Lessons From The Porch A Gathering Place For Telling Our Stories:

Lessons from the Porch Ed Poole, 2003 Lessons from the Porch is Ed Poole's thoughtful memoir of life's lessons which he shares with endearing charm and good natured heart. The book is a thoughtful journey and an engaging reminiscence. Lessons from the Porch will allow the reader to consider questions such as: Have you wondered how you arrived at your current stop along your journey? Have you ever asked the question: What am I supposed to be learning from this experience? How can I leave this world a bit better than it was when I found it? Although written about his own experience battling depression, the book is meant for anyone embarking on a journey to know themselves and cultivate new friendships. We all have places from which we learn life's lessons. For some it may be sitting beside a meandering stream. For this author, the place to which he returned to understand his journey was the porch that surrounded his house as he grew up. Metaphorically, Poole's porch represents how he either has or has not accepted changes in his life. The dilemma about how and when to leave his porch goes back to his early boyhood when his mom would always say: Eddie, don't get too close to the edge of the porch because you might fall off.

Lessons from the Crossroads Ed Poole, 2007-06 Lessons from the Crossroads is full of stories and tales Ed has heard from others, tales that are now part of his life. The story of any one of us is in part the story of all of us. By telling the story of his experiences of reclaiming his authentic path, Ed inspires his readers as they discover humor, joy, laughter, personal meaning in their own lives, some sadness, but most of all, a sense of hope, love, forgiveness, and personal excitement for the times their lessons are learned from their own crossroads experiences. While reading this book, you will become aware of the changes Ed experienced in his life, which will provide insight into the many changes you have created in yours as your journey led you to your different crossroads. Ed shares his feeling about many of his struggles, concepts, and relationships as he shares his insights throughout. Lessons from the Crossroads. Ed also has the unique ability to share his growth from the beginning of this manuscript to the end, and you will rejoice in his transformation as well as receive inspiration and courage to continue yours. It is the joy of sharing these stories as you write your own that will create a heartfelt connection to Ed and his wisdom for years to come.

60 Going on Fifty Ed Poole, Kathi Poole, 2010-06-15 Old friends from the class of 1960 at an Indiana high school share nostalgic memories as their fiftieth reunion draws near. This is the story of sixteen classmates who graduated from Indiana's Columbus High School in May 1960. With their fiftieth high school reunion on the horizon, the Columbus Crew reconnected, and here the guys tell stories about growing up in the 40s, 50s, and 60s and how those times impacted who they are today, offering both a glimpse into history and a delightful ride down Memory Lane. While the stories are unique to the Columbus Crew, they will rekindle memories for anyone who grew up in this glorious era, and for children and grandchildren of baby boomers, they show what life was like in mid-twentieth century America. Let the Columbus Crew take you back to the days of flat tops, LPs, the Hula Hoop, transistor radios, Lassie, 20 cents per gallon gas, big bands, rock and roll, while sharing personal reminiscences of first cars, girlfriends, sports, jobs, getting into
