

A photograph of a dirt road winding through a forest. The trees on either side of the road have foliage in shades of brown, orange, and yellow, indicating autumn. The road leads towards a bright light source at the far end, creating a strong lens flare effect. The overall scene is serene and atmospheric.

Let There Be Light Silvio Gonzalez, 2019-02-21 This book is but a tiny taste of the great adventure that is life a complete and wholesome life lived within the precepts of God's Word Following the bread crumbs left by our Creator is the greatest treasure hunt of all The radical concepts in this book will expand your imagination We are not talking merely about new discoveries It is far beyond that You will go on a wild mental ride that will leave you breathless You will see the past as never before You will realize that you routinely foretell the future You will never claim to see the present again I promise you more aha moments than you have had in years You are going to see the universe come alive in a simple and elegant way I have done many things in life but few have been as exciting as this book I hope you can enjoy reading it as much as I have enjoyed writing it

Let There Be Light Pastor Raymond H. Vietmeier, 2021-03-16 This book is the author's second book *Let There Be Light* refers to the fact that the Bible teaches us to walk in the light and be children of light We walk in the light when we try our best to do and say things as if Jesus was doing and saying them The old saying What would Jesus do is a perfect example The beginning of the book teaches us what it means to live in the light and how to continue to strive to live in the light The book then moves on to the problems facing Christians today Christians are being persecuted both in other countries of the world and in our own country the United States of America In chapter 9 God directed the author to write based on a vision he received one night It was about what will happen if we are not successful in changing our culture's direction It is currently turning away from God and heading in the direction inspired by Satan Satan preys on us by studying our weaknesses and our desires He promises to give those to us just as he promised Eve things based on her desires that is to be more like God Jesus said that Satan is the father of lies and all that is evil Please keep that in mind It just may save you
