Judgment Of Thomas:

Trial of captain Thomas Atchison ... by a general court martial, at Malta Thomas Atchison (capt.),1825 The Works of Thomas Reid, D.D. D., Now Fully Collected, with Selections from His Unpublished Letters* Thomas Reid,1849 *The Enigma of Clarence Thomas* Corey Robin,2019-09-24 The Enigma of Clarence Thomas is a groundbreaking revisionist take on the Supreme Court justice everyone knows about but no one knows One of the marvels of Robin s razor sharp book is how carefully he marshals his evidence It isn t every day that reading about ideas can be both so gratifying and unsettling The New York Times Most people can tell you two things about Clarence Thomas Anita Hill accused him of sexual harassment and he almost never speaks from the bench Here are some things they don t know Thomas is a black nationalist In college he memorized the speeches of Malcolm X He believes white people are incurably racist In the first examination of its kind Corey Robin one of the foremost analysts of the right The Reactionary Mind delves deeply into both Thomas s biography and his jurisprudence masterfully reading his Supreme Court opinions against the backdrop of his autobiographical and political writings and speeches The hidden source of Thomas s conservative views Robin shows is a profound skepticism that racism can be overcome Thomas is convinced that any government action on behalf of African Americans will be tainted by racism the most African Americans can hope for is that white people will get out of their way There s a reason Robin concludes why liberals often complain that Thomas doesn t speak but seldom pay attention when he does Were they to listen they d hear a racial pessimism that often sounds similar to their own Cutting across the ideological spectrum this unacknowledged consensus about the impossibility of progress is key to understanding today s political stalemate **The Works of Thomas Reid ...
