Lets Get Tough:

Let's Get It! Kristoffer E. Doura, 2022-11-22 Written as a response to nonprofit organizations inability to provide resources to their existing business models during the Covid 19 pandemic Let s Get It pairs the essential role of sustainability with Kristoffer E Doura s unique business approach and point of view Let s Get It contains golden nuggets of business and financial expertise for professionals who want to build and grow their nonprofit organizations Kristoffer E Doura s depicts his transition from a professional athlete who faced a near death experience to a financial professional who fully embraced his second chance at life and sought to make a more significant impact Doura shows how his approach used to overcome the trial and tribulations of his professional football career can be applied to the development of a nonprofit organization s goals and structure He explains how leaders and philanthropists should take risks and face challenges directly in order to reap the greatest benefits and insight Let s Get It is for those seeking to improve the culture of a nonprofit organization through sustainability and increased access to resources

Let's Get Free Paul Butler, 2010-06-08 Radical ideas for changing the justice system rooted in the real life experiences of those in overpoliced communities from the acclaimed former federal prosecutor and author of Chokehold Paul Butler was an ambitious federal prosecutor a Harvard Law grad who gave up his corporate law salary to fight the good fight until one day he was arrested on the street and charged with a crime he didn t commit In a book Harvard Law professor Charles Ogletree calls a must read Butler looks at places where ordinary citizens meet the justice system as jurors witnesses and in encounters with the police and explores what doing the right thing means in a corrupt system No matter how powerless those caught up in the web of the law may feel there is a chance to regain agency argues Butler Through groundbreaking and sometimes controversial methods jury nullification voting not guilty in drug cases as a form of protest just saying no when the police request your permission to search and refusing to work inside the system as a snitch or a prosecutor ordinary people can tip the system towards actual justice Let s Get Free is an evocative compelling look at the steps we can collectively take to reform our broken system

Let's Get Together Gabe Lett, 2008 Do you feel that you just go through the motions while you re at church No one wants to feel this way but sadly too many do Let s Get Together is an insightful and helpful guide in connecting you into the community known as the Church Author Gabe Lett provides a thorough understanding of the state of community in the Church today and offers sound biblical principles upon which to connect you to the family of God Everyone needs a social network a context in which to grow through the challenge and support of others Whether you are a regular church attendee a casual churchgoer or never even stepped foot into a sanctuary we all want to belong somewhere and feel connected to others Let s Get Together and build a community where we all belong

Lean - Let's Get It Right! David Rizzardo, 2020-01-22 Lean Let s Get It Right How to Build a Culture of Continuous Improvement 978 0 367 42991 1 340939 Shelving Guide Business Management Lean Management This book addresses the root causes of why a majority of Lean transformations have not met expectations More

importantly it provides the information needed to turn around the failure mechanisms and transform them into critical success factors Lean Let's Get It Right delves into the psychology of change and motivation and clarifies the roles and responsibility changes which are required for alignment with Lean principles While the author includes a review of Lean principles the majority of the book either provides more depth of understanding of the principles or highlights how misalignment can thwart Lean transformation efforts What this provides is not only clarity but it establishes a solid reference point or framework to guide the Lean strategy The reader will begin to see how the principles are not simply a random set of characteristics or features of Lean but are actually a set of fundamental beliefs on which all else is based Though repeated throughout the book that an organization must develop the specifics of their own Lean roadmap this book concludes with guidance on making it happen This book with its primary focus on people leadership and principles and less so on the details of tools and techniques can be thought of as providing the few critical missing puzzle pieces to enable an effective Lean transformation

Let's Get Acquainted Flora Clark Gardner, 1921 *Let's Get Results, Not Excuses!* James M. Bleech, David G. Mutchler, 1995 Here's a no nonsense approach to increasing productivity performance and profit This unique look at corporate problem solving allows one to rid a company of the disease of excuse making As a result all the accompanying problems denial of responsibility pessimism procrastination projection of blame and reactive thinking disappear
