Judicial System of the Marathas Vithal Trimbak Gune, 1953 Administrative System of the Marathas Surendra Nath Sen, 1925 The Judicial System Of The Marathas Vithal Trimbak Gune, 2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The Marathas 1600-1818** Stewart

Gordon, 2007-02-01 In this book Dr Stewart Gordon presents the first comprehensive history of the Maratha polity which was an important regional kingdom in the seventeenth century and the largest political entity of eighteenth century India He focuses on the origins of the elite families problems of legitimacy and loyalty military organization and change and the development of administration tax collection and religious patronage Through the use of a vast array of documents the author also gives a picture of everyday life in the Maratha polity **The Marathas** Prof. A. R. Kulkarni, 2008-07-01

Marathas and the Maratha Country under this general theme we have already published two books of Professor A R Kulkarni namely 1 Maharashtra in the Age of Shivaji and 2 Maharashtra Society and Culture We are now introducing his four books under the same series containing research articles based on original source and published in various journals They are i The Marathas 1600-1818 a brief survey ii Medieval Maratha Country essays throwing fresh light on the various aspects of land and people of the region iii Medieval Maharashtra containing essays on Village Communities social relations jiziya etc and iv Studies in Maratha History which also includes articles of some other foreign and Indian scholars on Maratha historiography

John Briggs in Maharashtra Arvind M. Deshpande, 1987 Study of the administration of John Briggs 1785-1875 collector and political agent in Khandesh *Deccan in Transition, 1600 to 1800* Umesh Ashok Kadam, 2023-03-31 This book presents the socio-cultural and historical trajectories of the Deccan plateau as well as the coastal areas of the current states of Andhra Pradesh Maharashtra Karnataka and Goa It studies the art of diplomacy by discussing the diplomatic relations between the Marathas and various European companies as well as the indigenous regional states The author also probes into the Maratha naval policy the evolution of a composite Deccani culture and the cultural flux that was taking place within the Maratha country Through an interdisciplinary lens the volume examines how caste and gender relations operated how the idea of dissent was generated as well as the socio-political impact of various linguistic ethnic and religious groups Through a study of monuments sculpture and paintings prevalent in the region the book also discusses the developments in art and architecture in the Deccan Rich in archival sources this book is a must-read for scholars and researchers of Indian history colonial history South Asian history Maratha history and history in general

BRIEF CULTURAL HISTORY OF BASAVAKALYANA Dr. Shivakumar V. Uppe, 2022-07-30 Religion has played a very important role in India from remotest times It has moulded the individual life and has greatly influenced the social and cultural life also In fact in India religion has been an inseparable part of the life of an individual as also of the society as a whole There is religion to believe that even in pre and Post historical man pursued some religious practices or the other though it is difficult to find out their exact nature Right from the Vedic days religion has served as the foundation of social and cultural life of the Indian people 1 The Chalukyas were a Scythian race and derived their origin from one of the four classes of Buddhist followers called Chailaka They claimed their descent from Manu through Hariti and were known as Agnikulas from their devotion to the worship of fire They were included in the thirty-six races of the Kshatriyas and belonged to the lunar family Religious Cultures in Early Modern India Rosalind O'Hanlon, David Washbrook, 2014-01-02 Religious authority and political power have existed in complex relationships throughout India's history The centuries of the early modern in South Asia saw particularly dynamic developments in this relationship Regional as well as imperial states of the period expanded their religious patronage while new sectarian centres of doctrinal and spiritual authority emerged beyond the confines of the state Royal and merchant patronage stimulated the growth of new classes of mobile intellectuals deeply committed to the reappraisal of many aspects

of religious law and doctrine. Supra regional institutions and networks of many other kinds, sect based religious maths, pilgrimage centres and their guardians, saints and sufi orders flourished offering greater mobility to wider communities of the pious. This was also a period of growing vigour in the development of vernacular religious literatures of different kinds and often of new genres blending elements of older devotional, juridical and historical literatures. Oral and manuscript literatures too gained more rapid circulation although the meaning and canonical status of texts frequently changed as they circulated more widely and reached larger lay audiences. Through explorations of these developments the essays in this collection make a distinctive contribution to a critical formative period in the making of India's modern religious cultures. This book was published as a special issue of *South Asian History and Culture*. **Lineages of Brahman Power** Rosalind

O'Hanlon, 2025-07-01. Traces the role that western India's influential Brahman communities played in shaping India's modern caste system. Western India's Brahman communities have played a key role in the shaping of India's modern caste system. In *Lineages of Brahman Power* Rosalind O'Hanlon focuses on their rise to power between the seventeenth and nineteenth centuries, exploring the ways in which some Brahman intellectuals sought to defend the hierarchies of caste against the social changes of the early modern era while others looked for compromise. Drawing on Marathi vernacular sources, O'Hanlon also examines the household, family and lineage as key sites for Brahman accumulation of skills and cultural capital. This approach also reveals Brahman identity itself as contested as Brahman subcastes competed with each other not only for service positions and state patronage but also to define who could actually be considered a Brahman and of what kind. This focus on Brahman social history is novel in that most historians focus on Brahman power as emerging out of their religious prestige and dominance of intellectual and literary cultures. The emphasis on Brahman identity itself as complex and internally contested also helps to avoid essentializing Brahman power as always and everywhere the same. *Hinduism and Law*

Timothy Lubin, Donald R. Davis Jr., Jayanth K. Krishnan, 2010-10-21. Covering the earliest Sanskrit rulebooks through to the codification of Hindu law in modern times, this interdisciplinary volume examines the interactions between Hinduism and the law. The authors present the major transformations to India's legal system in both the colonial and post colonial periods and their relation to recent changes in Hinduism. Thematic studies show how law and Hinduism relate and interact in areas such as ritual, logic, politics and literature, offering a broad coverage of South Asia's contributions to religion and law at the intersection of society, politics and culture. In doing so, the authors build on previous treatments of Hindu law as a purely text based tradition and in the process provide a fascinating account of an often neglected social and political history.

