Let The Lion Eat Straw:

Let the Lion Eat Straw Ellese Southerland, 2005-06-28 Hailed upon publication by writers and critics alike including Shirley Hazzard and Charles Johnson *Let the Lion Eat Straw* is a dazzling novel that tells the story of Abeba Williams whose mother abandons the poverty of the South and in the process her daughter for opportunities up North Missing her mother she clings to Mamma Habblesham a woman with enviable reserves of love and hope Their affection for each other seems boundless until Abeba's mother returns to take her to Brooklyn As Abeba grows up her exceptional musical talent promises to be an avenue of escape But a handsome singer distracts her and opportunities that once seemed so close begin to fall away Now married with children of her own she fights to maintain the dignity of her family *Let the Lion Eat Straw* is a revelation of the glory in apparently ordinary lives **Let the Lion Eat Straw** Ellese Southerland, 1979 **Ebony**

, 2005-08 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine **Faithful Vision** James W. Coleman, 2009-08-01 This is a marvelous and sustained discussion of faithful vision and its significant influence on African American literature American Literature In *Faithful Vision* James W Coleman places under his critical lens a wide array of African American novels written during the last half of the twentieth century In doing so he demonstrates that religious vision not only informs black literature but also serves as a foundation for black culture generally The Judeo Christian tradition according to Coleman is the primary component of the African American spiritual perspective though its syncretism with voodoo hoodoo a religion transported from West Africa through the West Indies and New Orleans to the rest of black America also figures largely Reviewing novels written mainly since 1950 by writers including James Baldwin Randall Kenan Toni Morrison John Edgar Wideman Alice Walker Gloria Naylor Erna Brodber and Ishmael Reed among others Coleman explores how black authors have addressed the relevance of faith especially as it relates to an oppressive Christian tradition He shows that their novels no matter how critical of the sacred or supernatural or how skeptical the characters viewpoints ultimately never reject the vision of faith With its focus on religious experience and tradition and its wider discussion of history philosophy gender and postmodernism *Faithful Vision* brings a bold critical dimension to African American literary studies An insightful interrogation of the complexities of religious discourse in the African American literary tradition Because it superbly translates complex spiritual ethos into literary tradition this remarkable book is a must for anyone interested in intersections of the sacred and the secular in black cultural productions Southern Literary Journal *Faithful Vision* both looks intently into faith and shows us how to look Christianity and Literature *The Female Tradition in Southern Literature* Carol S. Manning, 1993 This collection of critical essays examines the contributions to and influences on literature that have been made by Southern women writers From publisher description *The Coretta Scott King Awards, 1970-1999* Henrietta M.
