

FATAL CHARM

When your dreams come true, it's a blessing. Or is it? Adam Brenner (Christopher Atkins) is every girl's dream. He's sweet, sensitive, and one of the best looking guys around. But there may be another side to him...a deadly one.

Brutally raping and murdering six women is the work of a vicious serial killer—who would suppose it was the work of a charming local boy? Although the town is convinced of his guilt, one girl fantasizes about his innocence. To Valerie (Amanda Peterson), Adam is everything she could ever wish for.

But when you wish for something hard enough, sometimes you get more than you bargained for...

His Reputation Precedes Him Carole Mortimer, 2023-10-10 An interior designer struggles to resist her wealthy playboy client in this romance from a USA Today bestselling author He s one of the most talked about men in New York and interior designer Eva Grey has heard all the stories Yes Markos is powerful wealthy and unbearably good looking but Eva knows that while he might make a girl feel special for one searingly hot night that s all he s good for After her disastrous marriage he s just the type of man she should avoid But when Markos hires Eva to decorate his penthouse it s too lucrative an opportunity to turn down and one that shatters Eva s resolve to stay firmly out of Markos s bedroom *Marketing Health Behavior* L.W. Frederiksen, L.J. Solomon, K.A. Brehony, 2013-11-11 This is a book that grew out of frustration The frustration was rooted in our failed attempts to help people modify health related behavior From a behavioral medicine perspective it was readily apparent to us that there were many things people could do to improve their health Some of these were preventive behaviors whereas others were much more therapeutic or rehabilitative in nature Put another way there were specific well known behavioral strategies that people could use to maintain or regain their good health Yet despite our good intentions enthusiasm and considerable efforts something was wrong People dropped out of therapy or failed to follow behavioral prescriptions Workshops and clinics were half empty If people would attend workshops or follow therapeutic programs their health would benefit Yet in our experience and in the experience of most of our colleagues compliance to treatment programs was a major problem Faced with such a situation it is easy to blame the victim in this case the client It is common to hear therapists talk of poorly motivated clients complain that people are just not interested in improving their health or even speculate about people s self destructive tendencies Although this may be comforting to the therapist it does very little to solve the problem What was needed was an approach to improve adherence to therapeutic programs rather than comforting excuses for their failure It is in this context that we became exposed to the area of social marketing **Beloved Enemy** Ellen Jones, 2013-01-29 In the twelfth century as France and England compete for dominion one woman s passions and ambitions will change history Aquitaine is mine It will never belong to anyone else With these words fifteen year old Eleanor seals her fate Aquitaine is under the French king s safekeeping and Eleanor the Duke of Aquitaine s eldest daughter knows she must wed Prince Louis in order to insure the future of her beloved duchy Fiercely independent filled with untapped desire the woman who would be queen must provide Louis VII her monkish husband with heirs But it is young Henry of Anjou who catches Eleanor s eye and sets fire to her heart Ruled by a raging drive to succeed Henry vows that he will not be cheated of his rightful place on the English throne Yet the newly christened Duke of Normandy is thoroughly enraptured by the French queen In Eleanor Henry knows he has found a woman whose hunger for life and glory matches his own So begins a passionate love that will span decades and change the course of history *The Lawman's Surrender* Debra Mullins, 2017-06-21 U S Marshal Jedidiah Brown knew Susannah Calhoun was trouble from the first day he met her The

blonde beauty turns men's heads with her looks and charm to get her way but he certainly never expected to find her in a jail cell accused of murder Pursued by those who want to see her hanged Jedidiah is duty bound to escort her to Denver for her trial But will they be able to clear her name in time or will their burgeoning love be cut short by the hangman's noose
