

Let Evening Come

Let the light of late afternoon
shine through chinks in the barn, moving
up the bales as the sun moves down.

Let the cricket take up chafing
as a woman takes up her needles
and her yarn. Let evening come.

Let dew collect on the hoe abandoned
in long grass. Let the stars appear
and the moon disclose her silver horn.

Let the fox go back to its sandy den.
Let the wind die down. Let the shed
go black inside. Let evening come.

To the bottle in the ditch, to the scoop
in the oats, to air in the lung
let evening come.

Let it come, as it will, and don't
be afraid. God does not leave us
comfortless, so let evening come.

GALE, 2016 *Bedtime Stories for Grown-ups* Ben Holden, 2016-10-06 There are few more precious routines than that of the bedtime story So why do we discard this invaluable ritual as grown ups to the detriment of our well being and good health In this groundbreaking anthology Ben Holden editor of the bestselling *Poems That Make Grown Men Cry* challenges how we think about life a third of which is spent asleep He deftly explores not only the science of sleep but also why we endlessly tell stories even to ourselves as we dream Holden combines his own illuminating storytelling with a treasure trove of timeless classics and contemporary gems Poems and short stories fairy tales and fables reveries and nocturnes from William Shakespeare to Haruki Murakami Charles Dickens to Roald Dahl Rabindranath Tagore to Nora Ephron Vladimir Nabokov to Neil Gaiman are all woven together to replicate the journey of a single night's sleep Some of today's greatest storytellers reveal their choice of the ideal grown up bedtime story writers such as Margaret Drabble Ken Follett Tessa Hadley Robert Macfarlane Patrick Ness Tony Robinson and Warsan Shire Fold away your laptop and shut down your mobile phone Curl up and crash out with the ultimate bedside book one you'll return to again and again Full of laughter and tears moonlight and magic *Bedtime Stories for Grown ups* joyfully provides the dream way to end the day and begin the night *Jane Kenyon* Dana Greene, 2023-10-10 Demystifying the Poet Laureate of Depression Pleasure loving sarcastic stubborn determined erotic deeply sad Jane Kenyon's complexity and contradictions found expression in luminous poems that continue to attract a passionate following Dana Greene draws on a wealth of personal correspondence and other newly available materials to delve into the origins achievement and legacy of Kenyon's poetry and separate the artist's life story from that of her husband the award winning poet Donald Hall Impacted by relatives depression during her isolated childhood Kenyon found poetry at college where writers like Robert Bly encouraged her development Her graduate school marriage to the middle aged Hall and subsequent move to New Hampshire had an enormous impact on her life moods and creativity Immersed in poetry Kenyon wrote about women's lives nature death mystical experiences and melancholy becoming in her own words an advocate of the inner life Her breakthrough in the 1980s brought acclaim as a born poet and appearances in the New Yorker and elsewhere Yet her ongoing success and artistic growth exacerbated

strains in her marriage and failed to stave off depressive episodes that sometimes left her non functional Refusing to live out the stereotype of the mad woman poet Kenyon sought treatment and confronted her illness in her work and in public while redoubling her personal dedication to finding pleasure in every fleeting moment Prestigious fellowships high profile events residencies and media interviews had propelled her career to new heights when leukemia cut her life short and left her husband the loving but flawed curator of her memory and legacy Revelatory and insightful Jane Kenyon offers the first full length biography of the elusive poet and the unquiet life that shaped her art *Signifying Pain* Judith Harris,2012-02-01 A deeply personal yet universal work Signifying Pain applies the principles of therapeutic writing to such painful life experiences as mental illness suicide racism domestic abuse and even genocide Probing deep into the bedrock of literary imagination Judith Harris traces the odyssey of a diverse group of writers John Keats Derek Walcott Jane Kenyon Michael S Harper Robert Lowell and Ai as well as student writers who have used their writing to work through and past such personal traumas Drawing on her own experience as a poet and teacher Harris shows how the process can be long and arduous but that when exercised within the spirit of one s own personal compassion the results can be limitless Signifying Pain will be of interest not only to teachers of creative and therapeutic writing but also to those with a critical interest in autobiographical or confessional writing more generally **Let Evening Come** Jane Kenyon,1992 *The Art of Losing* Kevin

Traveling on Grace Street Jeff Blake,2013-07 Traveling on Grace Street The most important lesson I have learned in the fifty years I have spent working toward the building of a better world is that the true work of social transformation starts within It begins inside your own heart and mind Thus to truly revolutionize our society we must first revolutionize ourselves It s been a long journey all the way from stepping off a cotton farm in Alabama to the epicenter of the struggle for civil rights in America Some days when I go to my office in the early morning and look out over the great monuments beyond the Capitol I think How could this be How could a poor boy from Alabama have lived such a life I tell you it has been the grace of God Jeff Blake a brother from Alabama has written the story of grace in his own journey and I am pleased to commend his Traveling on Grace Street to you He too has been in the struggle He too has kept his eye on the prize John Lewis United States Congressman Atlanta Georgia

