Osip Mandelstam Ralph Dutli, 2023-05-30 The personal and political life of the iconic Russian poet Osip Mandelstam is graphically portrayed in this lavishly illustrated book This is the first full scale biography of Osip Mandelstam to combine an analysis of his poetry with a description of his personal life from his beginnings as a young intellectual in pre revolutionary Russia to his final fate as a victim of Stalinism The myth has grown up that Mandelstam was a gloomy miserable figure Dutli deconstructs this stressing Mandelstam's enjoyment of life There are several underlying themes here One is Mandelstam's Jewish background in pre 1914 Russia which he rejected as a young man but reaffirmed in later life Another is the inescapable impact of Russia's political and social transformation His evolution as a poet naturally occupies a large place in the biography which quotes many of his most famous poems including his devastating anti Stalin epigram He produced wonderful poetry before the October Revolution but did not reach his full poetic stature until the 1930s when in exile in Voronezh He was never an official Soviet poet and it was only thanks to the intervention of Bukharin that he was brought back from utter impoverishment The biography gives full weight to his emotional life beginning with his friendship with two other Russian poets Marina Tsvetaeva and Anna Akhmatova followed by love and marriage to Nadezhda Khazina

State of Madness Rebecca Reich, 2018-03-13 What madness meant was a fiercely contested question in Soviet society State of Madness examines the politically fraught collision between psychiatric and literary discourses in the years after Joseph Stalin's death State psychiatrists deployed set narratives of mental illness to pathologize dissenting politics and art Dissidents such as Aleksandr Volpin Vladimir Bukovskii and Semen Gluzman responded by highlighting a pernicious overlap between those narratives and their life stories The state they suggested in their own psychiatrically themed texts had crafted an idealized view of reality that itself resembled a pathological work of art In their unsanctioned poetry and prose the writers Joseph Brodsky Andrei Siniavskii and Venedikt Erofeev similarly engaged with psychiatric discourse to probe where creativity ended and insanity began Together these dissenters cast themselves as psychiatrists to a sick society By challenging psychiatry's right to declare them or what they wrote insane dissenters exposed as a self serving fiction the state's renewed claims to rationality and modernity in the post Stalin years They were as they observed like the child who breaks the spell of collective delusion in Hans Christian Andersen's story The Emperor's New Clothes In a society where normality means insisting that the naked monarch is clothed it is the truth teller who is pathologized Situating literature's encounter with psychiatry at the center of a wider struggle over authority and power this bold interdisciplinary study will appeal to literary specialists

historians of culture science and medicine and scholars and students of the Soviet Union and its legacy for Russia today

Poetry, Poets, Readers Peter Robinson, 2002 Poetry Poets Readers is a defence of poetry against the protective moves which claim that poets never lie because they never affirm or that their poems exist in a separate world These much reiterated manoeuvres for safe guarding poetry by banishing it from an active role in life can paradoxically go hand in hand with a poet's yearning for the authority of a legislator Through detailed considerations of poetry by Shakespeare Keats Yeats Auden Elizabeth Bishop and Paul Muldoon along with sustained meditations on question forms in poems the role of fact in fictions the nature of literary value speech acts and performative utterances issued by poets the book sets out a fresh model for relationships between poetry poets and readers one which allows the historical fact of poems having made things happen to be itself happening Peter Robinson himself an award winning poet explores what we do by imagining when we read or write poems In describing how poetry poets and readers make things happen the poet offers us an invitation and implies a promise Taking up the one we find out how to keep the other
