor and capital The chapters address a variety of examples of injustice in the areas of environment health disparity migration unemployment citizenship women and gender violence mental health and drug violence The book proposes a pathway to development

Chicana/Latina Testimonios as Pedagogical, Methodological, and Activist Approaches to Social Justice Dolores Delgado Bernal, Rebeca Burciaga, Judith Flores Carmona, 2017-10-02 While the genre of testimonio has deep roots in oral cultures and in Latin American human rights struggles the publication and subsequent adoption of *This Bridge Called My Back* Moraga Anzald's 1983 and more recently *Telling to Live* Latina Feminist Testimonios Latina Feminist Group 2001 have demonstrated the power of testimonio as a genre that exposes brutality disrupts silencing and builds solidarity among women of colour Within the field of education scholars are increasingly taking up testimonio as a pedagogical methodological and activist approach to social justice which transgresses traditional paradigms in academia Unlike the more usual approach of researchers producing unbiased knowledge the testimonio

challenges objectivity by situating the individual in communion with a collective experience marked by marginalization oppression or resistance This approach has resulted in new understandings about how marginalized communities build solidarity and respond to and resist dominant culture laws and policies that perpetuate inequity This book contributes to our understanding of testimonio as it relates to methodology pedagogy research and reflection in pursuit of social justice A common thread among the chapters is a sense of political urgency to address inequities within Chicana o and Latina o communities This book was originally published as a special issue of Equity Excellence in Education

EVERDAY LAW FOR CHILDREN (Q) David J. Herring,2015-12-03 Everyday Law for Children provides an accessible introduction to laws that affect children and families and the dominant public debates that surround and drive these laws Using real world examples the book exposes the tension between reliance on the private autonomous family and the public s desire to secure child well being A look at some public systems such as child welfare and juvenile delinquency shows that an initial public aspiration to assist children and families is often frustrated by a lack of resolve and resources In other areas such as education and healthcare the public shrinks from a commitment to comprehensive child well being Everyday Law for Children makes a case for the improvement of public systems by focusing on pragmatic goals related to child well being More immediately it makes a case for zealous advocates for children who can have a dramatic impact on children s everyday lives Accordingly the book provides an annotated list of resources and contact information for parents and for service providers who need help addressing specific problems within complex public systems

Biennial Report Texas. Secretary of State,1889

Unhooking from Whiteness Cleveland Hayes,Nicholas D. Hartlep,2013-11-19 The purpose of Unhooking from Whiteness The Key to Dismantling Racism in the United States is to reconsider the ways and strategies in which antiracist scholars do their work as well as to provide pragmatic ways in which people White and of color can build cross racial cross communal and cross institutional coalitions to fight White supremacy Employing the methodology of autoethnography each chapter in this book illustrates the individual journey that the chapter contributor took to unhook him or herself from Whiteness Unhooking from Whiteness explains Whiteness in ways never conceptualized before The chapters suggest approaches to unhooking from Whiteness while sharing the authors continual struggles to identify and eradicate the role of Whiteness in education and society in the United States The contributors to Unhooking from Whiteness offer us the invaluable gift of their stories humble reflections on commitments to racial justice and complicities with racial injustice But they aren t merely stories and this is the brilliance of the book they are invitations into a reconsideration of the common sense discussions about the nature of white privilege the possibility of white anti racism and the pervasive tug of whiteness This is the rare book that shifts the angle and changes the conversation Paul Gorski Coordinator of the Social Justice Concentration George Mason University

Biennial Report ,1890

Routledge International Handbook of Social Justice Michael Reisch,2014-04-03 In a world where genocide hunger poverty war and disease persist and where richer nations

often fail to act to address these problems or act too late a prerequisite to achieving even modest social justice goals is to clarify the meaning of competing discourses on the concept Throughout history calls for social justice have been used to rationalize the status quo promote modest reforms and justify revolutionary even violent action Ironically as the prominence of the concept has risen the meaning of social justice has become increasingly obscured This authoritative volume explores different perspectives on social justice and what its attainment would involve It addresses key issues such as resolving fundamental questions about human nature and social relationships the distribution of resources power status rights access and opportunities and the means by which decisions regarding this distribution are made Illustrating the complexity of the topic it presents a range of international historical and theoretical perspectives and discusses the dilemmas inherent in implementing social justice concepts in policy and practice Covering more than abstract definitions of social justice it also includes multiple examples of how social justice might be achieved at the interpersonal organizational community and societal levels With contributions from leading scholars around the globe Reisch has put together a magisterial and multi faceted overview of social justice It is an essential reference work for all scholars with an interest in social justice from a wide range of disciplines including social work public policy public health law criminology sociology and education

Courage, Resistance, and Women in Ciudad Juárez Kathleen Staudt, Zulma Y. Méndez, 2015-01-15 Ciudad Ju rez has recently become infamous for its murder rate which topped 3 000 in 2010 as competing drug cartels grew increasingly violent and the military responded with violence as well Despite the atmosphere of intimidation by troops police and organized criminals women have led the way in civil society activism spurring the Ju rez Resistance and forging powerful alliances with anti militarization activists An in depth examination of la Resistencia Juarense Courage Resistance and Women in Ciudad Ju rez draws on ethnographic research to analyze the resistance s focus on violence against women as well as its clash with the war against drugs championed by Mexican President Felipe Calder n with the support of the United States Through grounded insights the authors trace the transformation of hidden discourses into public discourses that openly challenge the militarized border regimes The authors also explore the advocacy carried on by social media faith based organizations and peace and justice activist Javier Sicilia while Calder n faced U S political schisms over the role of border trade in this global manufacturing site Bringing to light on the ground strategies as well as current theories from the fields of sociology political anthropology and human rights this illuminating study is particularly significant because of its emphasis on the role of women in local and transnational attempts to extinguish a hot zone As they overcome intimidation to become game changing activists the figures featured in Courage Resistance and Women in Ciudad Ju rez offer the possibility of peace and justice in the wake of seemingly irreconcilable conflict Benito Juarez Defender of Mexican Liberty Sebastian Hale, Ju rez rose from humble beginnings to become Mexico s first indigenous president This book highlights his fight for reform resistance to French occupation and efforts to build a democratic secular state rooted in justice **Drugs, Crime, and**

