Christmas-See! Janet Burton, Robert V. Dodd, Donna J. Fetzer, 2007. This anthology provides a wide range of dramatic and worship material for seasonal celebrations. There are numerous Thanksgiving resources including a children's Sunday school learning event, a children's message, a brief responsive reading, a one-act drama, and a sermon. For Christmas, there are six plays of various lengths for a variety of ages and cast sizes, as well as a hanging of the greens worship program and an engaging story that can either be read to young children or performed as a play. *St. Patrick and the Helicopter* William Loader, 2023-06-29. This book comes from the playground of imagination. It is the work of a leading international specialist in New Testament studies with a passion for making the findings of New Testament research accessible for a wide readership. From children's stories to liturgies, poems to subversively provocative fantasies, it invites the reader to play, to reflect, and to be confronted. This is a book to keep coming back to, rather than one to be read from cover to cover. It invites the reader to engage issues at the heart of faith and disbelief. It is a rich and challenging resource for personal and for group reflection. Some pieces will serve well as discussion starters. Some are for storytelling and celebration, including children's stories with subtle hints for adult minds. Others belong in the context of worship. They are grouped broadly according to the church liturgical year: Around Christmas, Around Easter, Around Pentecost, and Any Time. Come and read. Come and play. **The**