Advanced Study in the History of Modern India 1707-1813 Jaswant Lal Mehta, 2005-01-01. An analytical and critical account of the political history of early modern India from 1707 to 1813. The narrative shatters the contention of contemporary European writers that it was the dark age of Indian history characterised by political anarchy and misgovernment until the British brought it under their sway. The main thesis of the author is that the period was marked by

two distinct phases the first phase which lasted from 1707 to 1760 saw the rapid disintegration of the Mughal power and its replacement by the Maratha hegemony Meanwhile the English traders turned colonialists after consolidating their hold along the Indian seacoasts and conquest of Carnatic and Bengal challenged the Maratha hegemony The second phase of developments was thus marked by the struggle for supremacy between these two powers The author makes use of contemporary English and Marathi sources and the intensive researches of modern historians to portray a compact picture of their findings in the form of a text book for the benefit of the degree students Historical facts are reinterpreted through illuminating expositions refreshing characterisation of historic personalities and objective assessment of events and movements Together with maps a select bibliography glossary and an elaborate index the volume makes a rich contribution to the advancement of modern historical literature

Of Property and Propriety Himani Bannerji, Shahrzad Mojab, Judith Whitehead, 2001-01-01 This collection of essays examines property relations moral regulations pertaining to gender and nationalism in India Kurdistan Ireland and Finland

Law Addressing Diversity Gijs Kruijtzer, Thomas Ertl, 2017-09-25 Of late historians have been realising that South Asia and Europe have more in common than a particular strand in the historiography on the rise of the West would have us believe In both world regions a plurality of languages religions and types of belonging by birth was in premodern times matched by a plurality of legal systems and practices This volume describes case by case the points where law and social diversity intersected

The Satara Raj, 1818-1848 Sumitra Kulkarni, 1995 **Document Raj** Bhavani Raman, 2012-11-07 Historians of British colonial rule in India have noted both the place of military might and the imposition of new cultural categories in the making of Empire but Bhavani Raman in Document Raj uncovers a lesser known story of power the power of bureaucracy Drawing on extensive archival research in the files of the East India Company's administrative offices in Madras she tells the story of a bureaucracy gone awry in a fever of documentation practices that grew ever more abstract and the power both economic and cultural this created In order to assert its legitimacy and value within the British Empire the East India Company was diligent about record keeping Raman shows however that the sheer volume of their document production allowed colonial managers to subtly but substantively manipulate records for their own ends increasingly drawing the real and the recorded further apart While this administrative sleight of hand increased the company's reach and power within the Empire it also bolstered profoundly new orientations to language writing memory and pedagogy for the officers and Indian subordinates involved Immersed in a subterranean world of delinquent scribes translators village accountants and entrepreneurial fixers Document Raj maps the shifting boundaries of the legible and illegible the legal and illegitimate that would usher India into the modern world

Images of Women in Maharashtrian Society Anne Feldhaus, 1998-01-01 This volume a companion to Images of Women in Maharashtrian Literature and Religion SUNY Press 1996 approaches more closely the realities of women's lives Using historical documents from the eighteenth and nineteenth centuries and photographs interviews and conversations

from the twentieth the book constructs images of the conditions of women's lives in the modern state and traditional region of Maharashtra over the past three hundred years. The authors search for the ideas, understandings and judgments that have shaped those conditions for the conscious and unconscious images that have made women's lives what they have been. The contributors examine ways femininity and the power status and potential of women have been viewed. actual women emphasizing ideas about women. Understanding ideas of this kind is a necessary first step toward understanding and perhaps eventually affecting the actualities of women's lives. This book is divided into three parts. Part I is based on documentary sources from the eighteenth century. Part II explores the subjects and terms of the conservatism versus reform debate in Maharashtra and thus complements recent studies on images of women in Bengal and other parts of North India during the colonial period. Part III which presents contemporary images of women in Maharashtra includes an examination of village women's work, a photo essay, an oral life history and a bibliographical essay.

A New Look at Modern Indian History (From 1707 to The Modern Times), 32e Grover B.L. & Mehta Alka, 2018. It is one of the bestselling books on Modern Indian History covering the time line from 1707 to the modern times. The book covers the entire gamut in a very unique style; it mentions not only factual data about various topics but also provides information about different interpretations put forth by Western and Indian historians with an integrated analysis. This makes the book equally useful for undergraduate students of History and aspirants appearing for various competitive examinations.

A New Look at Modern Indian History : From 1707 to The Modern Times B L Grover & Alka Mehta, Modern Indian History particularly the Indian National Movement has been one of the essential parts of UPSC Civil Services Examination and other competitive examinations conducted by Union Public Service Commission and State Public Service Commission. This book is written in lucid language covering the timeline from 1707 to the modern times. A special feature of the book is that it mentions not only factual data about various topics but also gives information about different interpretations put forward by Western and Indian historians with an integrated analysis. This makes the book equally useful for undergraduate students of History.