Justice Larry K. Gaines, Janine Kremling, 2013-12-11 The twenty six articles in this edited volume provide perspective on the interrelated issues surrounding the use of drugs in society Although drugs have long been a social problem the importance of the issue and the involvement of the criminal justice system have varied across time Public concern has typically centered on illegal drugs but the drug issue today is even more complex given the impact of prescription drugs Exaggeration has been a constant theme in the history of public policy on drugs usually playing on public fear to demonize specific drugs and users Some drugs are more dangerous than others The variations in effects impact enforcement prevention and treatment If we are going to criminalize drugs and drug usage policies and penalties should be based on the relative dangerousness of a drug or class of drugs Policies can reduce harm create harm or both Our current drug policies attempt to reduce harm through law enforcement We arrest anyone involved in drug activities under the premise of protecting society These same policies however result in the incarceration of large numbers of people they are expensive they overburden the criminal justice system and they have lasting consequences for those caught up in the drug war no matter how minor their offenses Drug policies should be weighed carefully implementing those that result in the least amount of harm to society The editors have collected timely articles that provide perspective and a foundation for an informed approach to addressing problems associated with drug use

Gangs of the El Paso-Juárez Borderland Mike Tapia, 2019-12-15 This thought provoking book examines gang history in the region encompassing West Texas Southern New Mexico and Northern Chihuahua Mexico Known as the El Paso Ju rez borderland region the area contains more than three million people spanning 130 miles from east to west From the badlands the historically notorious eastern Valle de Ju rez to the Puerto Palomas port of entry at Columbus New Mexico this area has become more militarized and politicized than ever before Mike Tapia examines this region by exploring a century of historical developments through a criminological lens and by studying the diverse subcultures on both sides of the law Tapia looks extensively at the role of history and geography on criminal subculture formation in the binational urban setting of El Paso Ju rez demonstrating the region s unique context for criminogenic processes He provides a poignant case study of Homeland Security and the apparent lack of drug war spillover in communities on the US Mexico border

Feminism and Global Justice Kerry Carrington, 2014-10-17 In this book Kerry Carrington takes a bold critical and reflexive approach to understanding the global divisions and inequalities that shape distinctive patterns of gender and crime The book argues that in order for feminist criminology to enhance its conceptual and political relevance in the twenty first century bold new directions in scholarship on gender crime and global justice are required that also take into account global divisions and inequalities Issues explored in the book include the forced marriage of child brides female genital mutilation feminicide honour crimes rape and domestic violence and the systemic denial of female rights justified by religion custom or culture It also explores rising rates of violence recorded for women offenders globally and their increasing participation in terrorism as well as troubling male on male violence in anomic spaces cultivated

by globalising forces Feminism and Global Justice argues that the world needs feminism more than ever to address systemic culturally shaped and diverse forms of injustice experienced by females across the globe many of them children It will be essential reading for international and national human rights organisations as well as academics and students engaged in the study of criminology development studies sociology politics and gender studies *Encyclopedia of U.S. - Latin American Relations* Thomas Leonard, Jurgen Buchenau, Kyle Longley, Graeme Mount, 2012-01-31 No previous work has covered the web of important players places and events that have shaped the history of the United States relations with its neighbors to the south From the Monroe Doctrine through today's tensions with Latin America's new leftist governments this history is rich in case studies of diplomatic economic and military cooperation and contentiousness *Encyclopedia of U S Latin American Relations* is a comprehensive three volume A to Z reference featuring more than 800 entries detailing the political economic and military interconnections between the United States and the countries of Latin America including Mexico and the nations in Central America the Caribbean and South America Entries cover Each country and its relationship with the United States Key politicians diplomats and revolutionaries in each country Wars conflicts and other events Policies and treaties Organizations central to the political and diplomatic history of the western hemisphere Key topics covered include Coups and terrorist organizations U S military interventions in the Caribbean Mexican American War The Cold War communism and dictators The war on drugs in Latin America Panama Canal Embargo on Cuba Pan Americanism and Inter American conferences The role of commodities like coffee bananas copper and oil Big Stick and Good Neighbor policies Impact of religion in U S Latin American relations Neoliberal economic development model U S Presidents from John Quincy Adams to Barack Obama Latin American leaders from Simon Bolivar to Hugo Chavez With expansive coverage of more than 200 years of important and fascinating events this new work will serve as an important addition to the collections of academic public and school libraries serving students and researchers interested in U S history and diplomacy Latin American studies international relations and current events

Enjoying the Track of Term: An Mental Symphony within **Juarez Justice**

In a world taken by displays and the ceaseless chatter of immediate conversation, the melodic splendor and mental symphony produced by the published word usually diminish in to the back ground, eclipsed by the constant noise and disturbances that permeate our lives. Nevertheless, situated within the pages of **Juarez Justice** a wonderful literary prize filled with organic thoughts, lies an immersive symphony waiting to be embraced. Constructed by a masterful musician of language, that fascinating masterpiece conducts viewers on a mental trip, well unraveling the hidden songs and profound affect resonating within each carefully crafted phrase. Within the depths of the moving review, we shall explore the book is key harmonies, analyze their enthralling publishing style, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
