Cultivating a Life of Character Elizabeth George, 2002-02-01 In the midst of the dark days of the Judges God faithfully raised up men and women of character to lead his people Journey through Judges and Ruth and marvel at the godly character of women such as Deborah Jephthah's daughter Samson's mother Naomi and Ruth God's woman of excellence Women seeking God's heart are encouraged to See giant of the faith potential in ordinary lives Cultivate the good qualities of character Honor God's faithfulness with our own Judges Abraham Kuruvilla MD, 2017-06-05 Judges A Theological Commentary for Preachers engages hermeneutics for preaching employing theological exegesis that enables the preacher to utilize all the units of the letter to craft effective sermons This commentary unpacks the crucial link between Scripture and application the theology of each preaching text i.e. what the author is doing with what he is saying Judges is divided into fourteen preaching units and the theological focus of each is delineated The overall theological trajectory or theme of the book deals with the failure of leadership in the community of God's people Since God's people are all called to be leaders in

some arena to some degree in some fashion the lessons of Judges are applicable to all Christians The specific theological thrust of each unit is captured in this commentary making possible a sequential homiletical movement through each pericope of Judges While the primary goal of the commentary is to take the preacher from text to theology it also provides two sermon outlines for each of the twelve preaching units of Judges The unique approach of this work results in a theology for preaching commentary that promises to be useful for anyone teaching through Judges with an emphasis on application

Secrets of the Prince of Expositors Michael Hawk Mills, 2025-04-25 Crowds thronged to hear Alexander Maclaren Some tried to bribe the doormen for a seat and extra chairs often had to be placed on stage next to the pulpit What drew so many to travel to Manchester England to hear a preacher Maclaren knew how to apply the text to real life His dedication to expository preaching was unique in his day and even surpassed that of his friend Charles Haddon Spurgeon His ministry remains as a needed model for today because countless congregants still see the Bible as stories with little or no relevance to their daily duties Every Sunday people go to a Bible study listen to a sermon or read Scripture and they leave without transforming any part of their lives Despite consistently studying the Bible some people show little difference between the way they act now and the way they acted years ago This problem partially comes down to a lack of good biblical application coming from preachers and teachers of Scripture Maclaren's sermons as well as his essay *An Old Preacher on Preaching* teach expositors today how to make the Bible's truths come alive and be applicable

Judges 1 Mark S. Smith, Elizabeth M. Bloch-Smith, 2021-11-23 This groundbreaking volume presents a new translation of the text and detailed interpretation of almost every word or phrase in the book of Judges drawing from archaeology and iconography textual versions biblical parallels and extrabiblical texts many never noted before Archaeology also serves to show how a story of the Iron II period employed visible ruins to narrate supposedly early events from the so called period of the Judges The synchronic analysis for each unit sketches its characters and main themes as well as other literary dynamics The diachronic redactional analysis shows the shifting settings of units as well as their development commonly due to their inner textual reception and reinterpretation The result is a remarkably fresh historical critical treatment of 1 1 10 5

The Rhetoric of the Book of Judges Robert H. O'Connell, 2014-09-03 This volume describes how the rhetorical devices used in Judges inspire its readers to support a divinely appointed Judahite king who endorses the deuteronomic agenda to rid the land of foreigners to maintain inter tribal loyalty to YHWH's cult and to

uphold social justice Matters of rhetorical concern interpreted here include the superimposed cycle motif and tribal political schemata concerns reflected in the plot layers of each hero story the force of narrative analogy for characterization the strategy of entrapment which foreshadows portrayals of Saul and David in 1 Samuel and the relation between Judges implied situation of composition and its compiler's intention In addition to offering new insights into the rhetorical strategy of the Judges compiler this book illustrates a new method for understanding how plot layered stories work **The Compilational History of the Megilloth** Timothy J. Stone, 2013-11-05 Are the books of the Megilloth an anthology of unrelated writings Timothy J Stone explores the canonical shape of the third part of the Hebrew canon the Writings and concludes that the codification of the Megilloth into a collection is integral to the canonical process Back cover *Joshua, Judges, Ruth* John Gray, 1986
