

LET'S RETURN TO CHRISTIAN UNITY

is the first in a two-part series.

The second book is entitled
Church Unity, How to Get There.

Both books call for Christians to forever lay aside
the barriers which separate the redeemed.

In this book a Japanese Christian named
Kokichi Kurosaki declares that we can be one.

First Kurosaki presents the problems which
cause division, defines the present need, and
points you, the believer, to the path of
oneness in the body of Christ.

Kurosaki gives you a new view on
why we must return to unity as he shows you the
destructive power of division as seen through
the eyes of a "foreigner" living on a "mission field."

He tells us that many mission field converts
such as himself have abandoned the western ways
which have caused division among believers.

Read Kurosaki's words.

Share them with others.

Pray that a vast ground swell will arise
among believers here in the West . . . that

God's people will refuse to be separated
from one another any longer . . . that believers
will lay aside differences which have been
unnaturally and unnecessarily
placed upon us!

Lets Return To Christian Unity:

Let's Return to Christian Unity Kokichi Kurosaki,1991 **Reimagining Church** Frank Viola,2012-12-10 Author Frank Viola presents a compelling case for a new kind of church based on the model for fellowship found in Acts Redefine expectations and reimagine a life changing church *All Together in One Place* Harold D. Hunter,Peter D. Hocken,2019-02-21 The global pentecostal charismatic movement as it launches into the twenty first century outdistances current attempts at classification and clarification Although scholarly theologizing has not been the hallmark of the movement the current surge of pentecostal charismatic scholars confounds the accepted antithesis between expressive narrative and reflective theology Brighton 91 which featured Professor Jurgen Moltmann and the Archbishop of Canterbury was a symposium unprecedented in the range of participating scholars drawn from six continents They gave voice to new insights for handling racism sexism socioeconomic oppression and the environment thus modeling a legitimate postmodern agenda **Gathered in my Name** William T. Cavanaugh,2020-12-28 This volume differs from many quincennial discussions of the Protestant Reformation and ecumenical scholarship more generally in that it shifts the focus from Europe and the West to the global South where ecumenism s promises and challenges are quite different In postcolonial and post missionary Africa the churches continue to expand competition among denominations is lively and Christian rivalry with Islam is often a reality In Latin America Protestants have severely eroded the Catholic Church s hegemony originally forged in the zeal of the Counter Reformation to combat the perceived errors of Luther and Calvin In India the Christian churches are a tiny beleaguered minority facing an increasingly militant Hindu nationalism These essays pay close attention to the different contexts of intra Christian relationships worldwide the actual situation on the ground If ecumenism will succeed it cannot be simply a matter of experts at a conference attempting to agree about doctrines abstracted from the contexts in which they were forged the contexts in which doctrinal disagreements caused ecclesial ruptures or the contexts in which Christians continue to live out our divided existence This volume attempts to be sensitive to the lived experience of divided Christians in whatever part of the world they find themselves **Straight to the Heart of Joshua, Judges and Ruth** Phil Moore,2018-03-23 The Gospel isn t first and foremost about forgiveness That s simply how we enter into the hallway of salvation to explore all of the rooms in the palace That s why we need these three books of the Bible They remind us that God has given us some Promised Land to take as a result of our salvation They help us to discover the God who keeps on giving God inspired the Bible for a reason He wants you read it and let it change your life If you are willing to take this challenge seriously then you will love Phil Moore s devotional commentaries Their bite sized chapters are punchy and relevant yet crammed with fascinating scholarship Welcome to a new way of reading the Bible Welcome to the Straight to the Heart series **Let Mutual Love Continue** Larry Miller,2021-06-10 The Global Christian Forum brings together the widest variety of global church families as an open space to foster mutual respect and address common challenges Its Third Global
