Lestrade And The Sign Of Nine:

Lestrade and the Sign of Nine M J Trow, 2020-09-12 Book two in the Inspector Lestrade series It was a puzzle that faced Scotland Yard from its very beginning whose was the limbless body found among the foundations And in the murderous world of Sholto Lestrade one question is invariably followed by another what do a lecherous rector a devious speculator and a plagiaristic novelist have in common Answer they're all dead each of them with a bloody space where his skull used to be And six others are to join them before our intrepid inspector brings the perpetrator to book But 1886 was a bad year for the Metropolitan Police The People of the Abyss have heard the whisper and the spectre of Communism haunts the land There is a new Commissioner a regular martinet at the Yard And then there is that very odd couple sometime of Baker Street Lestrade braves haunted houses machine gun bullets and two Home Secretaries in his headlong hunt for the truth And at last this is the book that chronicles his now legendary impersonation of the Great Sarah Bernhardt The Police Review was never the same again The Alternative Sherlock Holmes Peter Ridgway Watt, Joseph Green, 2017-03-02 Between 1887 and 1927 Sir Arthur Conan Doyle wrote sixty Sherlock Holmes stories and his great Canon has become the most praised most studied and best known chapter in the history of detective fiction Over twenty thousand publications pertaining to the Sherlock Holmes phenomenon are known to have been published most of them historical and critical studies In addition however almost since the first stories appeared such was their uniqueness and extraordinary attraction that other authors began writing stories based on or derived from them A new genre had appeared pastiches parodies burlesques and stories that attempted to copy or rival the great detective himself As the field widened there was hardly a year in the twentieth century in which new short stories or novels did not appear Many hundreds are now known to have been published some of them written by authors well known for their work in other literary fields The non canonical Sherlock Holmes literature not only constitutes a literary field of considerable historical interest but includes many stories that are both enjoyable and fascinating in their own right Although a large bibliography on these stories exists and a few limited anthologies have been published no attempt has previously been made to collect them all and discuss them comprehensively The Alternative Sherlock Holmes does so it provides a new and valuable approach to the Sherlock Holmes literature as well as making available many works that have for years remained forgotten Presented as an entertaining narrative of interest to both the aficionado and the scholar it provides full bibliographic data on virtually all the known stories in the field Sherlock Holmes. The thirteen stories herein range from the impossibly baffling except for Holmes to the humorous paranormal or simply intellectually intricate You re presented with murder theft treason betrayal love loss and greed All the ingredients to make delicious Holmes meals of mystery But please remember art is in the eye of the beholder So we hope you ll appreciate each creation for what it is an inimitable interpretation of a truly unique Holmes story And for those of you who get lost in abstract art our abstract artists have provided an explanation of what their art means in relation to the story they ve interpreted

Tales of Scotland Yard: Ratcliffe Highway Bianca Jenkins,2024-07-30 Lestrade heard a shout of warning as he rounded the corner and ducked just in time to avoid getting hit in the face His would be assailant swore as Lestrade turned back toward him Sweat dripping face contorted into a scowl he turned as if to escape back the way they had just come only for Smith to catch up blocking his exit Apparently deciding he had a better chance against Lestrade the man turned back to face the younger inspector Don t do it the constable warned You re outnumbered and surrounded Smith simply waited London 1867 Four months after solving a series of child abductions and making a name for himself at Scotland Yard Inspector Lestrade finds himself tackling another difficult case one involving the murder of an unwed mother of two on London s East End Determined to bring the killer to justice Lestrade finds himself in some of the worst parts of the city where danger lurks around every corner and the smallest mistake could cost him everything *The Endeavours of Sherlock Holmes* Mark Wardecker,2022-06-17 A banker finds a photograph of a woman who later appears to him on the street Could she be leading him to an inexorable appointment with fate Does she even exist The Adeptus Exemptus and Imperator of the Esoteric Society of the Roseate Morn is being menaced by a magician with an improbable name Could there be something to his curse Can Holmes and a young girl solve a 300 year old riddle about her family before the Christmas pudding is served Who is Cassandra and why was she trying to disgorge a fish from her throat Join Sherlock Holmes and Dr Watson as they untangle these mysteries and several others while encountering criminals spies and the occasional English eccentric The eight stories collected in *The Endeavours of Sherlock Holmes* are traditional pastiches several of which have appeared previously in such publications as *Sherlock Holmes Mystery Magazine* and *The MX Book of New Sherlock Holmes Stories*

Sherlock Holmes and the Ley Line Murders Allan Mitchell,2017-05-10 The mists of Britain s insula antiquity have drifted into the modernity of the nineteenth century bringing with them echoes of the savage rituals of its ancient peoples The Press has fuelled the Public s fear over dismembered victims discovered at the intersection of ancient ley lines points on the landscape where logic is defied and science is rendered impotent as ancient forces emerge menacingly from the living Earth itself Sherlock Holmes finds he must anchor his superior mind on solid ground to uncover the truth and deliver justice for the victims as the reader accompanies the Intrepid Doctor Watson and the Great Sleuth as they conquer their innermost fears when encountering the mysteries of Britain s ancient Ley Lines the Ancient Ways **The Druid of Death** Richard T. Ryan,2018-07-31 On the morning of the vernal equinox in 1899 Holmes is roused from his bed by Lestrade The inspector has

received a report of a girl brutally murdered at Stonehenge Upon arriving at the famed site Holmes discovers the body of a young woman On her forehead painted in blood is a druidic symbol On her side also in blood is a message written in a strange language that neither Holmes nor Lestrade can decipher The girl was also eviscerated and her organs placed around her body As a final touch branches from yew trees had been artistically arranged around the corpse Holmes senses a malevolent force at work but without data he is powerless As the weeks pass he slowly gathers information about the ancient druids and Celtic mythology and begins to assemble a small army of experts to assist him Expecting the killer to strike again on the summer solstice Holmes and Watson travel to the Nine Ladies in Derbyshire the site of another stone circle that harkens to druidic times While they are holding their vigil Lestrade and his men are off keeping watch over the stone circles at Avebury and several other locations The Great Detective's worst fears are realized when on the morning of the summer solstice he learns that the body of a young man has been discovered in the eye of the White Horse of Uffington Like the first victim he too has been marked with a druidic symbol and his body bears a message Aside from the symbol and the message the only other difference appears to be that his body and organs have been surrounded by willow branches Realizing full well that a maniac reminiscent of the Ripper is on the loose Holmes and Watson find themselves in a race against time as they try to locate the cult identify the killer and prevent another tragedy
