Following Christ Robert B. Callahan Sr., 2012-06-11 The latter half of Chapter 4 of Paul s letter to the Ephesians is the watershed of this magnificent document that is often referred to as the holy of holies Paul was never hesitant to declare God s truth as he proclaimed it to those professing faith in the Lord Jesus Christ Therefore after praising The Triune God for the love wisdom and blessings bestowed upon us during the first three and one half chapters Paul does an about face and enjoins the believers with these strong words saying This I testify in the Lord that ye henceforth walk not as other Gentiles walk in the vanity futility of their mind He is telling the hearers that once they are Christ s they are to walk to a different drummer the Master Himself Paul completes the watershed transition by reminding professing Christians But ye have not so learned Christ It is with these simple single syllable words that he opens new horizons for the members of Christ s body and paves the way for enunciating the duties and responsibilities they are to learn and to do when Following Christ This learning and practicing is not easy but it is joyful rewarding and worthwhile That is why Paul before embarking on Christ s learning pathway tells the followers in the way to put off the old man be renewed in the spirit of your mind And put on the new man which after God is created in righteousness and true holiness May we heed God s truth as revealed to Paul by the Holy Spirit These blessings are comforting strengthening and manifold when committing ourselves to Walking With Jesus

Commentary and Study of the Letter to the Ephesians Steven Van de Berg, 2021-04-26 For it is by grace you are saved through faith And that not of yourselves it is a gift of God and not of works lest any man should boast For we are his workmanship created in Christ Jesus for good works which God prepared beforehand for us to do Eph 2 8 10 The letter to the Ephesians is one of the prison letters that is it is one of Paul s letters that were written while the apostle was imprisoned in Rome On his third missionary journey the apostle Paul spent almost three years in the city of Ephesus a city that became an important center of Christian

action in the Roman province of Asia in a region belonging to Turkey The epistle to the Ephesians was written by Paul during his first imprisonment in Rome between 60 and 63 AD Most of the apostle's recommendations concern the church's position in relation to Christ At the end of the six chapters the focus is on the struggle of the saints an encouragement that as followers of Christ all should understand that God has all authority to manifest his presence among believers Blessed be the God and Father of our Lord Jesus Christ who has blessed us with every spiritual blessing in the heavenly places in Christ Eph 1:3 The author then warns about doctrine the foundation of God's purposes for all mankind where the existence and the walk must keep their attention on the word of the Lord on the teachings of Jesus In this way all God's people will not be influenced by doctrines of doubtful origin which do not come from God and do not acknowledge Christ as Lord and Savior There is one body and one Spirit just as you were called in one hope of your calling there is one Lord one faith one baptism one God and Father of all who is above all and through all and in all Eph 4:4-6 Throughout the passages we identify that the first chapters speak of God's acts and principles then speak of the experiences of God's people at that time and finally present considerations about the Christian's daily struggle an invitation to the church to mature Put on the whole armor of God that you may be able to resist the wiles of the devil Eph 6:10-11 and Be angry and do not sin do not let the sun go down on your wrath Eph 4:26

Letter to the Ephesians Adrienne von Speyr,2012-03-30 The contemporary mystic and spiritual writer Von Speyr gives a verse by verse commentary on St Paul s letter to the Ephesians that is the fruit of her own contemplative meditation and prayerful reflection As with her other volumes of New Testament meditations this one bears two distinctive features First her method of expressing the theological meaning of an enunciation is not merely to state the universal Christian truth but also to characterize the particular angle of vision from which the sacred writer St Paul sees it Thus Paul s way of conceiving the content and life of faith and the self conscious role of the apostle in the economy of salvation accordingly stands out in bold relief Secondly Von Speyr always retraces the content of the words back to the source of revelation which is the Trinity she has an unremitting regress to the Triune God who occupies the central position in the whole of scriptural revelation and is its one viewpoint and theme that must be heard for its own sake

The Prison Letter Justin Jackson, 2013-08. Paul's letter to the Ephesians, written from the prison cell of a man who was a criminal in the eyes of a God-hating world, teaches God's people how to unite in the name of Christ, live for the glory of God, and live in the victory of Christ. In this epistle, Paul calls for the church to apply the truths of the gospel. His prayer is that God will cause the faithful to know Him and to know that Christ is sovereign Lord over all. This detailed analysis of the letter to the Ephesians explores how Paul reminded believers of their status in Christ and encouraged them to live true to the calling God has given. It reveals how God proclaimed his ultimate plan to unite all things in Christ, things in heaven and things on earth, and makes clear ways in which you can participate in spreading the Lord's message to a world that needs it. God's plan has always been to build the church for His glory and to prove the greatness of His wisdom. The Prison Letter invites believers to understand how the church, as the body of Christ, is called to glorify God. This study of Ephesians seeks to encourage you, strengthen you, and inspire you to worship God.
