Burton **You Can't Get There From Here** Ryan Porter, 2019-04-08 Rather than reading small town representations in

Canadian literature as portraits of a parochial past or a lost golden age this book claims that they are best understood as

sophisticated statements on the effects of modernity in an ever more cosmopolitan world In Ontario as urbanization

increased over the past century small towns became a popular literary trope and Ryan Porter argues that literary small towns

are reflections and even sublimated explorations of contemporary life Referencing the theories of heritage scholars who view

popularly understood pasts as constructions shaped by changing sensibilities *You Can t Get There from Here* argues that the

literary small town Ontario past is malleable consisting of attempts to come to terms with the present in which the narrators

find themselves The book focuses on four key Ontario authors Stephen Leacock Robertson Davies Alice Munro and Jane

Urquhart as well as many secondary authors and links the readings to much broader trends in actual Ontario towns and in
