Snyder,2008-05-23 Get Right Church and Let s Go Home is a book birthed from the spirit of God Just imagine sitting at the foot of the throne with pen and paper and God telling you why He is concerned for the body of Christ Just imagine God allowing you to feel His emotions for His people If you can just picture the cross and the price that was paid and how the price has become so insignificant to the Church then you can understand what this book is designed to accomplish The things written in this book come straight from the word of God The only way to dispute it is to dispute the word the truth I often tell my children that the truth is the truth whether you choose to accept it or not You can analyze it You can show what you think is a better way You can even convince a nation that what you say is true but when Jesus Christ returns and declares the truth that will be it All issues will be settled all arguments will cease all those who are going to heaven will go and all those who are not will go to hell No it is not a damnation and hellfire book It is a book written out of love If God did not love us He would not bother to reach us He could just allow us to continue in this world s deception and end up where many of us are now separated from Him The words get right let us know that it is not too late This book is just a warning to let the Church and the world know that time is not on our side Time is insignificant to God but it means everything to us When time ends it ends Everyone will go to heaven once some to be judged and some to be welcomed home This book is designed to help you get home Travel the Globe Desiree Webber,Dee Ann Corn,Elaine R. fruitfulness God intended from the very beginning *When a Woman Lets Go of Her Fears* Cheryl Brodersen, 2010-09-01
Fear in a woman's life can be controlling, deceptive and downright crippling. Even as a Christian woman from a well-known family of pastors and Christian leaders, Cheryl Brodersen knew this kind of fear and hated the control it had over her world. Growing up, she often felt the scrutiny and judgment of people around her, and this just added to the fear. Wanting to hide away from everyone, she realized fear was determining her decisions and life direction. In the midst of the pain, God spoke to Cheryl's heart, and she began a beautiful journey toward freedom. As she understood His word more deeply, she saw what it meant to walk in the light, full of confidence and trust in God and His goodness. As a gifted Bible teacher, Cheryl takes readers on an eye-opening and heart-filling study of what the Bible says about fear and how to overcome it, helping women find true faith and the peace that comes from leaving fear behind. **Edgar Cayce's Tales of Ancient Egypt** John Van

Auken, 2011-09 John Van Auken combines the collection of Egyptian past lives found in the Cayce readings with Egyptian legends that appear in papyruses, on temple walls, and in pyramid texts for a complete picture that reveals the full story of priestesses, healers, female pharaohs, and gods among humans. This book includes more than 80 illustrations with Cayce's insights into the pyramids, ancient flight, the Hall of Records, the Great Initiate, and the seven stages of soul growth.

Egyptians: Today & Yesterday Gr. 2-3, **The Queen of Lovers "We Need You."** Dr. Badal W. Kariye, 2011-06-09
Preface I would like to tell you that the Queen of Lovers We need you is a fictional romantic novel based on multichannel travels for love and espionage in our world where people practice various lifestyles in love. Our Lord is The Most Gracious and The Most Merciful, who made possible for us to interact and fall in love with each other. Romance: few people succeeded to keep their promises until one of them retires from sexual curiosity or dies. It's very rare to meet your spouse as the government spymaster, and if you didn't know before, then you're highly at risk to be assassinated before you fizzle out. Her top-level security clearance in some countries. My Queen of Lovers and I went to visit different continents such as Asia, Australia, Africa, The Caribbean, South America, Parts of North America. We've met a lot of multicultural and multiracial nationalities who committed to live and work for better democracy in love than their governments, which my Queen of Lovers has been spying on. I couldn't handle the devilish stress of espionage in top secrets from the governments, which have been opposite to the national and security interests of our beloved country within the nations of many nationalities. Love in destiny or without destiny, we'll taste it carefully and legally, but when you fall in love with spymaster, then you'll always meet undetectable situations and anonymous hunters who can be anything with credentials from the government to cover up dirty jobs. Don't be a victim of spymaster. You better always ask before you make any relationship with somebody. I love my Queen of Lovers, finally, and you taught me a lot in governmental secrecy and how a spymaster acts as a romantic lover to use my linguistic abilities during secretive missions in various continents. I love you, my Queen. **Gone on Vacation** Sylvia Shults, 2023-09-19 Ah, vacations! There's nothing like getting away from it all, taking in a change of scenery, and maybe visiting