What Persists Judith Kitchen,2016 What Persists contains eighteen of the nearly fifty essays on poetry that Judith Kitchen published in The Georgia Review over a twenty five year span Coming at the genre from every possible angle this celebrated critic discusses work by older and younger poets most American but some foreign and many of whom were not yet part of the contemporary canon Her essays reveal a cultural history from the dismantling of the Berlin Wall through 9 11 and the Iraq War and move into today s political climate They chronicle personal interests while they also make note of what was happening in contemporary poetry by revealing overall changes of taste both in content and in the use of craft Over time they fashion a comprehensive overview of the contemporary literary scene At its best What Persists shows what a wide range of poetry is being written by women men poets who celebrate their ethnicity poets who show a fierce individualism poets whose careers have soared promising poets whose work has all but disappeared

The Poetry of Loss Judith Harris,2023-05-15 The Poetry of Loss Romantic and Contemporary Elegies presents a renewed look at elegy as a long standing tradition in the literature of loss exploring recent shifts in the continuum of these memorial poems This volume investigates the tensions arising in elegiac formulations of grief

through detailed analyses of seminal poets including Wordsworth Keats and Plath using psychoanalytic precepts to reconceptualize consolation through poetic strategies of inner representation and what it might mean for personal and collective experiences of loss Tracing the development of elegy beyond extant readings this volume addresses contemporary constructs of mourning and their attendant polemics within the wider culture as extensions of elegiac longings and the tendency to refuse consolation and cede to the endlessness of grief Furthermore this book concludes that contemporary elegies break with conventions of poetic structure and expression rather than the poets seeking resolution to grief through compensation they often find themselves dwelling within the loss rather than externalizing and transcending it *The Poetry of Loss Romantic and Contemporary Elegies* examines these developing psychoanalytic concepts pertaining to a poetics of loss providing readers with a new appreciation of mourning culture and contemporary attitudes towards grief *Indianapolis Monthly*, 2006-09 *Indianapolis Monthly* is the Circle City's essential chronicle and guide an indispensable authority on what's new and what's news Through coverage of politics crime dining style business sports and arts and entertainment each issue offers compelling narrative stories and lively urbane coverage of Indy's cultural landscape *The Crafty Poet II: A Portable Workshop* Diane Lockward, 2017-01-10 *The Crafty Poet II* is organized into ten sections beginning with *Revising Your Process* That section is followed by one on *Entryways into Poems* which considers how a poet might get going with a poem and how a poet might pull in a reader with humor and enticing titles There is in depth discussion of the importance of choosing the right words using syntax line breaks and spacing to advantage and enhancing the music of poems There is a meaty section on how to add complication to your poems another on how to divert or transform your poems from their original intention and another on special forms of poems In *Expanding the Material* three poets consider how to write poetic sequences using paintings photographs and history The final section *Revision* moves beyond the usual advice to get rid of adjectives as one poet offers ways to revise via sound another offers a series of expansion strategies and finally poet Dick Allen issues a warning against excessive revision All ten sections include three craft tips each provided by an experienced accomplished poet Each of these thirty craft tips is followed by a Model poem and a Prompt based on the poem Each model poem is used as a mentor expressing the underlying philosophy of the book that the best teacher of poetry is a good poem Each prompt is followed by two Sample poems which suggest the possibilities for the prompts and should provide for good discussion about what works and what doesn't Each section includes a Poet on the Poem Q A about the craft elements in one of the featured poet's poems Each section concludes with a Bonus Prompt each of which provides a stimulus on those days when you just can't get your engine started *Faith and Doubt* Patrice Vecchione, 2007-04-03 A collection of poems from around the world that explores the many facets of faith and doubt *Beyond the Sunset* Ron Shafer, 2023-08-31 In *Beyond the Sunset* the sixth novel in Ron Shafer's *There Is a River* saga two cultures repeatedly collide Jude and Cory's world of love embodied in their beautiful wedding and honeymoon clashes with the world of the carnal thugs The intelligent Todd Cravener pitifully caught in

the crossfire between the two worlds deals with the overwhelming guilt of his girlfriend's death. Is there hope for such misdirected people who botch their lives so completely? In the words of one reader, Todd is like many people today: forlorn, hopeless, and scared. The lives of the antagonists and the protagonists of these two worlds crisscross in a series of breath-taking episodes which build to a riveting climax during Kittanning's Light up Night when the inebriated stooges kidnap two innocent people. That a reader shares is one of the most suspenseful scenes I've read in modern fiction. My pulse soared. Will the daring rescue scheme succeed?
