Gentle Medicine Dr. Joachim-F. Grätz, 2021-01-25 Gentle Medicine creates a comprehensive awareness for a new dimension in medicine a medicine of the future that can be a reality today After reading it you will be able to clearly recognize the correlations and natural laws of health and disease and be able to use them for yourself to achieve absolute health Joachim F Grätz a classical homeopath for more than thirty years walks you through how to use natural laws to cure degenerative and chronic diseases prevent diseases from ever occurring in the first place survive and thrive in today's fast paced world The author also examines the general decline of human health our understanding of diseases and how they are diagnosed how the media manipulates the public the controversy surrounding vaccinations and more Whether you're a physician a caregiver someone battling a degenerative and or chronic condition or simply want to be proactive about staying healthy you'll find information and insights you can use with this guide to healing This work addresses the natural laws and correlations affecting illness and health in a generally understandable way that most are unfamiliar with Indeed very few have even an inkling of them because o they are diametrically opposed to their previous knowledge o they have never been revealed before and anywhere else Nevertheless everyone should be familiar with them from the bottom up both for themselves and their families since they are the key to the health of the individual as well as that of the general public and the entire planet

Homeopathy, Healing and You Vinton McCabe, 1999 A comprehensive accessible introduction to homeopathy by one of the field's preeminent practitioners

Homeopathy - The Undiluted Facts Edzard Ernst, 2016-09-27 This book traces the genesis principles and practice of homeopathy and discusses the reasons for its enduring popularity Two hundred years ago medicine had little to offer except blood letting and the administration of violent purgatives practices which shortened the course of illness by hastening the death of the patient Largely in reaction to what he correctly saw as the brutality and ineffectiveness of the medicine of his day the eighteenth century German physician Samuel Hahnemann developed a system of therapeutics that he termed homeopathy Ironically while modern medicine has changed beyond recognition homeopathy with its roots in alchemy and metaphysics continues to be practiced precisely as it was in Hahnemann's day Readers of this book will enjoy the story of homeopathy and its almost magical attraction whilst learning much from the author's rational and scientific discussion of the biological chemical and psychological questions that this treatment raises
