Judge Judy Sheindlin's Win Or Lose By How You Choose:

Judge Judy Sheindlin's Win Or Lose by How You Choose Judy Sheindlin, 2000-02-07 Multiple choice questions about the right thing to do in different situations Win Or Lose by How You Choose! Judy Sheindlin, Bob Tore, 2000-03 Multiple choice questions about the right thing to do in different situations **Judge Judy Sheindlin's Win Or Lose by how You Choose!** Judy Sheindlin, 2001-01-25 The famous Family Court judge has seen disastrous results of people making the wrong choices and draws on those experiences in her book now available in paperback Judge Judy presents young readers with questions about situations they face every day provides a series of possible answers and asks kids to decide which is the right response By encouraging parents and children to talk through the answers together and explore the consequences for each action Judge Judy dares kids to make winning choices for life **Judge Judy Sheindlin's You Can't Judge a Book by Its Cover** Judge Judy Sheindlin, 2002-06-18 Which would you do judge Judy challenges you to be the judge It s the first day of school and your teacher looks very tough You should Give him a hard time because you think he s going to give you a hard time Try to get out of his class Be extra well behaved maybe he ll like you Give him a chance maybe he s really nice Kids develop a sense of morality at an early age but parents often need help teaching them how to make good decisions Judge Judy s first book Win or Lose by How You Choose wowed critics and topped three best seller lists by presenting kids with questions about real life dilemmas and asking them to select the right response from a list of choices In You Can t Judge a Book by Its Cover Family Court judge and popular TV show presenter Judge Judy tackles the moral choices kids encounter every day at school By setting up recognizable scenarios and then challenging kids to judge which of four responses best fits the case judge Judy creates a platform for adults and children to talk through the answers together **Martian in the Playground** Clare Sainsbury, 2009-09-30 This deceptively little book contains more truth and provides more insight into what it is like to have Asperger s Syndrome than many a weighty tome on the subject It offers a view from the inside but it is not yet another autobiography Admirably and refreshingly the author has refrained from giving an account solely based on her own experiences Instead she sets out observations from 25 different sufferers giving often astonishing and sometimes harrowing glimpses of what actually happens to a child with Asperger s Syndrome in the classroom in the playground in the lunch queue and at home The Journal of Child Psychology and Psychiatry This award winning book illuminates what it means to be a person who has Aspergers Syndrome by providing a window into a unique and particular world Drawing on her own experience of schooling and that of a network of friends and correspondents who share her way of thinking and responding Clare Sainsbury reminds us of the potential for harm which education holds for those who do not fit This book holds insights that take us beyond the standard guidance on how to manage autistic spectrum disorder It challenges the way we might handle obsessional behaviour It invites us to celebrate the pure passion of the intellect which such obsessions can represent and to recognise the delight which can be experienced by children who love to collect It reminds us that many of the autistic

mannerisms we might try to suppress actually help the child to think This revised edition includes an additional introduction and extensive summary of research in the field of Asperger s Syndrome both by Tony Attwood The Complete Guide to Asperger's Syndrome Tony Attwood,2007 A guide to Asperger s syndrome describes what it is and how it is diagnosed along with information on such topics as bullying emotions language movement cognitive ability and long term relationships

Clow, Martha C. Hopkins,2001 The parent guide contains activities that are fun for parents and children to do together to enhance learning personal financial principles and skills Britannica Book of the Year 2013 Encyclopaedia Britannica, Inc.,2013-03-01 The Britannica Book of the Year 2013 provides a valuable viewpoint of the people and events that shaped the year and serves as a great reference source for the latest news on the ever changing populations governments and economies throughout the world It is an accurate and comprehensive reference that you will reach for again and again

School Library Journal ,2001 **The Martin Method** Lyn S. Martin,2004-08 Do you want your children to behave well for fear of punishment or to get a reward Or do you want your kids to behave well because it is the right thing to do This book is about moral development and conscience building in the raising of children It is not religious in nature but is a response to trends seen by my parents and educators of a decline in the kinds of thinking in our youth that lead to compassion empathy and good judgment In ten simple steps the Martin Method provides a tool that help incorporate life s moral lessons into daily opportunities for discipline It is a very logical common sense approach geared toward the development of your child s conscience self discipline and an inner moral compass one that will eventually automatically deliver to the child the right and wrong choices of behavior The method takes only minutes to implement and best of all puts responsibility for his or her actions directly on your child keeps tempers in check and avoids the ineffectiveness of punishments and rewards Always remember children are not good or bad but their behavior can be right or wrong U.S. News & World Report ,2000
