British Women Poets and the Romantic Writing Community Stephen C. Behrendt,2009-02-02 Approaching the work of Romantic era British women poets through the lenses of public radicalism war and poetic form This compelling study recovers the lost lives and poems of British women poets of the Romantic era Stephen C Behrendt reveals the range and diversity of their writings offering new perspectives on the work of dozens of women whose poetry has long been ignored or marginalized in traditional literary history British Romanticism was once thought of as a cultural movement defined by a small group of male poets This book grants women poets their proper place in the literary tradition of the time In an

approach ripe for classroom teaching Behrendt first reviews the subject thematically exploring the ways in which the poems addressed both public concerns and private experiences He next examines the use of particular genres including the sonnet and various other long and short forms In the concluding chapters Behrendt explores the impact of national identity providing the first extensive study of Romantic era poetry by women from Scotland and Ireland In recovering the lives and work of these women Behrendt reveals their active participation within the rich cultural community of writers and readers throughout the British Isles This study will be a key resource for scholars teachers and students in British literary studies women s studies and cultural history
