Thomas O'Donnell,2008-08-12 Two thousand years ago a simple man walked this planet with a simple message They called him Jesus His was a message of radical exclusion in a world he called the Kingdom of God He spoke in parables grounded in common everyday experiences parables about yeast and leavened bread weeds and mustard seeds fishing nets and pearls In the Kingdom of God everyone was equal and differences made no difference But the world couldn't handle such an outrageous message Whoever heard of a world where differences make no difference Of course they make a difference So they dangled him from a cross for all the world to take note After his death they honored him with a title the Christ and began a whole new religion in his name But for two thousand years far too many have been dishonoring him by misrepresenting his message His message of radical inclusion has been twisted and contorted into a message that far too many of his followers use to sanction that which he came to overcome Instead of eliminating distinctions between insiders and outsiders pure and impure clean and unclean his message has been used to perpetuate sexism racism ageism homophobia imperialism and all the other isms that stand in the way of radical inclusion All this has happened so gradually literally over centuries if not millennia through crusty old doctrines dogma and creeds that very few have even noticed Christianity has become fat and happy just like the frog in the Parable of the Boiling Frog You stick a frog in a vat of boiling water and it will struggle with all its might to escape an otherwise certain death But if you stick a frog in a vat of lukewarm water and ever so gradually keep warming it one degree at a time the frog will grow comfortable in the increasing warmth of its environment until before he realizes it he has been boiled Two thousand years later it is time to set the record straight time to return to Jesus simple message through the common ordinary experiences of today In the biblical witness Moses wandered in the wilderness for forty years Jesus for forty days So too shall we wander by channel surfing through forty chapters of scripture From Adam and Eve to Ricky Nelson's Garden Party at Madison Square Garden from the Book of Job's Eliphaz Bildad and Zophar to The Three Stooges from Matthew's and Luke's nativity scenes to Larry Darryl and Darryl of The

Bob Newhart Show from the temptation stories and Jesus wandering in the wilderness to American Bandstand the Temptations and Dion from Pilate and Herod cross examining Jesus to Judge Wapner and Judge Judy from atonement theology to Lets Make a Deal it is time to paint our antiquated parables with a more contemporary brush in so doing it is time to turn Jesus simple message into a profound reality Onward radical inclusion On to the Kingdom of God In the immortal words of Bart Simpson Surfs up dude **Last Call in Boracay** Randy Duke,2024-06-19 Zombie travelogue comedy in the tropics Debauched expats from hell get more than they bargained for when it turns out their tiny island paradise is ground zero for a zombie apocalypse **Quickies** Heather Bartos,2025-06-24 A bold manifesto to reclaim your desires reignite intimacy and celebrate the sacred power of midlife sexuality unapologetically Step aside stereotypes Midlife is not a time to fade into the background In Quickies Dr Heather Bartos OB GYN renowned menopause specialist and Oprah approved women s health advocate delivers a witty wise and unapologetically bold roadmap for reclaiming sensuality confidence and self love in midlife Packed with 100 empowering bite sized lessons Quickies challenges outdated notions about aging and intimacy From practical advice on navigating hormonal shifts to cheeky tips for spicing things up in the bedroom or anywhere else this groundbreaking guide invites women to embrace their evolving identities with curiosity courage and joy Whether you re reigniting your spark or discovering it for the first time Dr Bartos s compassionate and laugh out loud voice makes the journey a delight Dr Bartos s expertise isn t just clinical it s deeply personal Drawing on years of experience as a top OB GYN and certified menopause specialist she offers medical insights with a human touch A certified reiki practitioner she also bridges the worlds of science and spirit encouraging women to connect with their bodies on every level And with a surprise foreword that s sure to make readers smile Quickies delivers not just education but celebration Empress Editions Publisher Alisa Kennedy Jones calls Dr Bartos s work a revelation adding Quickies is a love letter to midlife women everywhere It s an invitation to thrive not just survive Set for release on June 24th 2025 on the heels of National Vagina Appreciation Day this book is poised to redefine midlife and inspire a new wave of bold beautiful living Dr Heather Bartos s expertise has been featured in The New York Times O The Oprah Magazine and Good Housekeeping Now with Quickies she s giving midlife women everywhere the tools to live sexily ever after
