Romanowski, 2017-07-28 The role of motion pictures in the popularity of rock music became increasingly significant in the

latter twentieth century Rock music and its interaction with film is the subject of this significant book that re examines and extends Serge Denisoff s pioneering observations of this relationship Prior to Saturday Night Fever rock music had a limited role in the motion picture business That movie s success and the success of its soundtrack began to change the silver screen In 1983 with Flashdance the situation drastically evolved and by 1984 ten soundtracks many in the pop rock genre were certified platinum Choosing which rock scores to discuss in this book was a challenging task The authors made selections from seminal films such as The Graduate Easy Rider American Grafitti Saturday Night Fever Help and Dirty Dancing However many productions of the period are significant not because of their success but because of their box office and record store failures Risky Business chronicles the interaction of two major mediums of mass culture in the latter twentieth century This book is essential for those interested in communications popular culture and social change **The DePalma Cut** Laurent Bouzereau,1988 Bouzereau follows De Palma s career from his initial association with the exuberant independent filmmaking wave in New York in the early 70s through his combative affiliation with the studios as he developed his seminal themes voyeurism guilt as a motivator and the double **Directors Close Up** Jeremy Paul Kagan,2006 From script development through pre production to production and post production famed directors offer personal insights into every step of the creative process They also reveal their candid takes on the best and worst aspects of their profession This second edition features personal materials from many of the directors including storyboards script notes sketches and on set photos Directors Close Up will be of interest to both professional and aspiring directors as well as to film fans that will enjoy this inside look into making movies **NewMedia** ,1999 [Horror Film Directors, 1931-1990](#) Dennis Fischer,2024-10-17 This is an exhaustive study of the major directors of horror films in the six decade period For each director there is a complete filmography including television work a career summary critical assessment and behind the scenes production information Fifty directors are covered in depth but there is an additional section on the hopeless the obscure the promising and the up and coming *Independent Feature Film Production* Gregory Goodell,1998-05-15 Covers all aspects of the film making process from financing through pre production principal photography postproduction distribution and marketing Essential reading for all film makers This book is a must Ridley Scott I wish I had had this book when I started John Carpenter **Trying to Get Over** Keith Corson,2016-03-22 From 1972 to 1976 Hollywood made an unprecedented number of films targeted at black audiences But following this era known as blaxploitation the momentum suddenly reversed for black filmmakers and a large void separates the end of blaxploitation from the black film explosion that followed the arrival of Spike Lee s She s Gotta Have It in 1986 Illuminating an overlooked era in African American film history Trying to Get Over is the first in depth study of black directors working during the decade between 1977 and 1986 Keith Corson provides a fresh definition of blaxploitation lays out a concrete reason for its end and explains the major gap in African American representation during the years that followed He focuses primarily on the work of eight directors Michael Schultz Sidney

Poitier Jamaa Fanaka Fred Williamson Gilbert Moses Stan Lathan Richard Pryor and Prince who were the only black directors making commercially distributed films in the decade following the blaxploitation cycle Using the careers of each director and the twenty four films they produced during this time to tell a larger story about Hollywood and the shifting dialogue about race power and access Corson shows how these directors are a key part of the continuum of African American cinema and how they have shaped popular culture over the past quarter century *Overkill* Bill Mesce, Jr.,2014-08-21 The work examines the evolution of the thriller from the heyday of the Hollywood mogul era in the 1930s when it was primarily bottom of the bill fodder through its maturity in the World War II years and noir breeding 1950s its commercial and critical ascendancy in the 1960s and 1970s and finally its subsequent box office dominance in the age of the blockbuster *Esquire*,2000
