Lets Plan A Banquet:

Let's Plan a Party Bernice Wells Carlson,1978-05 *Let's Plan a Banquet* Dorothy (Clark) Haskin,1971 *Let's Party!* Lisa Thompson,2007 Little Texas Nancy Jean,2022-02-14 This is the fictional story of three young women who are raised on the Great Plains of eastern New Mexico during the Great Depression era and are best friends in their high school senior year when the US enters WWII These young women already know hardship and patience they will learn about love and loss when their childhood abruptly ends It can t happen here does not save Akiko from internment with her family as enemy aliens Thereafter Susan s and Clovie s experiences create opportunities to learn empathy generosity and unbiased thinking Little Texas gave them clean air wide horizons the security of a small community But the bigoted beliefs they learned as children in Little Texas a term given 100 years ago to New Mexico counties that border Texas lose their authoritative influence Susan and Clovie challenge these beliefs and boundaries I created characters and scenarios that unveil those prevalent in 1930s 1940s Little Texas Though this is a work of fiction its characters and their stories are fiction I sincerely tried to accurately represent and fairly analyze the setting When I first learned in 2019 about the forced removal of Clovis Japanese residents in 1942 to prison conditions at Fort Stanton I was immediately appalled Writing this novel helped me understand how it could happen here **Seductress** Janie Owens,2025-01-23 Dezerea Carter is a southern Jezebel who is one of the best pastry chefs in Dallas TX She is looking to open her own business and she finds herself sexually attracted to a prominent investor Darius Singleton Darius is a tall dark and sexy beast of a man that has every woman in Dallas wanting him Through her many sexual rendezvous and adventures she soon finds herself confused in love the love of seduction or lust when she meets her swim instructor Jameson who doesn t feed into her sexual advances As she live out her tales of lust sex and love will she lose the love of seduction or finally have it all a successful business and love **The Gods of Addiction** Chaplain Mitchell Green,2012-09 This inspirational memoir shares one man s journey through addiction recovery and the eventual realization that God is his savior Mitchell Green has been to hell and back For more than thirty years demonic forces intertwined within him tearing his life apart testing his sanity and destroying every good thing he ever found created or was given In his moving testimony Green shares his inspiring life story of addiction and of the glorious heights to which a soul has the potential to rise even after its descent into darkness In his candid portrayal of life before during and after addiction Green recalls sitting in drug dens his face sunken skin ashen eyes wild and pumping cocaine into his system all while wondering where he would find the money for his next hit Most of all Green remembers running But when he was charged with assault during a robbery the running stopped at least for the next eleven years As Green shares the challenging journey of his recovery he describes the joyless process that it became until the voice of a loving God spoke to his suffering soul and revealed his true identity The Gods of Addiction is an inspirational story about the power of the gods of addiction to destroy lives and the power of God to save them New York Magazine ,1984-05-07 New York magazine was born in 1968
